KNOWLEDGE FOR POSTERITY

SDUAHER

Sri Devaraj Urs Academy of Higher Education & Research

(DEEMED TO BE UNIVERSITY) KOLAR, KARNATAKA

DIARY 2022

Genesis of the Academy

In 1984 a group of dedicated and like-minded visionaries headed by Shri.R.L.Jalappa, Champion of Co-operative movement in the state of Karnataka established Sri Devaraj Urs Educational Trust for Backward Classes to focus on Medical Education and Social Service. Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar is a Deemed to be University declared Under section 3 of UGC Act. Through the colleges/Hospitals and other institutions set up by it, the trust has sought to make significant contribution to Medical Education, Research and Health Care to Rural population.

The establishments of the Academy and the constituent institution are co-located at Tamaka village, Kolar and spread over more than 72.73 acres of lush green campus with several buildings to accommodate the medical college, administrative offices, teaching/training facilities, hospital and hostels with a total built up area of over 1.24 lakh sq. metres. Currently, the Academy has two faculties of studies viz; Faculty of Medicine and Faculty of Allied Health Sciences.

VISION

The drive towards excellence by providing knowledge for posterity is the central over-riding theme of the Academy, which is derived from the vision statement –

"ACADEMY OF EXCELLENCE - KNOWLEDGE FOR POSTERITY"

The Academy intends to realize this vision of providing knowledge for posterity by providing education that is driven by Quality and Excellence.

MISSION

The Mission is "to be a global centre of excellence for Teaching, Training and Research in the field of Higher education" by "inculcating scientific temper, research attitude and social accountability amongst faculty and students" as well as "to promote value-based education for the overall personality development and leadership qualities to serve the humanity".

Crusader of Backward Community
Champion of Co-operative Socialism

A VISIONARY LEADER

Late. Shri R.L. Jalappa
1925 - 2021

We enrich the lives of students by providing them opportunities to develop and to realize their intellectual, academic and professional potential, for becoming productive and responsible citizens.

Mr. Rajesh N. Jagdale
Chancellor SDUAHER

We prepare students to understand, to contribute , and succeed in a rapidly changing society, thus making the world a better and more just place. We will ensure to provide sound education so that our students develop both the skill and the competence essential for success and leadership in the emerging society.

Dr. G Pradeep Kumar
Vice Chancellor SDUAHER

SRI DEVARAJ URS ACADEMY OF HIGHER EDUCATION AND RESEARCH

(A Deemed to be University Declared Under Section 3 of UGC Act,1956)

Kolar – 563 103, Karnataka, India

CALENDAR OF EVENTS – 2022

At a glance this logo is an abstract, yet it contains the vital ingredients for an institution like Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar.

The Institution's medical background, Humanitarian values, Compassion, Approachability, Social Commitment and the subsequent research towards the most precious thing, the human life, is the core theme.

The graphic form of a person in the centre of a bud represents the humanity. It denotes the growing process of life and its existence. And the two hands safeguarding them show the care and a sense of security. It is also capable of holding something within the vast expense of knowledge by the University for the people's Benefit. Hence, the motto "Knowledge for Posterity" is very appropriate and gives a punch in Red. The four light half blue circles (smaller to bigger) depict the unending quest for knowledge and imparting it to a wider horizon, growing higher and higher.

ABBREVIATIONS

- IQAC - Internal Quality Assurance Cell
- MET - Medical Education Technology
- NSS - National Service Scheme
- RNTCP - Revised National Tuberculosis Control Programme
- SRC - Student Research Committee
- UBEC - University Bioethics Centre
- UCHPE - University Centre of Health Professions and Educations
- ULLRC - University Library & Learning Resource Centre
- WEC - Women Empowerment Cell
- YRC - Youth Red Cross

VISION

"ACADEMY OF EXCELLENCE - KNOWLEDGE FOR POSTERITY"

MISSION

- To be a global centre of excellence for Teaching, Training and Research in the field of Higher education.
- To inculcate scientific temper, research attitude and social accountability amongst faculty and students.
- To promote with value based education for the overall personality development and leadership qualities to serve the humanity.

OBJECTIVES

- To provide need based infrastructure and facilities to students to become responsible professionals with social commitment and accountability.
- To implement effectively innovative programmes in teaching, learning and evaluation.
- To impart scientific and socio-cultural temperament among students to forge national identity and needs.
- To provide instruction and training in basic and advanced branches of learning.
- To provide facilities for research for the advancement and dissemination of knowledge.
- To undertake extra mural studies, consultancy, extension programmes and field outreach services for the development of society.
- To collaborate with other universities, Institution of excellence and research organizations within the country and outside for the purpose of teaching, training and research.
- To undertake need based activities for the betterment of socially and educationally backward society.

Sri Devaraj Ur Medical College

JANUARY

Sri Devaraj Urs Medical College(SDUMC), a unit of Sri Devaraj Urs Academy of Higher Education and Research, Kolar was started in the year 1986 by group of philanthropists and educationists. The Medical college has started its postgraduate courses from the year 1996 and at present has postgraduate programme in 19 departments.

Sri Devaraj Urs Medical College affiliated to Sri Devaraj Urs Academy of Higher Education and Research in the year 2007 has started Ph.D. programme in 8 departments and Fellowship programme in Head and Neck Oncology.

SDUMC has central formative assessment and evaluation system. Invigilation of formative assessment is also centralized at the college level. This has proved the transparency in the examination and evaluation system of our institution. College has implemented 100% Objective structured practical examination and Objective structured clinical examination in both formative and summative assessments.

SDUMC is attached with the teaching hospital, R.L.Jalappa Hospital and Research Center. It is equipped with 1204 inpatient beds catering to the health care needs of Kolar District, Chikkaballapur district and adjacent states of Tamilnadu and Andhra Pradesh.

The Institutional values are:

- On par with The Academy Vision and Mission statement and most of the short term goals have been achieved.
- 24 x 7 security to students and faculty and an extra care towards female employees.
- Has in-house student counsellor to take care of students psychological needs.
- To promote unity in diversity college conducts major festivals of all states and culture.
- In addition to regular teaching, learning and evaluation, the students are encouraged in cultural, sports and societal activities.
- Mentorship programme.

Institution has governance, leadership and management at student, faculty as well as non-teaching staff. The students are included in the various committees and are given autonomous to carry out the activities related to sports, cultural, magazine, academic society, student welfare etc. However, the students are monitored and guided by the well experienced faculty.

21-01-2022 & 22-01-2022	Friday-Saturday	"Interns CPCR Workshop"at Skill Lab by Department of Anaesthesiology and Critical Care
22-01-2022	Saturday	1st Meeting of Monitoring Committee for CCSS
		"Webinar Series"Organised by the UCHPE
26-01-2022	Wednesday	"Republic Day" Celebrations
30-01-2022	Sunday	"World Leprosy Day" Observation by Department of Dermatology
1st week (Tentative)		Meeting of Board of Advisory committee for examinations for Undergraduate (MBBS Phase – I, II, III (Part-I & II)) Examinations.
4th Week		Guest Lecture by Department of Pathology
		"Revised Basic MET Workshop & AT -COM module" by the MEU
		"Orientation Course for First MBBS students (2022-23 Batch) " by the MEU

R. L Jalappa Hospital & Research Center

R.L. Jalappa Hospital and Research Centre is a Teaching Hospital attached to Sri Devaraj Urs Medical College, which is the Constituent Institution of Sri Devaraj Urs Academy of Higher Education and Research. The hospital is situated at Tamaka village, along the national highway, and is 75 km from the state capital, Bengaluru, and 5 km from Kolar city. The hospital was started in the year 1994 as a primary health care service provider in less than a year full-fledged outpatient & Inpatient services were started.

The R.L. Jalappa Hospital and Research Centre provides secondary and tertiary level health care to the rural and urban population of the Kolar district and also to the denizens from the bordering areas of the neighboring states of Andhra Pradesh and Tamil Nadu.

R.L. Jalappa Hospital and Research Centre with more than 1,100 beds, under one roof is one of Karnataka's biggest hospitals. It also has one of the advanced critical and emergency care facilities. The hospital has state-of-the-art infrastructure and the most advanced equipment. The hospital offers a wide range of diagnostic services and round the clock in Haematology, Biochemistry, Clinical Pathology, Cytology & Histopathology, Microbiology & Serology, Radiodiagnosis & Imaging, Immunology, and Immunohistochemistry (IHC).

All clinical services of the hospital are supported 24×7. Services like; Central Sterile and Supplies Department, Hospital Laundry, Drug Stores, Medical Gases, Security, Ambulance Services, Medical Record Department, Hospital Management Information System, Mortuary, Dietetics, Cafeteria, Public Relations & Telecommunications, and Medico-Social Welfare Department. The hospital is geared to provide excellent service in multi-disciplinary specialties.

The hospital's extensive infrastructure offers facilities comprising 17 modern operating theatres, 133 equipped intensive-care beds, a fully computerized and networked Hospital Information System (HIS), and NABL accredited clinical laboratories. The hospital also provides state-of-the-art Cardiology services with the association of Narayana Health Care.

		Meeting of Board of Advisory committee for examinations for FAH & BS Examination
		"Apollo – Music Event" Organised by Cultural Committee & Student Council

University Centre for Health Professions Education -UCHPE

MARCH

University Centre for Health Professions Education (UCHPE) was established in April 2020 with a mandate from the Academy to function as a Teaching Learning Centre and conduct Faculty training programs. The Centre aims at providing E Courses in Basic Educational technology topics for faculty & residents & certificate courses in Health Professions Education.

Vision

To promote quality health care delivery through excellence in health professions education by being a hub for faculty mentoring for capacity building and academic resource center.

Thrust areas:

Technology in MPE Performance Based

Assessments

Achievements :

- Foundation for Advancement of International Medical Education and Research Faculty (FAIMER) 7
- Advanced Course in Medical Education (ACME) has 11 faculty
- National Teacher Training Centre (NTTC) trained faculty 19
- 80 % of the faculty are trained in Revised Basic Medical Education Technology
- Integrated Foundations of Medical Education (IFME) trained faculty 6
- Twenty One are elected MNAMS

Activity :

- Triseries Leadership Workshop
- Foundation courses
- Faculty Induction Programme
- Medical Education training
- OSCE and OSPE Training modules
- Outcome based education Training
- Competency based medical education training

R. L Jalappa Hospital & Research Center

APRIL

A Clinician/Health care provider is defined by skill sets he/she possess. The emphasis on skill acquisition is the one of the fundamental requirement in providing competency based medical education to health sciences students, in fact it is the soul of competency based curriculum around the world. Clinical skills and simulation training is an essential link between medical student training and clinical experience and has proven to be an effective tool for assessing technical skills, critical thinking and team behavior and is termed as Simulation Based Education (SBE). The SDUAHER Centre for Clinical Skills Simulation has been established to provide SBE to learners in obtaining technical skills and also non-technical skills such as leadership, team-work, communication, situational awareness, decision making and awareness of personal limitations.

VISION

To achieve excellence in imparting simulation based education and in conducting simulation based educational research in training and assessment of healthcare professionals.

List of Skill:

- Suturing and knotting.
- Laparoscopic Skills.
- Intestinal/vascular anastomosis.
- Tendon repair.
- Principles of fracture fixation.
- Neonatal resuscitation.
- Optical functions of the eye.
- Otoscopy / laryngoscopy / rhinoscopy
- Catheterization.
- Abdominal/thoracic paracentesis.
- Endotracheal/Nasogastric intubation.
- Suturing and knotting.
- CVP/chest tube insertion.
- CPCR Training.
- Labor techniques.

MAY

University Bioethics Centre (UBEC)

The University Bioethics Center (UBEC) came into existence from on 2nd November 2018 with aim to inculcate the basic ethical, professional and human values among health care professionals from the beginning of their training to enable them to uphold the honor and dignity of the health care profession and keep abreast with the latest developments in life sciences and its applications with respect to human rights and dignity.

Vision

To achieve highest standards of ethical behavior and professional conduct in the fields of professional education, research and practice in health care.

Activity :

- Webinar On Managing Psychosocial Stress During Covid19 Pandemic
- Webinar on "Bioethical issues in COVID times"
- Webinar on "INFORMED CONSENT"
- Workshop on Bioethics on Bedside -
- Webinar on Ethics in research and Health care delivery

Cell Biology and Molecular Genetic (CBMG)

The vision of this center was to elucidate the genomic landscape of the rural population in the Kolar area. This center then evolved into the Central Research Laboratory of the Academy so as to serve as a hub for interdisciplinary research between the Departments of the Academy. The Centre was elevated as a full-fledged statutory Department in the year 2013 for promoting academic programs in the subjects of genomics and molecular biology. We are mainly involved in three major activities viz., research, teaching and clinical services. We are equipped with state of the art laboratory facilities for research in the area of Genomics, Molecular Biology, Cell Biology, Cytogenetics and Phytochemistry. The department is housed in a dedicated centrally air-conditioned area of 8000 square feet. We offer two degree programmes viz., M.Sc. degree in Molecular Biology and Human Genetics and Ph.D. degree in Cell Biology and Human Genetics.

Thrust areas

- Human Genetics and Disease Biology
- Phytochemistry
- Radiation Genetics

Achievements :

- Sixteen publications for the last three years with more than 1 impact factor
- Collaborative interdisciplinary National web conference on "Impact of Environmental Factors for Plant and Human Genetics: Mitigation Strategies". College of Horticulture, Kolar and Sri Devaraj Urs Academy of Higher Education and Research, Kolar.
- National Training Programme in Genetics, sponsored by Human Resources Department scheme for building capacity for research in medical institutions in India, Dept. of Health Research, Govt. of India

University Library learning Resource Center (ULLRC)

The University Library & Learning Resource Center (ULLRC) has been established to support the academic progress and standards of its students. It is known across the campus for its hi-tech, environmentally compatible design, coupled with the convenience of a one-stop academic support service center.

The ULLRC, a 3642 square meter facility, consists of two floors with a beautiful lounge connected by stairway and elevator. The Library constitutes collection of print resources of books, journals, back volumes and dissertations. The Digital Library offers desktop computers with internet access, data and power connections. This digital library is available for word processing, instructional software use and Internet research. Adjacent to this, well equipped classrooms and seminar hall are provided for conducting journal club activity, library orientation and library extension programs.

Our fully equipped modern library is staffed with friendly personal and knowledgeable librarians who are always ready to help the users.

Services :

- Reference Services
- Internet services
- Circulation Services
- E-Resources Services
- Database Search
- Multimedia Collections
- Interlibrary Loan
- Photocopy Services (Black-and-White)
- Electronic Public Access Catalogue (EPAC)
- Current Awareness Services
- Library is automated with Entire Automation System for Library – EasyLib 6.4a cloud version for library operations and management.

02-07-2022	Saturday	3rd Board of Management meeting
08-07-2022 & 09-07-2022	Friday – Saturday	"BLS Workshop for AHS Interns" at Skill Lab by Department of Emergency Medicine
11-07-2022	Monday	"World Population Day" Observed by the Department of Community Medicine
20-07-2022	Wednesday	National Webinar "Cracking a case with Analytical Chemistry (Poison Detection Centre) " by the Department of Biochemistry
21-07-2022	Thursday	"Training for CDLS Technicians on Laboratory equipments" by the department of Microbiology
23-07-2022	Saturday	"Webinar Series "Organised by the UCHPE
		3rd meeting of the Monitoring Committee for CCSS
29-07-2022	Friday	"ORS Day" Observation by the Department of Pediatrics
2nd week (Tentative)		Commencement of Undergraduate (MBBS) Phase- II, III (Part-I & II) Theory Examinations
4th Week		Commencement of Undergraduate (MBBS) Phase- II, III (Part-I & II) Practical Examinations
		"Mandala Art & Literary Events" Organised by Cultural Committee & Student Council
July		"SDUAHER Students Badminton Club" Inter Batch Wise Badminton Competitions, organised by the Sports Committee

AUGUST

R. L Jalappa Hospital & Research Center

A host of well qualified and experienced laboratory technologists, administrative and support personnel help us in the smooth running of the laboratory 24x7. CDLS was NABL accredited and caters a wide range of laboratory investigations to satisfy the needs of the users. CDLS situated in the first floor of the CARE building attached to R.L Jalappa Hospital & research center has a floor area of 7300 sq ft.

The policies and procedures of CDLS were outlined as per the NABL ISO 15189 guidelines which meet the needs of the stakeholders and requirements of International and National standards.

CDLS has sections namely Pathology, Clinical Microbiology & Serology and Clinical Biochemistry.

Pathology	**Clinical Microbiology & Serology**	**Clinical Biochemistry**
Clinical Pathology **Hematology** **Cytology** **Histopathology**	Bacteriology Parasitology Serology Mycology	Clinical Biochemistry

AUGUST – 2022

Calendar of Event

Date	Day	Event
1-08-2022 to 07-08-2022	Monday - Sunday	"World Breast Feeding Week" Observation by Department of Pediatrics
04-08-2022	Thursday	"National Bone & Joint Day" Observation by Department of Orthopedics
1-08-2022 to 15-08-2022	Monday - Monday	"Swachhata Pakwara" Observed by NSS
06-08-2022	Saturday	CME on "Updates in Pharmacology" by the Department of Pharmacology
10-08-2022	Wednesday	2nd meeting of the Advisory Committee for UCHPE
12-08-2022	Friday	"Librarian's Day Observation" by University Library and Learning Resource Centre
12-08-2022 & 13-08-2022	Friday – Saturday	"BLS Workshop for Physiotherapy students" at Skill Lab by Emergency Medicine
15-08-2022	Monday	"Independence Day" Celebrations
17-08-2022	Wednesday	FRRL Webinar Series "Fluoride as a risk factor for Preeclampsia" by the Department of Biochemistry
20-08-2022	Saturday	"Devaraj Urs Birthday" Celebration by the Academy
24-08-2022	Wednesday	2nd meeting of the Advisory Committee for NSS
		2nd meeting of the SDUAHER Library Committee
26-08-2022	Friday	CME on "Understanding the Neurophysiological mechanism of addiction" by the Department of Physiology
27-08-2022	Saturday	CME on "Keratoplasty" by the Department of Ophthalmology
25-08-2022 to 08-09-2022	Thursday – Thursday	"Eye Donation Fortnight" Observation by the Department of Ophthalmology
31-08-2022	Wednesday	Varasiddhi Vinayaka Vrata
2nd Week		PG Research Methodology Workshop
2nd Week (Tentative)		Declaration of Undergraduate (MBBS- Phase-II, III (Part-I & II) results
		Meeting of Advisory Committee for Appointment of FAH & BS Exams
3rd Week		CME by the Department of Dermatology
4th Week		"CRE in Speech Language Pathology" by the Department of Speech Pathology and Audiology
		Guest Lecture on "Neurology update" by the Department of Medicine
		CME by JCBS
		"Dramatics" Organised by the Cultural Committee & Student Council
		Meeting of Board of Advisory committee for examinations for FAH & BS Examination

Sri Devaraj Ur Medical College

The Fluorosis Research and Referral Laboratory (FRRL) provide location specific and meaningful strategies to mitigate the fluorosis and it's linked disorders.

VISION

To involve in diverse aspects of fluoride research in health and disease in Humans and animal models, to extend its services to Horticulture, Agriculture, Animal Husbandry and community at large.

MISSION

This laboratory was established for the purpose of estimating the fluoride levels in biological fluids as Kolar District is endemic for fluorosis.

To make this Laboratory a Referral Lab for fluorosis

To create a center of excellence with respect to impact of fluoride in health and disease.

OBJECTIVE:

To estimate the fluoride content in biological fluids as a means of fulfilling a social obligation towards a public health problem.

This would fulfill both societal as well as meet community health services. It can be used for patient care as well as research purposes

MoU titled "Fluoride related research and IPR related activities" pertaining to Fluorosis research was signed between Sri Devaraj Urs Academy of Higher Education and Research, Kolar and Acharya Institutes, Bangalore on 12-07-2017.

Guest lecture titled "Fluorosis" by Dr. Bapuji M and Dr. Krishna Rao on 12 - 04- 2017

State level CME titled " Minerals in health and disease with special emphasis on Fluoride" on 12–05–2017

National webinar titled "Fluorosis and its Global Perspective" was conducted on 06-03-2021 to create awareness on fluorosis and disseminate the information.

New knowledge generated: Academic researchers and advanced practitioners deliberated on fluoride containing dental products like fluoride gel, fluoride varnish, mouth rinses and fluoride containing tooth pastes also contain high amount of fluoride but adolescents and professional's knowledge on this product and their fluoride concentration is very low. defluoridation agents. Seeds of the drumstick, tamarind seeds, tea ash, and egg shell powder are few among them. This new knowledge generated can help in establishing effective ways to mitigate fluorosis.
