National Youth Day-2018 Report

On 12th January 2018, National Youth Day was celebrated by the NSS wing in collaboration with Department of Integrative medicine in Sri Devraj Urs Medical College, Tamaka, Kolar, in the memory of the benevolent Swami Vivekananda.

The programme started with a soulful invocation song by Shivendra Pratap Singh, an MBBS student, which was followed by lighting of the lamp by the dignitaries and paying floral tribute to the Swami Vivekananda.

Following this Dr. Kumaraswamy, coordinator of the NSS programme warmly welcomed the gathering.

The highlight of the programme was the interactive lecture given by our respected guest speaker Yogi Subbubhaiya, Director of Adhyatama Yoga and President of Adhyatama Bharatam, Bengaluru who was introduced and heartily welcomed by Dr. Nitin J. Patil from the Department of Integrative Medicine.

Yogiji with his profound knowledge enlightened the youth about the great Swami Vivekananda and why 12th January, his birthday, was chosen to be celebrated as National Youth Day all over the country. He evoked a feeling of patriotism amongst all of us by quoting and repeating with the audience some great words and anecdotes by SwamiVivekananda. He was no less than a storyteller who captured the attention of the youth sitting in the auditorium and left a strong impact on their minds.

Succeeding his speech was a patriotic song presented by Manish Chowdhury, an MBBS student, which made everybody to feel United and the crowd couldn't help but join him in the song.

In the end, Dr. Shobha M.V. NSS Programme officer of Sri Devaraj Urs Medical College concluded the programme by delivering the vote of thanks.
