EXECUTIVE SUMMARY

Sri Devaraj Urs Academy of Higher Education and Research, Tamaka, Kolar established in the year 2007, has since then continued to strive to be known as an institution with a distinct identity and a mandate to deliver quality medical education. It has taken enormous strides in enhancing the quality of curriculum design and development, evaluation, research, infrastructural facilities as well as patient care services.

The cumulative enrolment of students in the faculties of Medicine and Allied Health Sciences for the current academic year is over 1300 and the faculty strength conforms to the Medical Council of India Regulations as well as University Grants Commission. The university ensures that the faculty strength is kept 20% in excess of the minimum requirements to meet the performance demands in all facets of its activities.

The curricula for various programs offered by the University are in accordance with the National goals aimed to provide professional competence predominantly in the area of health care and allied health care services. The University had declared the year 2015 as the year for Academic Reforms and accordingly planned and implemented several reforms. One of the salient reforms is the efforts by the university to work towards the introduction of Choice Based Credit System for the courses offered under Faculty of Allied Health Sciences.

The university has initiated for setting up an exclusive Central Research facility with emphasis on Cytogenetics and Molecular Genetics and Central Diagnostic facility comprising Pathology, Microbiology and Biochemistry laboratories. The building will also accommodate the Department of Physiotherapy as the university is planning to offer courses in Physiotherapy from the academic year 2016-17 onwards. The expected cost for the project is over 900 lakhs excluding equipment.

The teaching hospital of the medical college has a bed strength of 1050 and has a state-of-art ICU, SICU, PICU, NICU, emergency services and Dialysis facilities. The outpatient and inpatient facilities of the hospital are designed to cater to the teaching requirement of the medical college. In addition, the university has established Centre for Clinical Skills and Simulation Laboratory for experiential learning and hands-on-training of the students. The hospital has the state of art diagnostic facility in the central laboratory comprising of Biochemistry, Pathology and Microbiology as well as imaging facilities in the department of Radiology. The operation theatres are well equipped with modern gadgets and are fitted with air handling units.

The Central Library and Information Centre, has an area of 3654 sq.mtrs. Spread over two floors with provisions for stack room, journal section, digital library and reading section (fully/centrally air conditioned with 700 seating capacity), reference section and lounge. The library is automated with Easy Lib 4.4.1 versions software for operations and management. It has online public access catalogue software for searching books and journals. The second floor of the library building accommodates a sophisticated acoustically built centrally air conditioned auditorium (1050 seating capacity). It also has a seminar room with smart class room facilities where the postgraduate students conduct seminars, journal clubs and small group discussions with peers. In addition, there is an another auditorium of 400 seating capacity in the university administrative block.

The Hostels have been provided with 24x7 security and CCTV surveillance to ensure adequate security for all the inmates. The Information Communication Technology department has ambitious upgrade strategies which include establishment of data center, a

central facility for hosting all the IT equipment, campus wide network expansion through NMEICT project strengthening 24x7 Wi-Fi facility and provisions for telemedicine. The university conducted a Green audit and the report is satisfying and the recommendations of the auditors are under consideration of the university for further implementation.

The university, in order to achieve time bound progress and development has developed a well-structured Perspective Developmental Plan- 'Vision 2020' document reflecting the Short Term Goals (2007-2010), Intermediate Goals (2007-2015) and the Long Term Goals (2007-2020). The University has already achieved all of the Short Term Goals and is on an upbeat to achieve the Intermediate Goals. The university has already initiated the Long Term Goals to be accomplished by the year 2020.

The governance and leadership of the university is exemplary and it aims to be a global center of excellence particularly in the area of Medical and Allied Health Science education and research. The student training and support activities are well appreciated by the students and their parents. The financial management of the institution has been encouraging and the prudent utilization of funds has resulted in the overall growth and development of the institution.

The sixth convocation was held on 30th March 2016. Padmabhushana Dr. Devi Prasad Shetty, Founder and Chairman, Narayana Health, Bangalore was the Chief Guest

and he delivered the convocation address. Dr. S. Kumar, Hon'ble Chancellor, SDUAHER presided over the convocation, Dr. Premanath F. Kotur, Vice Chancellor, SDUAHER presented the university report and Hon'ble President, Sri. R. L. Jalappa, Founder Chairman and Former Chancellor, Sri Devaraj Urs Educational Trust for Backward Classes graced the occasion.

The university conferred "Doctor of Medicine" (MD) 'Honoris Causa' upon Dr. Patnam Krishnaswamy, Adjunct Professor, Genomics and Cell Biology, Sri Devaraj Urs Academy of Higher Education and Research.

Seven Gold Medals were awarded to the toppers in various subjects of Post Graduate and Diploma Courses and also the topper in the MBBS programme. A total of 206 students qualified for the award of Degrees in their respective subjects which include 57 in Postgraduate Courses, 124 in undergraduate programmes, 17 in Postgraduate Diploma courses, 8 in Allied Health Sciences (M.Phil - 2, PG Diploma course in Genomic Technology - 2, B.Sc. MLT and OTT - 4).

All these achievements and accomplishments could not have been possible without the continuous, constructive and unstinted support from our beloved President and Chairman of the sponsoring Trust, Shri. R. L. Jalappa, Hon. Secretary of the Trust Sri. G. H. Nagaraja, all other esteemed members of the Board of Management, staff, students and well-wishers of the university.

In **1984** a group of dedicated and like-minded visionaries headed by **Shri.R.L.Jalappa, Champion of Co-operative movement in the state of Karnataka established** Sri Devaraj Urs Educational Trust for Backward Classes to **focus on Medical Education and Social Service.**

The trust started Sri Devaraj Urs Medical College, Tamaka, Kolar in the year 1986. Through this college, the trust sought to make a significant contribution to Medical Education, Research and Health Care to Rural population. The College is situated in Tamaka village (abutting National Highway No.4), 5 K.M. from Kolar Town, Karnataka. Kolar is well connected by road, rail and air due its proximity to Bengaluru, which is 75 K.M away. The nearest Railway Junction, Bangarpet is 15 K.M away from Kolar.

The trust in its stride for attainment of quality in education and health care services to its stake holders has obtained Accreditation by National Assessment and Accreditation Council (NAAC, India) and certification by ISO 9001-2000 in the year 2006 for its Medical College. Sri Devaraj Urs Medical College is one of the few colleges in India to have achieved this remarkable feat.

This inspired the Trust to apply for Deemed University status for this college in the name and style of Sri Devaraj Urs University of Higher Education and Research, comprising Sri Devaraj Urs Medical College. The University Grants Commission of India conducted an inspection in April 2007 and after being satisfied about the infrastructure and teaching facilities, recommended to the Ministry of Human Resource Development, Govt. of India to confer Deemed to be University status to this Medical College. Accordingly, the Ministry of Human Resource Development, Govt. of India conferred Deemed to be University status to the Medical College on 25th May 2007.

Currently, the Deemed University has only the medical college. Steps are in progress for inclusion of R.L.Jalappa Institute of Technology, Kodigehally, Doddaballapura (off campus) and Sri Devaraj Urs College of Nursing, Kolar (on campus) under the ambit of the Deemed to be University.

ABOUT THE UNIVERSITY

Sri Devaraj Urs University of Higher Education and Research under the aegis of Sri Devaraj Urs Educational Trust for Backward Classes, Kolar, is a Deemed to be University declared Under section 3 of UGC Act, 1956, vide Ministry of Human Resource and Development, Government of India, notification No.F.9-36/2006-U3(A) Dated 25th May 2007.

Currently, the University has Sri Devaraj Urs Medical College, Tamaka, Kolar as the constituent institution. The establishment of the University and the constituent institution are co-located at Tamaka village, Kolar and spread over more than 85 acres of lush green campus. It is 75km away from Bengaluru City as well as the International Airport and is juxtaposed to the NH-75. The campus has several buildings to accommodate the administrative, teaching/training hospital and hostel facilities of the University as well as the Medical College with a total build up area of over 1.17 lakh sqmtrs. The college conducts Under Graduate (MBBS) and various Post Graduate Degree as well as Diploma courses. It has also started Doctoral Programmes in Biochemistry, Microbiology, Pathology and Fellowship Programmes in Head and Neck Surgical Oncology. The University has developed regulations, curricula/syllabi for MBBS, Postgraduate M.D/M.S and Postgraduate Diploma Courses as per the policy guideline laid down by the Medical Council of India, New Delhi. The college is also recognized by the Malaysian Medical Council and since the academic year 2009-10, Malaysian students have been joining MBBS course in this Institute.

The University has started the Department of Allied Health Sciences which offers various Postgraduate, Undergraduate, Certificate Programmes in the domain of health sciences and related technology.

The department of Cell Biology and Molecular Genetics offers innovative courses viz., M.Sc. in Molecular Biology in Human Genetics, Postgraduate Diploma in Genomic Technology and M.Phil. in Molecular Cell Biology and Medical Genetics. In addition, the university offers programmes on Health Science Library Information Studies and Masters in Public Health.

Taking note of the current trends on integration of Complementary and Alternative Systems of Medicine(CAM) in medical practice world over, university has established the Department of Integrative Medicine of late to provide holistic health care facilities to the patients suffering from chronic diseases. It also offers Post Graduate Diploma in Yoga Practices.

By virtue of being accredited by NAAC, India and certified by ISO 9001-2000, this university is a perfect embodiment of a high standard of teaching, learning and evaluation process and has, consequently, become a byword for quality Medical Education.

The attached teaching hospital of the Medical College, R.L.Jalappa Hospital and Research Centre provides secondary and tertiary level health care to the rural and urban population of the Kolar district and also to the denizens from the bordering areas of the neighboring states of Andhra Pradesh

and Tamil Nadu. The hospital is a boon to the victims of accidents on the adjacent highway as it has a well equipped Trauma Care Centre and ICU backed by CT and MRI as well as scanning facilities. Its mandate is to develop trained manpower of medical professionals to cater to the needs of the community and provide service to the needy rural population. The University also has set up an Outpatient Unit at Kolar town and also renders committed outreach service to the disadvantaged through conduct of free medical camps at remote and difficult-to-reach areas.

The University has initiated several steps for the improvement of quality in research activities and has established linkages with institutions of repute. The Genomic and Central Research Facilities created by the University promote diagnostics and research activities in the area of genetic disorders. The centre has a number of highly sophisticated equipments for cytogenetics and molecular diagnosis. This is one of the few medical institutions under self financing 'Deemed to be University' system to have such facilities for diagnostics and research.

MESSAGE FROM THE CHAIRMAN

Sri Devaraj Urs Academy of Higher Education and Research, a Deemed to be University established in the year 2007 provides education in the field of Medical and Allied Health Sciences. The university provides optimum environment for teaching, learning, and acquisition of new knowledge, skills and aptitudes. It is noteworthy that the university through the faculty of Allied Health Sciences has been offering several vocational courses of innovative nature at an affordable fee which are being utilized by the local students.

The teaching hospital of university, by virtue of its semi-urban / rural location has been providing high quality healthcare facilities to the people in the rural areas. It conducts extensive outreach activities to provide health education and health care to the unreached hither-to-fore. As quality enhancement initiative to offer top class medical care to the patients, the hospital and clinical laboratories are preparing for NABH and NABL accreditations.

I am happy that the university is bringing out the Ninth Annual Report for the year 2015-16 as a reflection and documentation of the gamut of its performance in terms of administration, academics and other activities. I hope that you will appreciate the contents of the report and the efforts that have gone in to it as well as the achievements of this growing University.

Shri. R.L. Jalappa
Chairman, SDUET

MESSAGE FROM THE CHANCELLOR

An eventful year has just passed by and it is time we reflect on the same – to make a ‘self audit’ and to learn from the experiences of the year to set for ourselves new goals and objectives for the year to come.

We have on our own accord commenced our journey to have our efforts so far evaluated by NAAC and then on by NABH & NABL yardsticks. The challenge posed on us by the NAAC assessment has strengthened our resolve to raise the bar of our performance to the levels which we truly deserve. We will with a firm resolve, dedication and by maturing our alliance to a ‘Force’ by redefining our roles and develop a dynamic model at our University – a model of dedication, work ethics, accountability and commitment to teaching / training, health care delivery with care & compassion, focus of relevant research and extension of the research into the community. Our new strategy would be to build intellectual power in our faculty and students to develop a strong desire for achievements and for thinking & performing “out of the box”. Our efforts at NABH have reached us to our immediate target of ‘Entry Level’ accreditation. But, we need to remember that our journey along the quality process pathway has just begun and we now need to make all the requirements of NABH an internalised habit and practice the same every single day. Our commitment to deliver the best to our patients can be achieved with this rededication by all at our University.

During the year that has gone by, the Management in its endeavour to establish & provide for the best of facilities to support the objectives of growth and to meet the demands of the advances in the health care educational ecosystem, has made the following – establish a spacious state of art ‘Central Diagnostic Laboratory’ with merger of all diagnostic services and with modern, high-end equipment. Established the ‘Central Research Laboratory’ – bringing together our genomic, proteomic, molecular biology divisions to offer the best of support for research of our students & faculty. These two labs will work in tandem and will be mutually supportive to each other.

The University has developed a modern physiotherapy centre during the year for conventional and advanced laser & hydrotherapy procedures. We have also commenced the faculty of Physiotherapy with the four year B.P.T program.

Our College of Nursing coexisting in our campus has now been upgraded to be one of the best nursing institutions and they have launched into NAAC accreditation process in preparation to joining our University.

Our hospital will see the completion of the new block being put up by the management – with this new facility accommodating 12 modern OTs, pre & post OP wards each with 20 beds, a comprehensive adult ICU with 30 beds and a Dialysis Center with 30 units. With this our surgical services will be at par with the best in the country.

We need to focus now on the human resource apart from the materialistic additions. Our faculty need to be more sensitive to the learners, should be more dedicated and see the tremendous opportunities presented by rapidly changing times. They should now be inspired to get the best out of them through ‘team work’ – recognising and respecting the best in each other. We, as faculty, have to align the goals of our students with the educational needs of the health sector inculcating human values.

I join you all in the prayer to God to inspire and guide us all through the years to come – to reach greater heights of recognition in the field of research and education.

Dr. S. Kumar

Chancellor, SDUAHER, Kolar

MESSAGE FROM THE VICE-CHANCELLOR

I am very pleased to be asked to write a Message for the Sri Devaraj Urs Academy of Higher Education and Research Annual Report. Having assumed office as the new Vice Chancellor on 16th July 2016, I have already witnessed significant strides being made by this relatively young University.

I believe that the role of a University is to enhance existing knowledge/ create new knowledge, disseminate it and embark upon innovations to safeguard the educational needs of its students and the community at large.

Towards achieving all the above, the Sri Devaraj Urs Academy of Higher Education and Research (SDUAHER) has envisaged to make sure that the Curriculum is planned properly by the Boards of Studies and developed appropriately keeping in mind the growing needs and rapid advancements in various spheres of higher education in general and health sciences education in particular. Efforts are afoot to expose the students to global scenarios. SDUAHER has also given enormous thrust to Teaching Learning and Evaluation and improve upon existing methodologies, through numerous Teaching Learning and Evaluation Workshops which are being conducted by University Department of Medical Education. Inculcation of attitudes and attainment of skills have been given due importance. Noteworthy efforts towards Research, Consultancy and Extension have been made through new initiatives like creation of an exclusive Central Research facility, Ideation workshops, enhancement of Ph.D. registrations, institution of JRF Scheme and collaborations with Research organizations and conduct of Research Methodology Workshops. All these endeavours are expected to bring about significant increase in Research output. As regards improving infrastructure and Learning Resources, SDUAHER has left no stone unturned. A new standalone Central Research facility, a Central Diagnostic Lab and the Physiotherapy department have been added in the current year. The Planning and Monitoring Board has ratified the proposals to construct a modern Food Court, a new Operation Theatre-cum-ICU Complex, an upgraded Dialysis Unit – all at enormous cost.

Modernisation of Governance in the form of e-governance has been taken up in a big way through involvement of Tata Consultancy Services. Thus the use of Technology has been given a lot of importance. The University has also introduced some new Innovations and Best Practices including exploration and exploitation of renewable sources of energy, Medicinal plant/Herbal garden, Effluent Treatment Plant expansion etc. Efforts at NABL and NABH accreditation are in full swing and will soon be completed. With all the above there should be no doubt that in the coming year the University will do much better.

I congratulate all those who have taken keen interest in academic matters and compliment those who have played a significant role in our constant endeavour to upgrade the University.

Prof. C.V. Raghuveer
Vice Chancellor
SDUAHER, Kolar

MESSAGE FROM THE REGISTRAR

For education to have desired outcome, it should aim in creating mankind with better perspective of life. We at Sri Devaraj Urs Academy of Higher Education and Research have been imbibing this very objective and have been striving best to have ideal and congenial atmosphere to provide Value Based Education so that, the graduates of this institution have better outcome attributes and competencies.

The university has made it tenable that several of its best practices help the students to acquire more knowledge and efficiently transform them to wisdom in all walks of life. Our philosophy of churning out a remote probability to an attainable possibility and furthering that to a viable action is the success story which is well supported by its sublime governance.

This is the Ninth Annual Report of Sri Devaraj Urs Academy of Higher Education and Research and it gives an extensive account of all its curricular, extracurricular and financial performance for the year 2015-16. I hope that you will appreciate its contents.

Dr. A.V. Moideen Kutty
Registrar
SDUAHER, Kolar

VISION

***“UNIVERSITY OF EXCELLENCE
- KNOWLEDGE FOR POSTERITY”***

MISSION

- To be a global center of excellence for Teaching, Training and Research in the field of higher education.
- To inculcate scientific temper, research attitude and social accountability amongst faculty and students.
- To promote value based education for the over all personality development and leadership qualities to serve the humanity.

OBJECTIVES

- To provide need based infrastructure and facilities to students to become responsible professionals with social commitment and accountability.
- To implement innovative programmes effectively in teaching, learning and evaluation.
- To impart scientific and socio cultural temperament among students to forge national identity and needs.
- To provide instruction and training in basic and advanced branches of learning.
- To provide facilities for research for the advancement and dissemination of knowledge.
- To undertake extra-mural studies, consultancy, extension programmes and field outreach services for the development of society.
- To collaborate with other universities, institutions of excellence and research organizations within the country and outside for the purpose of teaching, training and research.
- To undertake need based activities for the betterment of socially and educationally backward society.

PERSPECTIVE PLAN DOCUMENT OF SDUAHER

A. Short term goals (2007 – 2010)

- i. To constitute and notify various authorities and other officers of the University for the smooth and efficient functioning of the university as per the Memorandum of Association.
- ii. To develop and adopt an innovative curricula / syllabi within the guidelines of the statutory body for qualitative improvements in teaching, learning and evaluation process.
- iii. To establish mentorship program and provide remedial courses for under achievers.
- iv. To prepare and apply for increase in intake of Post Graduate courses and start new Post Graduate courses.
- v. To establish a department of Allied Health Sciences.
- vi. To prepare for the start of Ph.D courses and encourage research activities in all departments of the constituent college.
- vii. To prepare for the commencement of Fellowship programs.
- viii. To encourage the faculty for conduct of CME Programs, Guest lectures, Conferences and publication of research papers.
- ix. To develop faculty development and assessment programs.
- x. Enter into Memorandum of Understanding with centers of excellence for advancements in training and research activities of students and faculty.
- xi. To obtain recognition for the medical courses conducted by the University by Medical Council of India and by the Medical Councils of other countries.
- xii. To institute academic gold medals and other awards of excellence to students and staff.
- xiii. To encourage the students in co-curricula and extra curricula activities.
- xiv. To establish and to strengthen collaboration with NGOs such as Red Cross Society, Rotary international etc.
- xv. To establish Human Rights Club and Women Empowerment Cell.
- xvi. To establish Parent – Teacher Association and strengthen Alumni Association.
- xvii. To improve the infrastructural facilities for the students, patients and staff.
- xviii. To improve social services by conducting outreach health camps.
- xix. To make university campus a “Ragging Free Zone” and inculcate discipline.
- xx. To enhance quality of administration with a continued ISO certification of the college and prepare for ISO certification of the teaching hospital.
- xxi. To strengthen computerization and initiate e-governance, e-learning and establish IT section.
- xxii. To optimally train and utilize the available man power through capacity building programs.
- xxiii. To include the college of Nursing and the College of Engineering run by the sponsoring trust as constituent units under the ambit of the university.

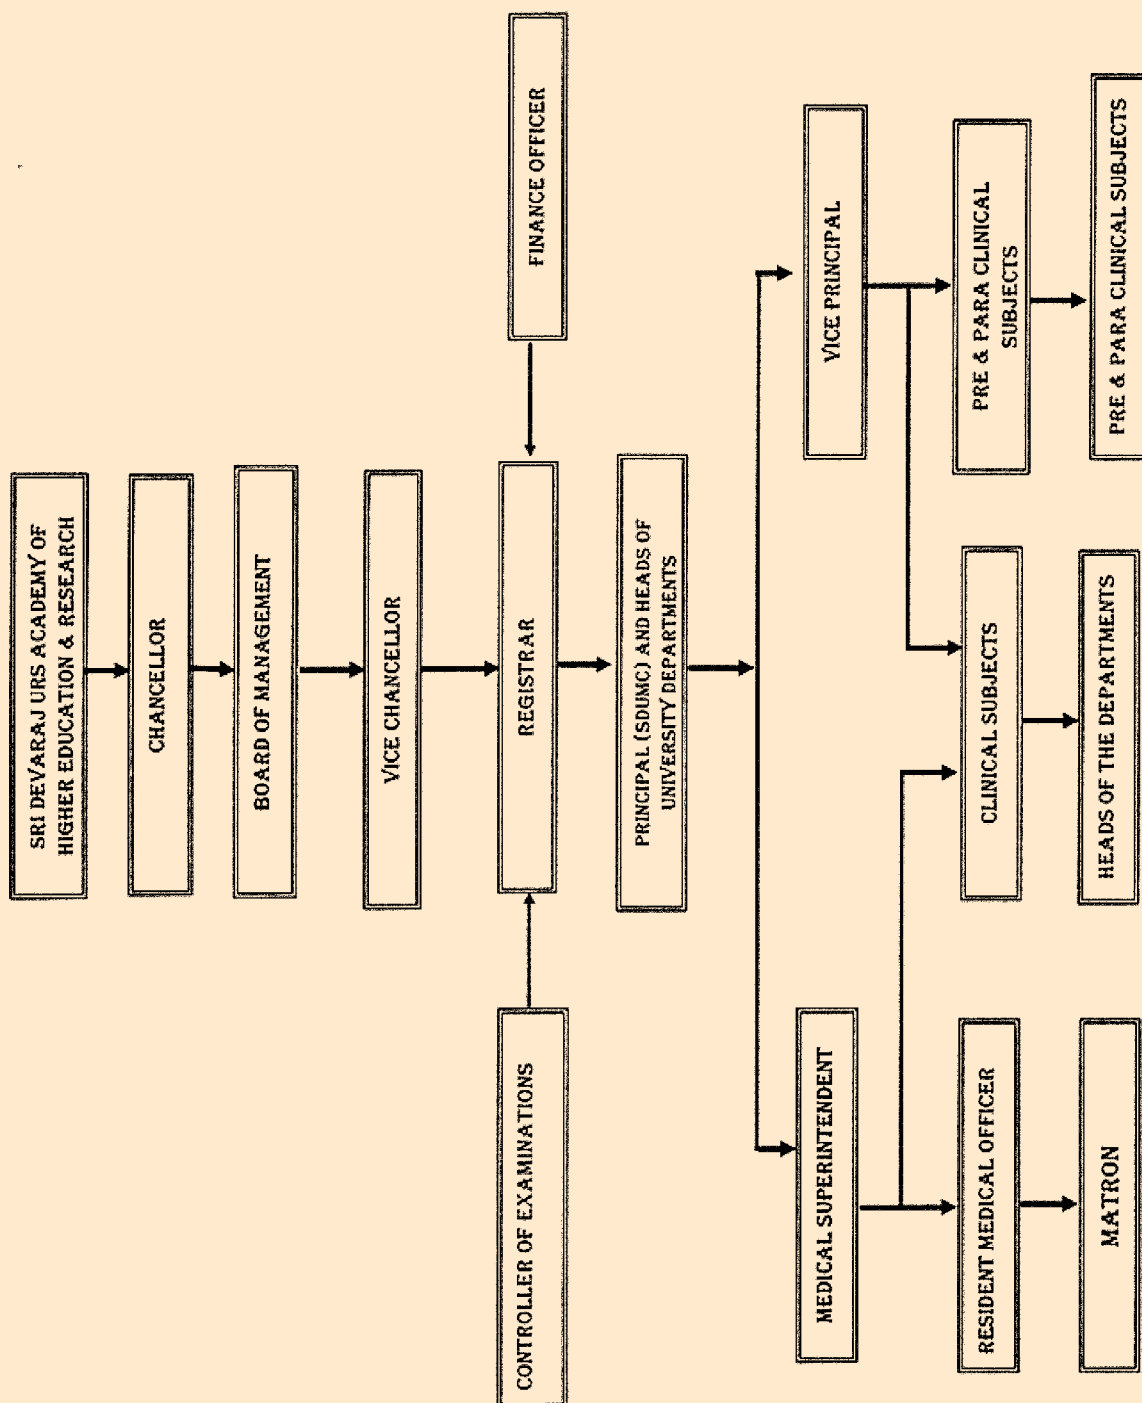

B. Intermediate Goals (2011 - 2015)

- i. To prepare for the establishment and functions of departments of Cardiology, Neurology, Neuro surgery, etc.
- ii. To prepare for multidisciplinary, interdisciplinary courses and research activities.
- iii. To prepare for development of skills laboratories for improved quality of training.
- iv. To prepare for Post Graduate and Super Specialty Courses under
 - a. Medical Faculty – DM, M.Ch, Emergency Medicine, Tropical Medicine, etc.
 - b. Nursing Faculty – M.Sc., Ph.D
 - c. Engineering Faculty – M.E, Ph.D
- v. To institute and award Fellowships, Awards, Medals and Visiting Faculty programs.
- vi. To vocationalize education through development of innovative courses under the Dept of Allied Health Sciences.
- vii. To establish full fledged clinical research laboratories.
- viii. To establish Students Guidelines Bureau and Placement Cells.
- ix. To strengthen infrastructural facilities.
- x. To promote extra-curricula activities.
- xi. To prepare for the re-accreditation by NAAC (India) for the constituent college.
- xii. To prepare for NABL and NABH accreditation for service laboratories and the teaching hospital respectively.
- xiii. To aim to attract extra mural research funding for research towards the health problems of rural population.
- xiv. To further strengthen e-governance and e-learning.
- xv. To establish linkages with other universities and centers of excellence in and outside the country.

C. Long Term Goals (2016 – 2020)

- i. To work for the establishment of an independent university campus with various departments, research labs and other infrastructural facilities.
- ii. To aim for a financially sustainable and viable university.
- iii. To prepare for interdisciplinary and inter university exchange programs.
- iv. To establish new courses and faculties.
- v. To strive to be recognized as an “University of Excellence”,
- vi. To establish off - site campus and off - shore campus.

MEETINGS OF THE AUTHORITIES OF THE UNIVERSITY

BOARD OF MANAGEMENT

The Board of Management is the principal executive body of The University. The Board of Management met five times during the period from April 2015 to March 2016. The 38th meeting of the board was held on 30th March 2016.

ACADEMIC COUNCIL

The Academic Council is responsible for the standards of Education, Teaching, Training and Evaluation as well as Research. The Academic Council met twice during the period from April 2015 to March 2016. The 23rd meeting of the Academic council was held on 25th March 2016.

FINANCE COMMITTEE

The Finance Committee examines and scrutinizes the accounts maintained by The University. The Committee also recommends the budget proposals to the Board of Management. During the period from April 2015 to March 2016

the finance committee met thrice and the 17th meeting of the Finance Committee was held on 16th February 2016.

PLANNING & MONITORING BOARD

It is the principal planning body of The University and is responsible for the monitoring of the development programmes of The University. During the period from April 2015 to March 2016 the planning and Monitoring Board met twice and the 13th meeting was held on 25th November 2015.

FACULTY OF MEDICINE AND ALLIED HEALTH SCIENCES

The constituent college of The University conducts medical courses, so an auxiliary body was constituted. This body recommends academic reforms to the Academic Council. This body met thrice during the period from April 2015 to March 2016 and the 13th meeting was held on 26th February 2016.

SRI DEVARAJ URS MEDICAL COLLEGE

Principal : Dr.M.L.Harendra Kumar

Vice-Principal : Dr. A. Bhaskaran

Sri Devaraj Urs Medical College was started by Sri Devaraj Urs Educational Trust in the year 1986 and since 2007 is the constituent college under SDUAHER. The vision and mission of SDUMC are in accordance to those of the University and has objectives of ensuring highly qualified and motivated faculty, providing necessary infrastructure and facilities for students and staff and facilitating need based quality Medical Research.

The College offers MBBS course with 150 Annual Admissions, 18 departments offers PG degree course with 69 sanctioned admissions, 8 departments offers PG Diploma course with 18 sanctioned admission and 8 departments offer Ph.D. programmes.

Till date SDUMC has produced 3486 MBBS Graduates, 199 PG Degree & Diploma holders, 4 fellowship in Head and Neck surgical oncology and 1 Ph.D. Doctorate in Microbiology. Scholarships are awarded to backward class students studying in medical, engineering, PUC and other degree Colleges in Kolar district.

The Medical College has more than adequate qualified teaching and non-teaching staff to undertake teaching, training and service delivery.

The inmates are protected round the clock by vigilant security personnel. The college offers unique professional, cultural and recreational opportunities in a serene and cordial environment. The hallmark of the college is the excellent discipline and moral values inculcated among the students.

Fully integrated, innovative, modular curricula within the regulation of Medical Council of India have been prepared for the students to acquire adequate knowledge, requisite skills and competence. Students are also taught Medical Ethics, the Constitution of India, research methodology and advances in emerging areas in each subject of study.

The college maintains high standard in Teaching, Training and Evaluation processes as evidenced by the high pass percentage with a substantial number of students securing Gold Medals/Distinctions/First Classes, in the University Examination, and is a testimony to the efforts of the dedicated faculty.

The Lecture Galleries and Seminar Halls of each Department are well ventilated and equipped with latest audio-visual aids. The Library is spacious and well stocked with Textbooks, Reference books, National and International Journals. The Digital Library has a good number of computers with Internet and Medical Database facilities. A state of art hi-tech auditorium with seating capacity of 1200 and library complex.

The Medical College has infrastructure and learning resources which are periodically updated as per the needs of the students and faculty. The lecture galleries have been upgraded to smart class rooms and the library has been upgraded to a modern University Library and Information science consists of 23945 volumes of books, 10293 back volumes (journals) and 1135 compact discs (CD). The library subscribes to 41

Administrative Block

Silver Jubilee Auditorium

foreign titles of current journals, 106 Indian journals and 51 online journals. The library also provides access to 296 online journals and 3886 e-books from HELINET consortium of RGUHS.

A modern Centre for clinical skills and simulation with simulators has been provided. 19 of the 21 departments have museums with digitalization of the museum specimen literature; the department of Medical Education has been upgraded. R.L.Jalappa hospital and Research center has 13 clinical departments, central diagnostic lab facilities and super specialties services. Three primary health centers are attached to the medical college of which Devaraya Samudra PHC is being adopted and complete administrative by the Department of Community Medicine. In addition an Urban Health Centre and outreach clinics are also run by the department of community medicine.

There are four men's hostels with 700 students' capacity five ladies hostels with 850 student capacity. The college also has a modern air conditioned silver jubilee auditorium with 1050 seating capacity in which several CMEs, workshops, Guest Lectures, Conferences and cultural programmes have been conducted. A fully equipped modern gymnasium, synthetic tennis court, indoor sports facility, basketball court, playground and athletic grounds meet the extracurricular activities of the students. Annual intercollegiate and intra collegiate

level sports and athletic meet are held on regular basis. The NSS/YRS wing is involving actively in the social activities. International Day of Yoga was celebrated on 20th June 2015 & awareness programmes were held in different places in and around Kolar with free yoga therapy consultations and yoga demonstrations.

UG students are encouraged to participate in the conferences and present poster/oral presentation and to do research projects. Our UG students have taken up STS projects of ICMR, 20 in number during 2015-16.

College has conducted 2nd National Undergraduate Medical Conference (DeMedCon-2015) on 23rd, 24th & 25th April 2015. The theme of the conference was 'Equip, Enable and Evolve'. 561 student delegates from 25 Medical Colleges from all over India participated in the conference

As per the directions of the UGC and MCI the departments are cleaning and maintaining their environment under Swatch Bharath Abhiyan,

To encourage better performance among the departments and teachers, the University awards best department and teacher on an Annual basis. This academic year, it was awarded to Department of Anaesthesiology and Dr.Azeem Mohiyuddin, Professor & HOD, Department of ENT respectively.

R. L. JALAPPA HOSPITAL AND RESEARCH CENTRE

VISION:

To provide quality health care to the patients

INTRODUCTION:

Sri. R.L.Jalappa Hospital and Research Centre is a tertiary health Centre attached to Sri. Devaraj Urs Medical College. The hospital was started in the year 1994 with out-patient services. Subsequently the Inpatient services were started from January 1995. The hospital is meeting the health needs of not only the twin districts of Kolar and Chikkaballapur but also the neighboring areas of Andra Pradesh and Tamilnadu.

This institution has become the nerve centre of Health care facility in this rural and backward area.

Sri. R.L.Jalappa Hospital and Research Centre is providing the health services in all the basic specialties. All these basic specialty services are free for the patients in the general wards except Medico-legal cases. In addition, it provides services in the super specialties like Cardiology, Neurology, Paediatric Surgery, Neuro Surgery, Urology, and Plastic Surgery at nominal and affordable rates. The hospital is having cashless facilities for the patients who are having the Government and private Health insurances.

Important Activities During 2015-16

The hospital is providing cashless facility in the treatment of the patients under various Government and Private Insurance Schemes. The various schemes are as follows:-

Sl. No.	Name of the scheme	Date of agreement	Valid upto
1	Yeshaswini	Since 2004	01-09-2016.
2	Arogya Bhagya Yojane	28 Mar 2009	In existence
3	Bharath Earth Movers Ltd (BEML)	Since 2002	Till the MOU period ends
4	Fire &Emergency Services	1 Oct 2010	Till the scheme exists.
5	D.B.C.S. Kolar & C.B.Pura Dist for cataract surgeries.	1 Apr 2016	31-03-2017
7	Vajapayee Arogya Shree	17 Feb 2016	16-02-2017
8	Jyothi Sanjeevini Scheme		
9	Rajiv Arogyabhgya Scheme		
10	RSBY (Rashtriya Swasthya Bima Yojane)	8 Apr 2016	Yearly renewal
11	Bajaj Health Insurance	20 Dec 2010	Till the scheme exists.
12	United Insurance	26 Nov 2010	Till the scheme exists.
13	Icici Lombard	1 Apr 2011	30-03-2017
14	E- Meditek	1 Aug 2011	Till the scheme exists.
15	Future Generali Insurance	10 Aug 2011	Till the scheme exists.
16	Honda/ Paramount Health Services	9 Jan 2013	08-01-2018
17	Religare Health Insurance	7 Nov 2015	3 years
18	Mukhyamanthrigala Santhwana Yojane	13 Jun 2016	12 Jun 2017

The World Labour Day was celebrated in the hospital on 01-05-2015 with the active participation of all the employees. The function was chaired by Dr. Sreeramulu, Medical Superintendent and those present on the Dias were Dr. A.V.Ramadas, RMO, Dr. Govindaraj, CCMO and Smt. Zeanath Cariena, Chief Nursing Officer.

We have successfully conducted the Hospital Day on 19 Oct 2015, to celebrate the birth day of Sri R.L.Jalappaji, Hon'ble Chairman, Sri Devaraj Urs Educational Trust. The programme started at 11:00A.M at the Silver Jubilee

Auditorium with invocation song and lighting the inaugural lamp. The Registrar of the Academy welcomed the dignitaries and the gathering. A brief report of the hospital was presented by Dr. P.N.Sreeramulu, Medical Superintendent. Dr. D.L.Ramachandra, the former Principal of the SDUMC, Kolar, was the Chief Guest of the function which was presided over by Dr. Premanath F.Kotur, the Vice-Chancellor of SDUAHER. Both of them addressed the gathering. The dignitaries on the dias included Shri. Rajesh N Jagadale, Chancellor, SDUAHER,

Shri.G.H.Nagaraja, Secretary, SDUET, Sri.Anjanappa, Director (A&F)& Trustee, Dr. A.V.M.Kutty, Registrar SDUAHER, Dr. B.G.Ranganath, Principal SDUMC, Dr. P.N.Sreeramulu Medical Superintendent, Dr. S.R.Sheela, Deputy Medical Superintendent and Smt. Zeaneth Cariena, Chief Nursing Officer. This was followed by distribution of awards to the various staff members of the hospital viz, long service with the institution, best workers in various categories and also for the winners of the sports and cultural events.

This year Christmas Day was celebrated on 19 Dec 2015 in the hospital which unlike the previous years saw the participation of all the categories of the hospital staff from attenders to the teaching and non-teaching staff. The gathering also included the Hon'ble Vice Chancellor, Registrar, Principal, Medical Superintendent, Resident Medical Officer, and Chief Nursing Officer on the Dias. The gathering was addressed by the Vice Chancellor, Principal & Medical Superintendent.

Clinical Materials:

	For 12 months	Average/Day
No. of Out-patients *	4,96,690	1587

DEPARTMENTS OF THE CONSTITUENT INSTITUTION

DEPARTMENT OF ANATOMY

VISION

To excel in providing quality medical education in Anatomy and conducting quality research to enable students to face global competition

INTRODUCTION

The Dept of Anatomy was started in the year 1986. It provides the required education in human anatomy for medical and paramedical students. It also provides necessary training facilities to the post graduate students of surgery, ophthalmology, physiology and ENT in Anatomy as relevant to their specialties. The Dept has infrastructure to cater to 200 MBBS students has an excellent museum with exhibits pertaining to Embryology, Genetics, Gross Anatomy, Sectional Anatomy, Radiology and Clinical Anatomy which are updated from time to time. To bring awareness among the public, the Dept also organizes Body Donation Programme.

THRUST AREAS IDENTIFIED

- Morphogenesis
- Medical Genetics
- Anthropology
- Skill development in preparation of Transparent Model

TEACHING FACULTY

Sitting: (L-R) Dr. Divya .C, Dr. Ashwini .N.S, Dr. Venkateshu.K.V, Dr Sridevi.N.S, Mrs. Krishnaveni.C.

Standing: (L-R) Dr Kumarswamy.R, Dr.Shashidhar.K, DrVinay Kulkarni,Mr Suresh.T, Dr Shashikant.K

SL No	Name	Designation
1.	Dr. Venkateshu.K.V	Prof &HoD
2.	Dr. Sridevi.N.S	Associate Professor
3.	Dr. Ashwini.N.S	Assistant Professor
4.	Dr. Shashikant .K	Assistant Professor
5.	Dr. Shashidhar .K	Assistant Professor
6.	Dr. Divya.C	Assistant Professor
7.	Mrs. Krishnaveni.C	Lecturer
8.	Dr. Kumarswamy.R	Jr. Lecturer
9.	Mr. Suresh.T	Tutor
10.	Dr. Vinay Kulkarni	Tutor

Details of programmes conducted/attended :

Sl.No	Dates	CME Programmes Attended	Name of the faculty attended
1.	13-14 Aug 2015	Laboratory Staining Techniques at MVJ Medical College, Hoskote, Bangalore	Dr. Sridevi.NS Dr. Ashwini.N.S Dr. Shashikant K Dr. Shashidhar.K Dr. Divya.C
2.	18 Mar 2016	Creating Anatomy Models at Oxford Medical College, Bangalore	Dr. Sridevi.NS Dr. Shashikant K Dr Shashidhar.K

Sl. No	Dates	Conferences Attended	Name of the faculty attended
1.	27-28 Feb 2016	National Conference in Medical Education (MECON-2016) at JSS Medical College, Mysore	Dr. Venkateshu.K.V Dr. Ashwini.N.S Dr. Shashidhar.K

2.	25- 27 Sep 2015	17th Karnataka Chapter of Anatomists State Conference in SSMC,Tumakuru	Dr. Venkateshu.K.V Dr. Ashwini.N.S Dr. Shashikant K Dr. Shashidhar K Dr. Divya.C Mrs. Krishnaveni C
3.	20- 23 Nov 2015	63rd National Conference of Anatomical Society of India at King George's Medical College, Lucknow	Dr. Ashwini.N.S Dr. Shashikant.K

Sl.No	Dates	Papers presented: Poster Presentation	Name of the faculty attended
1.	20 - 23 Nov 2015	Study of the Course of Internal Carotid Artery in Human Cadavers 63rd National Conference of Anatomical Society of India at King George's Medical College Lucknow	Dr. Shashikant. K

Sl. No	Date	Papers presented : Oral Presentation	Name of the faculty attended
1.	25- 27 Sep 2015	A Barium contrast for renal calyces-Original study for Award paper at 17th Karnataka Chapter of Anatomists State Conference in SSMC, Tumakuru	Mrs. Krishnaveni.C
2.	25- 27 Sep 2015	Anatomical Study of Pulmonary Lobes and Fissures at 17th Karnataka Chapter of Anatomists State Conference in SSMC, Tumakuru	Dr. Divya.C

Research Projects (Completed):

Sl. No	Ethical Clearance No	Topic	Name of the faculty attended
1.	No:DMC/KLR/IEC-CER/167/15-16	Association of AGT M235 T , Factor V Leiden in Preeclampsia	Mrs. Krishnaveni.C

Research Projects (On going):

Sl. No	Ethical Clearance/ Project No	Topic	Name of the faculty attended
1.	NO:DMC/KLR/IEC/19/2015-16	Sexual dimorphism in vertebral column by a Radiological Method – A Pilot Study	Mrs. Krishnaveni.C
2.	NO:DMC/KLR/IEC/115/2015-16	Comparison between proximal femoral geometry of Indians and Western femoral implants	Dr. Shashikant K

Research Projects (New):

Sl. No	Ethical Clearance No	Topic	Name of the faculty attended
1.	SDUAHER/KLR/ADMN/4900/2015-16	Effectiveness of functional transport model of larynx as a teaching and learning media	Dr. Venkateshu K.V

Ph.D. Thesis (topics given during 2015-16 batches):

Sl No.	Name of the Student (Ph.D.)	Guide	Co-guide	Topic
1.	Dr. Kumarswamy .R	Dr. Venkateshu KV	Dr. Azeem Mohiyuddin SM Dr. AVM Kutty	Spectrum of GJB2 Gene with its promotor region among congenital non-syndromic hearing impairment.
2.	Dr. Arunashri	Dr. Venkateshu KV	-	Database for Facial Expressions and Micro-Expressions among Indians.

Publications: Authorship in books -NIL

ACHIEVEMENTS/HONOUR/AWARDS/FELLOWSHIPS IF ANY DURING THE YEAR

Faculty: Mr. Suresh .T -Tutor was awarded M.Phil. Degree in Molecular Cell Biology and Medical Genetics

DEPARTMENT OF BIOCHEMISTRY

VISION

To excel in Quality patient care, Academics & Research

INTRODUCTION

Dept of Biochemistry established in the year 1986 at Sri Devaraj Urs Medical College is involved in Teaching, Learning and Evaluation, Diagnostic & Research activities. Dept is involved in Teaching I MBBS students, B.Sc. MLT, B.Sc. Nursing, Allied Health Sciences, M. Phil, Ph.D, M. Sc. MLT, M. Sc. Genome technology, MD Biochemistry and other department students who are posted for External postings in the Dept.

The Dept has a well-established Under Graduate (UG) & Post Graduate (PG) lab. The UG lab has a capacity to accommodate 90 to 95 students at a stretch to conduct UG practicals. The PG and Research lab adjacent to UG Lab has well equipped modernized instruments with 24x7 power back up which can facilitate upto 8 researchers to continue their basic Research activities.

The 24x7 Diagnostic laboratories at Central lab RLJH, caters to the patients coming to RLJH for treatment. Lab has well equipped instruments such as Dry Chemistry Analyzer the first of its kind in this region, BIORAD - D10 HPLC for HbA1C and also Chemiluminescence for hormone assays. Routine Internal Quality Assessment and External Quality Assessment of parameters are procured from BIO-RAD and the quality confirmation is done as per NABL ISO 15189: 2012 standards. As per the demand from the stake holders and researchers of our institution with respect to diagnostic and research

respectively, the Dept has started Sub-specialty labs concentrating mainly on Infertility, Inborn Errors of Metabolism, Oncology, Neurochemistry, Hepato Biliary diseases, Nephrology and Endocrinology.

TEACHING FACULTY with Ph. D Scholars

Sitting (L to R): Dr. Sumathi.M.E, Dr.K.N. Shashidhar, Dr. Susanna.T.Y, Mrs. Deena Mendez, Dr. Prabhavathi. K, Mrs. Mamatha Kunder

Standing (Ph. D Scholars): L to R: Mr. Krishna Sumanth, Mrs. B.Vanishree, Mrs. U. Munilakshmi

SL No	Name	Designation
1.	Dr.K.N.Shashidhar	Professor & HOD
2.	Dr. Sumathi.M.E	Associate Professor
3.	Dr. Prabhavathi.K.	Assistant Professor
4.	Dr. Susanna.TY	Assistant Professor
5.	Mrs. Deena C. Mendez	Lecturer
6.	Mrs. Mamatha Kunder	Lecturer

Details of programmes conducted/attended :

Sl.No	Dates	CME Programmes Attended	Delegates/ Participants
1.	Jun 2015	Current Regulatory Requirements for Members of Intuitional Ethics Committee” – an Awareness Programme at Bangalore Medical College & Research Institution, Bangalore.	Dr. Sumathi.M.E
2.	25- 28 Nov 2015	“Expediency of Markers of Early Detection of Acute Kidney Injury Sequela to Type 2 Diabetes Mellitus” at the 42nd ACBI National Conference, conducted by Department of Biochemistry, Post Graduate Institute of Medical Education & Research, Chandigarh.	Mrs. Munilakshmi.U

3.	18 Feb 2016	"Enhanced Liver Fibrosis (ELF) & Serum Her 2 / neu assay", conducted by Department of Biochemistry, HCG Hospital, Bangalore.	Mr. N. Krishna Sumanth
----	-------------	--	------------------------

Sl. No	Dates	Conferences Attended	Name of the faculty attended
1.	11 – 12 Sep 2015	3rd State level conference of Association of Medical Biochemists Karnataka Chapter (AMBKC) 2015 Conference. Organized by Rajarajeshwari Medical College & Hospital Bangalore	Dr.K.N.Shashidhar Dr. Sumathi.M.E Dr. Prabhavathi. K Dr. Susanna T Y
2.	19-20 Mar 2016	2nd National conference CAHOCON 2016, titled "Quality beyond accreditation" organized by Consortium of accredited health care organizations at Bangalore	Dr.K.N.Shashidhar

Sl. No	Dates	Workshops attended	Name of the faculty attended
1.	27 Jun 2015	NABH sensitization workshop at Bangalore	Dr.K.N.Shashidhar
2.	25 Nov 2015	42nd National Conference of Association of Clinical Biochemists of India, PGIMER, Chandigarh	Mrs. Munilakshmi.U

Sl. No	Dates	Oral presentation at Scientific Events	Name of the faculty attended
1.	11-12 Sep 2015	Biomarkers in evaluation of Acute Kidney Injury 3rd AMBKC Conference, conducted by Dept of Biochemistry, Rajarajeshwari Medical College & Hospital, Bengaluru	Dr. K. N. Shashidhar, Prof & HOD as guest speaker
2.	11-12 Sep 2015	"Dyslipidemia in Osteoarthritis. A case control study" at the 3rd AMBKC Conference, conducted by Dept of Biochemistry, Rajarajeshwari Medical College & Hospital, Bengaluru	Dr. Prabhavathi K Asst. Prof
3.	10-12 Sep 2015	"A study of types in frequency of Preanalytical errors as quality indicators in clinical Biochemistry Laboratory of a Referral Rural Hospital" at the 3rd AMBKC Conference, from, conducted by Department of Biochemistry, Rajarajeshwari Medical College & Hospital, Bengaluru.	Dr. Susanna T Y Asst. Prof

Sl. No	Dates	Poster Presentation	Name of the faculty attended
1.	11-12 Sep 2015	"Usefulness of Serum Gamma Glutamyl Transferase in assessing severity of Preeclampsia" at the 3rd AMBKC Conference, conducted by Department of Biochemistry, Rajarajeshwari Medical College & Hospital, Bengaluru	Dr. Sumathi M E Assoc. Professor
2	25 Nov 2015	Expediency of markers for early detection of acute kidney injury sequelae to type 2 diabetes mellitus, 42nd National Conference of Association of Clinical Biochemists of India, PGIMER, Chandigarh	Mrs. Munilakshmi.U Ph.D scholar

Research Projects (Completed):

Sl. No	Project No	Title of the research project	Principal investigator & department
1.	IEC-CER 81/2016-17	Preanalytical variables and their impact on Total quality Management of Clinical Biochemistry laboratory- A Tertiary referral rural hospital study	Mrs. Munilakshmi.U Biochemistry
2.	IEC-CER 45/2015-16	Biochemical evaluation of Serum lipid profile and serum Uric Acid in Pre-eclampsia- A case control study	Miss. Monica.N MBBS Student
3.	IEC-CER 125/2016-17	Gender Based case Control Study of Lipid Profile , Lipid ratios and Albumin Creatinine Ratio In Rural Diabetic Population	Mr.V.A.N.V. Kishore Mrs. Munilakshmi.U Dr. Shashidhar. K.N Dr. Lakshmaiah. V
4	32/2015-16	Dyslipidemia in Osteoarthritis. A Case control study	Dr. Prabhavathi.K Biochemistry

Research Projects (On going):

Sl. No	Project No	Title of the research project	Principal investigator & department
1	SDUAHER/ Res. Proj/88/2013-14	Gender specific utility of Lipid ratios and its Correlation with systemic Inflammation in Acute Myocardial infarctions (AMI) patients with Type 2 Diabetes mellitus"	Dr.Susanna.T.Y
2	SDUAHER/ Res. Proj/89/2013-14	Serum Total Bilirubin and oxidative stress status in diabetic retinopathy- A hospital based observational study	Dr.Prabhavathi.K
3	Non Funded	A study on evaluation of oxidative stress with special emphasis to xanthine oxidase activity, anti- oxidants and neutrophil elastase in pre-eclampsia	Mrs. Vanishree B
4	Non Funded	"Role of Gamma Glutamyl transferase in the diagnosis of metabolic syndrome in patients with hypothyroidism - A Case control study in a rural tertiary care teaching hospital"	Dr. Sumathi ME
5	Non-Funded	Effect of oxidative stress on conventional markers in Alcoholic liver disease	Mr. N.Krishna Sumanth Ph.D scholar

Research Projects (New):

Sl. No	Project No	Title of the research project	Principal investigator & department
1.	Non-funded	A correlative study of advanced Biomarker: kallistatin with conventional and oxidative markers in cirrhosis of liver	Mr. N.Krishna Sumanth Ph.D scholar
2.	SDUAHER No. DMC/ KLR/ UDOM/ IEC/ 58/ 2014-15	A study of Life style modification with metformin VS study life style modifications in pre diabetic subjects	Dr.Asha. BPharmacology Dr. Sumathi ME Collaborative Research

3.	SDUAHER./ Res.Proj/ 106/2015-16	Quantitative assessment of interleukin 6 levels in benign, premalignant and malignant lesions of the oral cavity.	Dr. Azeem Mohiyuddin Dept. of ENT & Head and Surgery Dr. Susanna TY; Collaborative Research
4	Non funded	"Glycemic status & uric acid estimation in Myocardial infarction patients with Type 2 Diabetes Mellitus".	V. A. N. V. Kishore IV term student Dr. Prabhavathi. K Biochemistry
5	Non funded	Small Antioxidant Molecules and its importance in AKI	Munilakshmi U Ph.D scholar

MD/MS Dissertations / Ph.D. thesis (topics given during 2015-16 batch)

Sl. No	Student	Guide	Co-guide (if any)	Topic
1	Mrs. Mamatha Kunder	Dr. A.V.M Kutty	Dr. Lakshmaiah. V	Studies On Serum Elastase and Elastase-Inhibitors In Infectious and Non-Infectious Disease
2	Mrs. Munilakshmi.U	Dr. Shashidhar. K.N	Lakshmaiah. V Muninarayana. C Madhavi Reddy	Biomarkers & Oxidative stress parameters in Type II Diabetes Mellitus and Acute Kidney injury
3	Mrs. Vanishree.B	Dr.C.D.Dayanand	Dr. Sheela SR	A study on valuation of oxidative stress with special emphasis to xanthine Oxidase activity, anti-oxidants and plasma elastase in pre-eclampsia.

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

Faculty: Dr. Susanna TY, Asst. Prof. Biochemistry was awarded the degree Post Graduate Diploma in Genomic Technology during the convocation function held on 30th March 2016 from Hon. Chancellor Dr. S. Kumar, SDUAHER.

DEPARTMENT OF PHYSIOLOGY

VISION

To foster academic excellence and research aptitudes among students and faculty to equip them to rise to the challenges of medical profession.

INTRODUCTION

The Dept of Physiology was started in 1986. The Dept was upgraded as a Postgraduate Dept in 2003 with permission to take in 3 postgraduate students per year. The Dept imparts the knowledge of Physiology to students of Medicine, Nursing and Allied health sciences.

THRUST AREAS IDENTIFIED

ACHIEVEMENTS/HONORS/AWARDS/FELLOWSHIPS IF ANY DURING THE YEAR

POSTGRADUATES

- Dr.Sumitra.S Postgraduate student was awarded gold medal during the convocation held on 30 March 2016.

DEPARTMENT OF PATHOLOGY

VISION

To be a center of excellence for diagnostic services, research and education in the field of Pathology.

INTRODUCTION

Dept of Pathology had a humble beginning in 1988 with setting up of Laboratory, morbid anatomy rooms and Museum. Various equipments and chemicals were procured for undergraduate practical teaching. Post graduate course in MD pathology was started in 2003 with 2 admissions per year which was increased

to 4 since 2010. The faculty are actively involved in Undergraduate and Post graduate teaching, Diagnostic services Posters and scientific papers are being presented and published in various state, national and international Journals and conferences. The Dept now has well stocked computerized museum arranged systematically with corresponding legends and teaching material, central laboratory with clinical pathology, cytopathology, frozen section, histopathology with special stains and immunohistochemistry.

ACTIVITIES OF BLOOD BANK:

Dept of Pathology runs a 24 hour blood bank at Shri R L Jalappa Hospital and Research Centre. It is

recognized by NACO and Drug controller. Blood Bank has a Memorandum of Understanding with Sankalp Indian Foundation for conducting Voluntary blood Donation campus as per NACO guidelines.

THRUST AREAS IDENTIFIED

- Tumor Biology:
 - Application of Immunohistochemistry markers and molecular markers for the diagnosis / prognosis of following malignancy.
 - a) Head & neck tumors.
 - b) Breast tumor.
 - c) Prostatic tumor.
 - d) Cervical cancer.
- **Cytopathology :**
 - a) Study of cytopathology of thyroid tumors.
 - b) Cervical cancer screening.
- **Haematology:** Platelet Indices, Bleeding and coagulation studies in Snake poisoning.
- **Blood Bank:** Blood component separation and increase of shelf life of blood components

TEACHING FACULTY

Sitting (L to R) – Dr Das S, Dr TN Suresh, Dr ML Harendra Kumar, Dr CSBR Prasad and Dr Kalyani R

Standing Row 1 (L to R) – Dr Ankita B, Dr Manjula K, Dr Swaroop Raj B V, Dr Shilpa MD, Dr Hemalatha A and Dr Supreetha MS

Standing Row 2 (L to R) – Dr Swati Pandey, Dr Argha Baruah, Dr Shubhra R, Dr Chandana and Dr Hajra K

Standing Row 3 (L to R) – Dr Pradeep, Dr Karthik, Dr Nishit and Dr Manan Shah

SL No	Name	Designation
1	Dr.CSBR.Prasad	Professor and HoD
2	Dr.M.L.Harendra Kumar	Principal and Dean, Faculty of Medicine and Professor
3	Dr Kalyani R	Professor

4	Dr.T.N.Suresh	Professor
5	Dr.Subhashish Das	Professor
6	Dr.Manjula.K	Associate Professor
7	Dr.Hemalatha.A	Associate Professor
8	Dr.Swaroop.Raj.B.V	Assistant Professor
9	Dr.Sushma.S	Assistant Professor
10	Dr Supreetha M S	Assistant Professor
11	Dr Shilpa M D	Assistant Professor
12	Dr.Ankita Baghel	Postgraduate/Tutor
13	Dr.Nishit	Postgraduate/Tutor
14	Dr.Karthik Kasireddy	Postgraduate/Tutor
15	Dr.Shubhra Ramchandani	Postgraduate/Tutor
16	Dr.Argha Baruah	Postgraduate/Tutor
17	Dr.Pandey Swati	Postgraduate/Tutor
18	Dr.Rajini.T	Postgraduate/Tutor
19	Dr.Sulagna	Postgraduate/Tutor
20	Dr.Shah Manan Bharatkumar	Postgraduate/Tutor
21	Dr.Mehdi Hajra Khursheed	Postgraduate/Tutor
22	Dr.Pradeep Mitra.V	Postgraduate/Tutor
23	Dr.Chenna Chandana Reddy	Postgraduate/Tutor

Details of programmes conducted/ attended :

Sl. No.	Date	Presenting Department	Integrated Department
1	9 Apr 2015	Pathology	Medicine and Surgery
2	11 June 2015	Pathology	OBG and Surgery
3	13 Aug 2015	Pathology	Radiology and Surgery
3	8 Oct 2015	Pathology	Medicine and Orthopaedics
4	10 Dec 2015	Pathology	Medicine and Surgery
5	11 Feb 2016	Pathology	-

Sl.No	Date	CME Programmes Conducted
1.	20 Jun 2015	CME on “Bone and Soft Tissue Pathology” by Department of Pathology in collaboration with Karnataka Chapter of Indian Association of Pathologists and Microbiologists, Karnataka
2.	19Mar 2016	CME on “Updates in Gynaec Pathology” by Department of Pathology in collaboration with Karnataka Chapter of Indian Association of Pathologists and Microbiologists, Karnataka

Sl.No	Dates	CME Programmes Attended	Name of the faculty attended
1	13 Mar 2015	Karnataka Chapter of Indian Association of Pathologists and Microbiologists, Post Graduate Quiz.	Dr. Sharitha Dr. Yashaswini Dr. Veena Dr. Geethanjali

Sl. No	Dates	Conferences Attended	Name of the faculty attended
1	11 -12 Jul 2015	International Conference of Male Genitourinary Pathology conducted by Bangalore Medical College and Research Institute at NIMHANS Bangalore	Dr. CSBR Prasad Dr. Suresh T N Dr. Sushma Dr. Rakshith Dr. Geethanjali Dr. Argha
2	17 -19 Jul 2015	Fellowship in Medical education and Training by St Johns Medical College at St Johns Medical College.	Dr. TN Suresh
3	8- 9 Aug 2015	PathFest Bangalore Chapter by St Martha’s Hospital	Dr. Rakshith Dr. Veena Dr. Yashaswini Dr. Geethanjali
4	11 - 13 Sep 2015	42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists from at AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Swaroop Raj B V Dr Shilpa MD Dr Nishit Dr Ankita Dr Shubhra Dr Karthik
5	3- 6 Dec 2015	Annual Pathology Conference 2015 organised by Indian Academy of Pathologists and Microbiologists - Kerala Chapter at Kochi	Dr Swaroop Raj B V Dr Karthik

Sl. No	Dates	Workshops Attended	Name of the faculty attended
1.	2-3 2015	Workshop on Microscopy Course in Dermatopathology by St Johns Medical College at St Johns Medical college.	Dr CSBR Prasad

Sl. No	Dates	Papers Presented : Oral Presentation	Name of the faculty attended
1	12 Sep 2015	Manual Liquid based Cytology VS conventional direct smears in Fine Needle Aspiration Cytology at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Ankitha Baghel
2	12 Sep 2015	Histomorphological spectrum of ovarian tumors at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Shubhra R
3	12 Sep 2015	Clinicopathological study of rare invasive epithelial tumors of breast at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Karthik K
4	12 Sep 2015	Tumor budding and shape of tumor nests in oral Squamous Cell carcinoma at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Nishit
Sl. No	Dates	Papers presented : Poster Presentation	Name of the faculty attended
1	6 Mar 2015	Uncommon location of a common tumor. A large leiomyoma occurring in ovary Elixer 2015 at International medical undergraduate conference by K S Hegde medical college, Mangaluru	Harshith Gowda KB 4th term student
2	12 Sep 2015	Liquid Dish Wash Solution Can it be an alternative in future for the expensive and hazardous xylene in H and E staining of paraffin embedded section at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Swaroop Raj B V
3	12 Sep 2015	Pregnancy associated breast cancer: A diagnostic dilemma at 42nd Annual state conference of Karnataka Chapter of Indian Association Of Pathologists and Microbiologists by AJ Institute of Medical Sciences and Research Centre, Mangaluru	Dr Shilpa MD
4.	5 Dec 2015	Xylene / Chloroform Free tissue processing (microwave) and staining – a non hazardous and time effective alternative to conventional tissue processing and staining Annual Pathology Conference 2015 organised by Indian Academy of Pathologists and Microbiologists - Kerala Chapter at Kochi	Dr Swaroop Raj B V Dr Harendra Kumar
5.	30 Jan 2016	Scar endometriosis – an FNAC diagnosis presented at Cytology Conference - CYTOCON at Mysore	Dr Pandey Swati

Research Projects (Completed):

Sl. No	Project No	Title of the research project	Principal investigator & department
1		Correlation of E cadherin and Vimentin expression with histological type and grade of differentiation breast cancer	Dr.Rakshith.V Pathology
2		Cytological evaluation of Thyroid lesion by Morphology and Morphometry under Bethesda system	Dr.R.Yashaswini Pathology
3		Rapid cytodiagnosis by different staining techniques in comparison with conventional stains in FNAC.	Dr.R.Veena Pathology
4		Storage related Hematological and Biochemical changes of whole blood	Dr.Geethanjali.N Pathology
5		Liquid Dish Wash Solution. Can it be an alternative in future for the expensive and hazardous xylene in H and E staining of paraffin embedded section.	Dr Swaroop Raj Pathology
6		Xylene free microwave tissue processing -a non -hazardous and faster alternative to conventional tissue processing.	Dr Swaroop Raj B V, Pathology
7		Manual Liquid based Cytology VS conventional direct smears in Fine Needle Aspiration Cytology	Dr Ankitha Baghel, Pathology
8		Histomorphological spectrum of ovarian tumors.	Dr Shubhra R Pathology
9		Clinicopathological study of rare invasive epithelial tumors of breast.	Dr Karthik K Pathology
10		Tumor budding and shape of tumor nests in oral Squamous Cell carcinoma	Dr Nishit Pathology

Research Projects (Completed):

Sl. No	Project No	Title of the research project	Principal investigator & department
1		Utility of Micro ESR and Hematological Scoring system in the detection of neonatal sepsis – A comparative Study	Nivetha C Pathology
2		Is clotting time necessary as a preoperative test	Maya Lakshmanan Pathology
3		Identification of acid fast bacilli in effusion by clot processing technique	Dr CSBR Prasad Pathology
4		Leishman Giemsa Cocktail – Is it the best solution for airdried cytology smears?	Dr Shilpa MD Pathology

MD/MS Dissertations / Ph.D. thesis (topics given during 2015-16 batch)

Sl. No	Name of the student	Guide	Topic
1	Dr.Argha Baruah	Dr.T.N.Suresh	USG Guided FNAC ineualuation of cervical lymphnode metastatic in oral SCC
2	Dr.Pandey Swati	Dr.Hemalatha.A	Histopathological study of Vascular changes in Placenta in Preeclampsia using Histochemistry
3	Dr.Rajini.T	Dr.Shubhashis Das	A study of papanicolaou [pap] stain and cervical acid phosphatase - papanicolaou [cap-pap] stain in the detection of cervical intra-epithelial neoplasm- a comparative study
4	Dr.Sulagna Manna	Dr.M.L.Harendra Kumar	“Study of Mast cell Profile in Atherosclerotic lesion of Aorta – an autopsy study”.

ACHIEVEMENTS/HONORS/AWARDS/FELLOWSHIPS IF ANY DURING THE YEAR

POSTGRADUATES

- Faculty
- Postgraduates: Dr. Ankita Baghel got the best presenter award at Karnataka Chapter of Indian Association of Pathologists and Microbiologists slide seminar conducted by Anand Laboratory on 16 Jan 2016.

DEPARTMENT OF PHARMACOLOGY

VISION

Excellence in teaching & training of pharmacological concepts and their application in clinical medicine and research.

INTRODUCTION

The Dept was established in 1988 with all facilities as per MCI requirement under the guidance of Dr. Nanjappa, a senior professor and HoD Dr. Babu S Nema. In Jan 2003, MD Pharmacology course was started with the approval of MCI. The department is active in the field of pharmacovigilance and research. The Dept is recognized as Adverse Drug Reaction Monitoring Center under Pharmacovigilance Programme of India by Indian Pharmacopoeia Commission, National Coordinating Center, Ghaziabad from July 2015. The central animal

house is registered under Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), New Delhi. The Dept was conferred the **Best Department Award** for the year 2014-15.

*Department of Pharmacology received
BEST DEPARTMENT award for the year 2014-15*

THRUST AREAS IDENTIFIED

- Pharmacogenetics
- Pharmacovigilance
- Drug poisoning
- Self-medication patterns
- Pharmacoeconomics
- Drug utilization studies

ACHIEVEMENTS/HONORS/AWARDS/FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty

Department of Pharmacology was awarded as BEST DEPARTMENT for the year 2014-15.

b. Undergraduate

Miss. Manpreet Kaur (6th term student) under the guidance of Dr. Sarala N, was awarded first prize for oral presentation on "Breaking bad news in experience among health Professionals" in DEMEDCON 2015.

Miss Manpreet Kaur receiving the first prize for oral presentation in DEMEDCON 25-04-2015

Dr. Sowmya and Dr. Sahana HV attended workshop on "Ethics and Research" from 11-5-2015 to 15-05-2015 at Yenepoya University

Dr. Asha B, Dr. Ganashree P and Dr. Ashwitha SD presented poster at International conference, IPSCON-2015 Rajkot, Gujarat

Dr. Mohammed Yaseen presented poster at ISRPTCON-2015 from 4-12-2015 to 6-12-2015 at PGIMER, Chandigarh

Dr. Sahana HV presented poster at ISRPTCON-2015 from 4-12-2015 to 6-12-2015 at PGIMER, Chandigarh

DEPARTMENT OF MICROBIOLOGY

VISION

Service training and research to mitigate suffering from microbial infections.

INTRODUCTION

The Dept of Microbiology at Sri Devaraj Urs Medical College was established in 1988, which caters to the educational needs of under graduate medical students. The MD course was started in 2004. PhD course was introduced in the year 2009. The first Ph.D in microbiology was awarded by SDUAHER in 2015. The Dept also offers training to students pursuing BSc MLT, OT Technology, Nursing, and MSc Molecular biology courses.

In addition to academics, it provides laboratory services to diagnose infectious diseases. The laboratory is equipped with Bact/Alert, Chemiluminescence assay, ELISA, PCR, Immunofluorescence and Lyophilizer. The Dept regularly participates in External Quality Control Scheme (EQAS) offered by Indian Association of Medical Microbiologists and the lab is among the top 8 laboratories in India. The Dept takes an active part in the surveillance of Health-care Associated Infection Control Programme and have brought out a manual on infection control practices and Antibiotic Policy for in house use. As a part of community service, the Dept investigates outbreaks of Gastroenteritis, Dengue, Leptospirosis in Kolar and the surrounding areas.

The Dept pursues research with many publications on Syphilis, Tuberculosis, Antimicrobial resistance, and Ventilator Associated Pneumonia and Pneumococcal infections.

DEPARTMENT OF FORENSIC MEDICINE AND TOXICOLOGY

VISION

- To be recognized for excellence in medico-legal education
- To deliver next generation Forensic Medicine services to the society.

INTRODUCTION

Forensic Medicine deals with legal aspects of Medicine. The Dept is actively engaged in undergraduate and postgraduate teaching activities. It is also running a Toxicology Laboratory performing toxicological analysis of various poisons and also drugs for therapeutic purposes. The departmental faculty also undertakes awareness programmes on various medico legal aspects for Doctors, Judges, Police Officials and Scientific Officers besides various other agencies.

DEPARTMENT OF COMMUNITY MEDICINE

VISION

- To be in the forefront of professional education, service and research in community medicine and related disciplines in the country

INTRODUCTION

The Dept of community medicine is functioning since the inception of Sri Devaraj Urs Medical college with an aim of preparing primary health care physicians who are able to provide comprehensive health care services to the community. Since 2007 it is functioning as a university Dept under Sri Devaraj Urs academy of higher education and research, Kolar. As a university Dept it admits postgraduate students for the preparation of specialists in the field of community medicine. Apart from the class room facilities and public health laboratory facilities for teaching and training of students, the Dept also runs an urban health centre at Kolar town and a rural health centre at Devarayasamudra village in Mulbagal taluk of Kolar district. Undergraduate students, interns and postgraduates are posted to these centres to observe and practice community medicine under the supervision of the faculty and field staff. The Dept also provides medical services to the communities of

Kolar and neighboring Chikaballapur districts through outreach clinics and general and specialty health camps. The department networks extensively with the district health administration and its health centres, panchayats, non-governmental organizations, trusts, individuals and groups in organizing these services. The faculty, postgraduates and the field staff are involved in the delivery of and monitoring and evaluation activities of national health programmes in the district. In order to create awareness on health and disease in the community the department conducts programmes to educate the public with community involvement. Conducting national and international health days and events in the community is undertaken to achieve the objective of educating the people in health.

5	Attributes of metabolic syndrome in geriatric institutional residents in Secunderabad, India.	Bhattacharyya A, Sinha N.	Int J Res Med Sci. (2016), Volume 4(2)N	Community Medicine
6	Jatropha Curcas Poisoning- A Case Report.	Bhattacharyya Ananta, Bhattacharyya Aparajita, Abdur Rahman.	International Journal of Scientific Research. (2015); 4(5): 3-4.	Community Medicine
7	Acute encephalitis syndrome in India: Japanese encephalitis, polluted water and malnutrition (Editorial)	Ranganath BG	J Clin Biomed Sci 2015;5(2):52-53.	Community Medicine
8	Japanese Encephalitis /Acute Encephalitis Syndrome: Prevention and Control Strategies in India (Review article)	Ranganath BG	J Clin Biomed Sci 2015;5(3):98-106.	Community Medicine

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS

a. Faculty:

Dr. Latha K, Asst. Professor, awarded DNB in Community Medicine by NBE, N-Delhi.

b. Postgraduates:

Dr. Ananyalakshmi, postgraduate, awarded gold medal in Community Medicine in the annual convocation of SDUAHER, Kolar in March 2016.

DEPARTMENT OF MEDICINE

VISION

- To improve the health of the community through high quality education, research and clinical care.

INTRODUCTION

The Dept had its humble beginnings in the year 1988 with MBBS course for 150 students and P.G. course in the subject was started in the Year 1996, and at present has a total of 8 PG seats and also participates in the courses offered by other departments such as Renal Dialysis technology course and Nursing Courses. The Dept is adequately staffed and is proud to have largest number of publications amongst clinical departments of SDUAHER in various journals of good repute and have been awarded at various platforms both nationally and internationally. We have a large number of ongoing projects. We conduct regular CME's and Guest lectures and are humbled to be the host of dignitaries who

are directors of National institutes such as NIMHANS and IEA and those who have been honoured with the Padma Vibhushan. The Sub-Speciality clinics held every day, the Dept of cardiology and diabetology, the strength of MICU in tackling medical emergencies and epidemics, the participation of the Dept in various outreach programs such as camps and mega camps makes us stand taller.

THRUST AREAS

- Diabetes Mellitus
- Tuberculosis
- Stroke-National Stroke Register
- Genomics-Rare disorders
- Geriatric medicine
- Metabolic syndrome.
- Tropical medicine with special interest in atypical manifestation of Malaria, Dengue, Leptospirosis and others.

Details of programmes conducted/attended :

Sl.No	Date	CME/Guest lectures conducted	Name of the faculty attended
1	6 Jun 2015	Recent advances in Epilepsy. SDUMC, Kolar	Dr. HV Srinivas Dr. Gnana Muthu Dr. Chandrashekhar MN
2	23 Jul 2015	Nature science.SDUMC, Kolar	Dr Tolstoy
3	4 Sep 2015	Recent advances in Diabetes management. SDUMC, Kolar	Dr Prasanna Kumar
4	18 Sep 2015	Outlook on lymphoma.SDUMC, Kolar	Dr Sampath M
5	18 Oct 2015	HIV/AIDS and Viral Hepatitis.SDUMC, Kolar	
6	8 Mar 2015	GUT UPDATE.SDUMC, Kolar	Dr Umesh Jalihal Dr Adarsh CK
7	22 Mar 2016	TUBERCULOSIS UPDATESDUMC, Kolar	Dr Alladi Mohan

Conferences/ Workshops conducted during the year : NIL

Sl. No	Dates	Papers Presented : Oral Presentation	Name of the faculty attended
1	12-14 Jun 2015	Relation between ABO blood groups and Myocardial infarction (KAPICON 2015)	Dr Spoorthi
2	12-14 Jun 2015	Study of risk factors in stroke in young (KAPICON 2015)	Dr Sudhir L

Sl. No	Dates	Posters Presented	Name of the faculty attended
1	12-14 Jun 2015	Cryptococcal meningitis in a immunocompetent patient (KAPICON 2015- Bijapur)	Dr. Likitesh
2	12-14 Jun 2015	Delayed OP encephalopathy (KAPICON 2015)	Dr. Spoorthi
3	12-14 Jun 2015	Rare case of Microscopic polyangitis (KAPICON 2015)	Dr. Harshitha
4	12-14 Jun 2015	Neurotoxic envenomation of snake bite mimicing brain death: Locked in Syndrome (KAPICON 2015)	Dr. Harish
5	12-14 Jun 2015	Hashimotos encephalopathy- a case report (KAPICON 2015)	Dr. Surya
6	12-14 Jun 2015	A rare case of multiple NCC and mutiple tuberculoma with tubercular spondilitis (KAPICON 2015)	Dr. Arun vasireddy
7	28-31 Jan 2016	Rare case of Anton Babinski Syndrome (APICON 2016- Hyderabad)	Dr. Thanuj
8	28-31 Jan 2016	Rare case of Kounis syndrome (APICON 2016)	Dr. Rakesh
9	28-31 Jan 2016	Case of Pleural mesothelioma (APICON 2016)	Dr. Vennela
10	28-31 Jan 2016	Phenytoin induced DRESS syndrome (APICON 2016)	Dr. Likitesh
11	28-31 Jan 2016	Usual case of attempted suicide by hanging (APICON 2016)	Dr. Spoorthi
12	28-31 Jan 2016	Rare case of Dike davidoff masson syndrome (APICON 2016)	Dr. Harsitha
13	28-31 Jan 2016	Clinical spectrum of suspected and proved H1N1 cases in tertiary care hospital (APICON 2016)	Dr. Harish
14	28-31 Jan 2016	Aplasia of lung (APICON 2016)	Dr. Spandana
15	26 Mar 2016	ANVESHAN 2016 (Kalady Kerala)Relation of serum vitamin D levels with insulin resistance	Dr. Arun Vasireddy

Research Projects (Completed):

Sl. No	Project No.	Title of the Research Project	Principal investigator
1		Blood lactate levels as a prognostic marker in sepsis.	Rahul V
2		Study of risk factors, clinical features and outcome of sepsis in elderly	Arun VG
3		Clinical and etiological profile of acute febrile illness with thrombocytopenia.	Sabari Girish
4		Study prognosis of atrioventricular conduction blocks versus intraventricular conduction blocks in acute myocardial infraction.	Sri Chandan Reddy
5		Comparison of severity scoring system in community acquired pneumonia	Uphar Gupta
6		Study of gamma glutamyl transferase as a marker in metabolic syndrome	Vaishnavi Alam

7		Carotid intimal media thickness in rheumatoid arthritis as a marker of atherosclerosis in rural population of Kolar district.	Sridhar Srinivasan
8		Stress hyperglycaemia as prognostic marker in acute ischemic stroke	Sandeep Reddy

Research Projects (Ongoing):

Sl. No	Project No.	Title of the Research Project	Principal investigator
1		Prognostic value of red blood cell distribution width in patient with chronic kidney disease	Arun Vasireddy, BN Raghvendra Prasad
2		Assessment of asymptomatic bacteriuria in type 2 diabetes mellitus female in a tertiary care hospital.	Sudhir L, Lakshmaiah V
3		A clinical study of treatment outcome in complicated snakebite patients treated with ASV as per Indian standard protocol.	Harish BV, Raveesha A
4		Carotid artery intimal media thickness and ankle brachial index as predictor for atherosclerosis in pre-diabetic patients aged between 18-50 years in tertiary care hospital, Kolar, Karnataka.	Surya Prasad, Vidyasagar CR
5		A comparative study of association of extended lipid profile with microvascular complication in type 2 diabetes mellitus.	Likitesh, Prabhakar K
6		Hyponatremia in acute neurological disorders among adults in a tertiary care hospital cross sectional study	Harshitha, Lakshmaiah V
7		Cognitive dysfunction in elderly diabetic and association with duration of diabetic and glycaemic control in tertiary care centre, Kolar.	Spandana P Reddy, PN Venkatarathnamma
8		Study of clinical profile and differentiating systolic and diastolic heart failure by echocardiography.	Spoorthi V, Raghvendra Prasad
9		Association of Vitamin D levels with insulin sensitivity	Arun Vasireddy, BN Raghvendra Prasad
10		Assessment of asymptomatic bacteriuria in Type 2 DM.	Sudhir L, Lakshmaiah V
11		Extra pulmonary Manifestation in COPD	Sudhir L
12		Study of clinical spectrum and mortality predictors of ARDS	Surya Prasad
13		Study of clinical spectrum and outcome in suspected and proved H1N1 cases in tertiary care centre	Harish BV

14		HsCRP in diabetic nephropathy patients	Prabhakar K, Likitesh
15		Mean Platelet volume in ACS	Likitesh
16		Study of hyponatremia among hospitalized elderly patients	Harshitha
17		Association between subclinical hypothyroidism and diabetic retinopathy in type 2 DM	B.N.Raghavendra Prasad, Spoorthi
18		Neutrophil Lymphocyte ratio and blood glucose regulation in Patients with type 2 Diabetes.	Rakesh G
19		Neck circumference as independent predictor to metabolic syndrome	Prabhakar K
20		Hypocalcemia as a marker of bleeding manifestations in febrile thrombocytopenia.	Thanuj Reddy
21		The neutrophil lymphocyte ratio in patients with community acquired pneumonia.	Vennala D
22		Quality of life in elderly diabetes with mild cognitive impairment.	Suhas S Aithal
23		Glycosylated HB is a reliable predictor of LV diastolic dysfunction in newly diagnosed type 2 DM.	Srinivas SV, Swetha
24		Effect of hemodialysis on P wave in CKD patients.	Swetha MSN
25		Early detection of cardiotoxicity in OP Poisoning	Raveesha A
26		Correlation of severity of dengue fever with transaminase levels	Abhishek Verma
27		Correlation between microalbuminuria & HbA1c in patients with T2DM	Dr Viswanatha Reddy
28		Correlation between serum fasting insulin level & CVS manifestation in T2DM	Dr Prabhakar
29		Correlation between serum uric acid level with EGFR in T2DM patients	Dr Srinivas SV
30		Effect of yoga on Type 2 diabetes mellitus	Dr Venkatarathnamma

MD/MS Dissertations/ Ph.D. thesis (topics given during 2015-16 batch) :

Sl. No	Name of the student	Guide	Topic
1	Dr Rakesh	Dr Harish	Study of Mean Platelet volume in patients with type 2 diabetes mellitus and its correlation with microvascular complications
2	Dr Thanuj	Dr Lakshmaiah	Serum albumin as a prognostic marker in critically ill patients admitted to medical ICU
3	Dr Vennela	Dr Prabhakar	Plasma Homocysteine Levels in Type 2 Diabetes mellitus and Its correlation with Micro vascular Complications

4	Dr Meena	Dr P.N.Venkatarathnamma	Association of thyroid profile in acute coronary syndrome
5	Dr Suhas S Aithal	Dr Vidyasagar	Pleural fluid to serum pseudo cholinesterase ratio and its correlation with clinical profile and lights criteria.
6	Dr Swetha	Dr Srinivas SV	Study of effect of dehydration on early neurological deterioration in acute ischemic stroke
7	Dr Abhishek	Dr Raveesha	Estimation and comparison of eGFR using serum cystatin C and serum creatinine for detection of early nephropathy in type 2 diabetes mellitus
8	Dr Monica	Dr B.N.Raghavendra Prasad	Hyperamylasemia as an indicator of severity and predictor of respiratory failure in OP Poisoning

Publications:

Sl. No	Title of the paper	Authors	Journal	Department
1	Stress hyperglycemia as a prognostic marker in acute ischaemic stroke	Raghavendra Prasad B N, Sandeep Reddy A, Prabhakar K, Thejdeep R, Surya Teja N	European Journal of Pharmaceutical and Medical Research (EJPMR)	Medicine
2	Study on carotid intimal thickness in rheumatoid arthritis patients as marker of atherosclerosis in rural population of kolar district.	Prabhakar K, Sridhar Sreenivasan, Reddy Prasad K., Vidyasagar R, Prajeet	EJPMR	Medicine
3	Comparision of validity of severity scoring system in community acquired pneumonia	Vidyasagar Cr, Uphar Gupta, Prabhakar K, Raghavendra Prasad Bn, Lakshmaiah V	Journal of evolution of research in general medicine	Medicine
4	Study of etiology of ckd in tertiary care center	Vaishnavi Alam, B.N. Raghavendra Prasad, Vidyasagar Cr, Uphar Gupta	EJPMR	Medicine
5	Blood lactate levels as a prognostic marker in sepsis.	Raveesha A, Rahul V, Prabhakar K, Lakshmaiah V, Raghavendra Prasad Bn, Reddy Prasad K	EJPMR	Medicine
6	Study of risk factor clinical features and outcome of sepsis in elderly	Arun V.G , Venkatarathnamma P.N , Prabhakar K., Reddy Prasad	EJPMR	Medicine
7	Study of prognosis of atrioventricular blocks versus intraventricular blocks in acute myocardial infarction	N Srichandan, Raghvendra Prasad, Prabhakar K, Reddy Prasad.	Jemds	Medicine
8	Acute pancreatitis and bone erosion in acute yellow phosphorus poisonings	Prabhakar K, Parimala Subramani, Arun Vg, Reddy Prasad, Srinivasa Sv.	Journal of clinical & diagnostic research	Medicine

9	Gamma glutamyl transferase as a marker in metabloic syndrome	Vaishnavi Alam, Lakshmaiah V, Prabhakar K, Harish Kumar, Reddy Prasad	EJPMR	Medicine
10	Validation of smart-cop in predicting the need for irvs in community acquired pneumonia patients	U Gupta, Prabhakar K, Cr Vidyasagar, V Lakshmaiah, Rbn Prasad	Journal of Evolution of Medical and Dental Sciences	Medicine
11	Correlation of blood uric acid with urinary albumin creatinine ratio in hypertension and diabetic nephropathy	Kn Shashidhar, U Munilakshmi, K Prabhavathi, M Reddy, V Lakshmaiah	Apollo medicine	Biochemistry
12	Correlation between fasting insulin and blood pressure in obese and non obese middle aged indian diabetic adults.	Raja Reddy, V Lakshmaiah, Karthiyainee Kutty, Madhavi Reddy M.	Indian journal of applied research	Physiology
13	Association of serum uric acid with anthropometric, hba1c and lipid profile in diabetic retinopathy.	Munilakshmi U., Prabhavathi K., Shashidhar K. N., Madhavi Reddy, Lakshmaiah V	International Journal of Current Research and Review (IJCRR) 2015; 7(4): 20-26	Biochemistry
14	Expediency of markers for early detection of acute kidney injury sequelae to type 2 diabetes mellitus.	Munilakshmi U, Shashidhar Kn, Muninarayana C, Madhavi Reddy, Lakshmaiah V.	Asian j pharm clin res	Biochemistry
15	Correlative study of in-hospital clinical outcomes with n terminal pro b type natriuretic peptide and glycated hemoglobin in acute myocardial infarction.	B Sunil Abhishek, B N Raghavendra Prasad	International medical journal	Medicine
16	Association of serum gamma glutamyl transferase with lipid abnormalities in end stage renal disease	R Sowmi, Me Sumathi, Kn Shashidhar, Bn Raghvendra Prasad	Apollo medicine	Biochemistry
17	Cutaneous manifestations in patients undergoing haemodialysis for end stage renal disease.	Gupta Uphar, Raghvendra Prasad, Vidyasagar Cr, Vaishnavi Lam, Harish B	Jemds.	Medicine

18	Bone-marrow spectrum in a tertiary care hospital: clinical indications, peripheral smear correlation and diagnostic value.	Priya Thiyagarajan, TuRuvekere Narayanarao Suresh, Raveesha Anjanappa, Malligere Lingaiah Harendra Kumar Med	J dy patil univ	Pathology
19	Adherence of antiepileptic therapy in adults.	Sowmya C, Sarala N, Venkatarathnamma Pn.	Journal of basic and clinical pharmacy	Pharmacology
20	Study on cardiovascular risk factors among tertiary hospital employees.	Raja Reddy P, Raveesha A, Madhavi Reddy M, Anil Ns, Prasanna Kamath Bt	Journal of medical science and clinical research	Physiology

ACHIEVEMENTS/ HONOUR / AWARDS/ FELLOWSHIPS IF ANY DURING THE YEAR:

Postgraduates:

- Best Paper award Karnataka Association of Physicians India(KAPICON) 2016: Dr Rakesh G.

DEPARTMENT OF ANAESTHESIOLOGY

VISION

- To be a department of excellence through imparting quality training in anaesthesiology, offering optimal anaesthesia care for surgical patients including critical care and pain relief and conducting research in the related areas.

INTRODUCTION

The Dept was established in April, 1988 under the able guidance of Dr. M.H. Chandrappa, MD, DA (London). It was upgraded in 1989 with one Professor, two Associate Professors, two lecturers and two tutors. Hospital complex was started in 1995 with major & minor operation theatres and a multi-specialty ICU consisting of 10 beds. Presently it is headed by Dr. Dinesh. K.

In 1997, Post Graduate courses were started with two M. D and four D.A candidates. The 13th and 25th Silver Jubilee State level Anaesthesia Conference & CME was hosted by the Dept during September 1997 and August 2010 respectively.

Dr. Dinesh K, HoD and Dr. Ravi M, Professor have obtained certification as BLS & ACLS instructors from St. Johns Medical College, Bangalore. The Dept has been conducting CPR workshops for interns, post graduates, pre & para medical personnel round the year. Apart from catering to the anaesthesia services in OT, the Dept is offering pain & palliative care to post-operative and terminally ill patients at pain clinic.

Major OT

CPCR Workshop

THRUST AREAS IDENTIFIED

- Evaluating various additives used for regional blocks.
- Pain and palliative care.
- Management of Organophosphorus and Organochlorine poisoning cases.

TEACHING FACULTY

Sitting (L to R): Dr. Kiran N, Dr. Anand T Talikoti, Dr. Dinesh K, Dr. Ravi M, Dr. Rajanna K

Standing (L to R):-

1st Row: Dr. Naga Seshu, Dr. Sowmya N, Dr. Supriya T C, Dr. Threja C K, Dr. Vishnuvardhan V, Dr. Sujatha M P, Dr. Neha Nupoor, Dr. Nikhila R

2nd Row: Dr. Bhavana B G, Dr. Nikila D G, Dr. Priyanka Das, Dr. Swati Sujeer, Dr. Kavya, Dr. Mallika Ganesh, Dr. Anusha Raj

3rd Row: Dr. Kiran Kumar Reddy, Dr. Bon Sebastian, Dr. Nitin R, Dr. Abhishek K M, Mr. Manjunath, Mr. Raghavendhra Rao

SL No	Name	Designation
1.	Dr. Dinesh .K	HoD
2.	Dr. Ravi M	Professor

3.	Dr. Anand T. Talikoti	Professor
4.	Dr. Rajanna K	Associate Professor
5.	Dr. Suresh Kumar N	Associate Professor
6.	Dr. Kiran N	Assistant Professor
7.	Dr. Sujatha. M. P.	Assistant Professor
8.	Dr. Threja C K	Assistant Professor
9.	Dr. Vishnuvardhan V	Assistant Professor

21.	Dr. Lakshmi K Swamy	Jr. Resident/ Tutor
22.	Dr. Abhinaya Manem	Jr. Resident/ Tutor
23.	Dr. Apoorva D	Jr. Resident/ Tutor
24.	Dr. Abhay Kumar Rana	Jr. Resident/ Tutor
25.	Dr. Mahalakshmi Tulasigere	Jr. Resident/ Tutor
26.	Dr. Sridhar Manchala	Jr. Resident/ Tutor

Details of programmes conducted/attended :

Sl.No	Date	Conferences Conducted	Name of the faculty attended
1	8-9 Aug 2015	State level PG Excel – conducted by ISA Mangalore chapter at Mangalore	Dr. Dinesh. K, HoD Dr. Ravi. M, Professor
2	13-14 Feb 2016	State level PG Excel – conducted by ISA Mysore chapter at Mysore	Dr. Dinesh. K, HoD Dr. Ravi. M, Professor

Sl.No	Date	Conferences Attended	Name of the faculty attended
1	6- 9 Aug 2015	South Zone Anaesthesia Conference –conducted by ISA Trivandrum Branch at Trivandrum, Kerala	Dr. Sujatha. M P Assistant Professor

Sl.No	Date	Workshops Conducted	Name of the Faculty Concerned
1	16 May 2015 20 Jun 2015 01 Aug 2015 21 Nov 2015 02 Jan 2016 06 Feb 2016 26 Mar 2016	CPCR workshops were conducted for house surgeons, Post graduates & para-medics at Centre for Clinical Skills and Simulations.	Team of Anaesthesia Faculty.

2	16 Dec 2015	Double lumen tube workshop for post graduates at Centre for Clinical Skills and Simulations.	Dr. Ravi. M, Professor Dr. Vishnuvardhan.V Assistant Professor
3	19 Jan 2016	Workshop on Central Venous Cannulation, Arterial Cannulation for post graduates at Centre for Clinical Skills and Simulations.	Dr. Dinesh K, HoD Dr. Ravi. M, Professor

Sl. No	Dates	Papers Presented : Oral Presentation	Name of the Faculty Concerned
1	6- 9 Aug 2015	Presented a paper on “Anaesthesia & ICU Management of a case of peripartum cardiomyopathy in failure” at South Zone Anaesthesia Conference -conducted by ISA Trivandrum Branch, Kerala.	Dr. Sujatha M P Assistant Professor

Research Projects (Completed):

Sl. No	Project No.	Title of the Research Project	Principal investigator
1	SDUU/Res/Proj/31/2009-10	Comparison of Inj. Lignocaine (preservative free) 1.5 mg/kg with oral Pregabalin 150 mg for attenuation of intubation response to laryngoscopy and tracheal intubation.	Dr. Anand T Talikoti Dr. Dinesh K
2		Comparative efficacy of acupuncture at p6 point with 0.2 ml 50% Dextrose and Inj. Ondansetron 50 micrograms/kg IV for preventing postoperative nausea and vomiting.	Dr. Ravi M Dr.Girish Babu N
3	SDUU/Res. Proj. 154/2016-17	Optimizing the dose of preemptive oral Pregabalin for postoperative pain control after abdominal hysterectomy under spinal anaesthesia	Dr. Anand T Talikoti Dr. Dinesh K
4	SDUU/Res. Proj. 28/2009-10	Supraclavicular brachial plexus block with 0.75% Ropivacaine and with additives Tramadol, Fentanyl: a comparative pilot study	Ravi M Krishna Kumar B R
5	SDUU/Res. Proj. 35/2009-10	A comparative study of Ketorolac with Lornoxicam as pre:emptive analgesics in patients who were undergoing elective abdominal surgery under general anaesthesia	Girish Babu N Girish M B
6	SDUU/Res. Proj. 72/2012-13	Compare and evaluate the efficacy of Fascia Iliaca Compartment Block (FICB) for patient positioning and post-operative analgesia for fracture femur patients	Suresh Kumar N Kiran N

Research Projects :

Sl. No	Project No.	Title of the Research Project	Principal investigator & department
1		A study of Pseudocholinesterase activity and genetic analysis among different communities in Kolar district (Karnataka, India).	Dr. Anand T Talikoti, Professor Dr. Suresh Kumar N, Associate Professor, Dr. Dinesh K , HoD, Dept. of Anaesthesiology Dr. Mahesh V, Asst. Prof, Dept. of Community Medicine Dr. Sharath B, Asst. Professor Dept. of Cell Biology and Molecular Genetics
2	89/2016-17	Comparison of pain on injection with lidocaine pretreatment and serum triglyceride levels with Propofol Long Chain Triglyceride (LCT) versus Propofol Medium Chain Triglyceride (MCT)/LCT after short term anaesthesia in adult patients.	Dr. Threja. C.K, Assistant Professor Dr. Vishnuvardhan. V, Assistant Professor Dr. Ravi .M, Professor, Dr. Dinesh K, HoD Dept. of Anaesthesiology

MD/MS Dissertations / Ph.D. thesis (topics given during 2015-16 batch) :

Sl. No	Name of the student	Guide	Topic
1	Dr. Mallika Ganesh	Dr. Dinesh K HoD	A comparative study of Dexmedetomidine and Clonidine as an adjuvant to intrathecal Bupivacaine in lower abdominal surgeries
2	Dr. Bhavana B G	Dr. Ravi M Professor	Post-operative analgesic efficacy of intrathecal Fentanyl versus Nalbuphine added to Bupivacaine in spinal anaesthesia for lower abdominal surgeries.
3	Dr. Nikila D G	Dr. Anand T Talikoti Professor	Comparative study of Fascia Iliaca Compartment Block (FICB) with Bupivacaine and Bupivacaine with Dexmedetomidine for positioning and duration of post-operative analgesia in fracture femur under spinal anaesthesia

Publications:

Sl. No	Title of the paper	Authors	Journal	Department
1	Incidental hypoglycemia with suspected high spinal in a case for emergency caesarian	Shahid M, Ravi M, Archana R	JCDR 2015;9(1):1-2	Anaesthesia
2	A comparative study of oral Pregabalin and Clonidine for attenuation of hemodynamic responses to laryngoscopy and tracheal intubation.	Archana R, Dinesh K, Ravi M, Anand T T, Somasekharam P	J Clin Biomed Sci 2015; 5(1): 25-29	Anaesthesia

3	A safe alternative in neurofibromatosis for lower limb surgeries: combined Femoral and Sciatic nerve block.	Shahid M Bon Sebastian	JCDR 2015; 9(5): 3-4	Anaesthesia
4	Anaesthesia for a case of Rheumatic heart disease with prosthetic valve and deranged coagulation profile posted for emergency craniotomy.	Kiran N, Ravi M Dinesh K, Anand T T	WPR. 2015;4(5): 1712-1714	Anaesthesia
5	Congenital diaphragmatic hernia: anaesthetic management.	Shahid M, Sharath K, Ravi M, Manjunath B, Dinesh K, Dr. Rajanna K	WJPR 2015;4(5): 1883-1888	Anaesthesia
6	Intravenous paracetamol as an adjunctive analgesic in post-operative pain management after total abdominal hysterectomy.	Ananya N, Dinesh K, Ravi M, Somasekharam P	IOSR -JDMS. 2015; 14(4):110-117	Anaesthesia
7	Intravenous paracetamol as an adjunctive analgesic in post-operative pain management after total abdominal hysterectomy.	Sujatha M P, Nataraj M S, Kailasnath S, Ravi M	IOSR-JDMS. 2015;14 (4): 88-92	Anaesthesia
8	Placebo controlled comparative study of efficacy of Diclofenac and Ketoprofen transdermal patches in attenuating intravenous cannulation pain.	Archana R, Krishna Kumar B R, Ravi M, Dinesh K	IOSR-JDMS. 2015; 14(3): 111-114	Anaesthesia
9	A comparative study of intrathecal Dexmedetomidine 10mcg and Fentanyl as adjuvants to 0.5% hyperbaric Bupivacaine in spinal anaesthesia with a control group.	Harish B G, Somasekharam P, Ravi M, Dinesh K	IOSR-JDMS. 2015;14 (3):108-115	Anaesthesia
10	Comparison of Dexmedetomidine and Clonidine as adjuvant to Ropivacaine in Supraclavicular brachial plexus nerve blocks.	Don Sebastian, Ravi M, Dinesh K, Somasekharam P	IOSR-JDMS. 2015; 14(3); 91-97	Anaesthesia

11	A Comparative study of Phenylephrine, Ephedrine and Mephentermine for maintainance of arterial pressure during spinal anaesthesia in caesarean section.	Sushree Das, Somasekharam P, Ravi M, Dinesh K	IOSR-JDMS. 2015; 14(1);80-85	Anaesthesia
12	A comparative study of Ondansetron with Dexamethasone and Granisetron with Dexamethasone for prevention of post-operative nausea and vomiting following abdominal surgeries under general anaesthesia.	Rakesh Bendre, Dinesh K, Somasekharam P, Ravi M	WJPPS. 2015; 4(3):605-620	Anaesthesia
13	Anesthetic management of a patient with ischemic heart disease posted for open reduction internal fixation of the upper limb.	Rajendra N, Ravi M	Karnataka Anaesth J 2015;1(2):69-71	Anaesthesia

15	Pre-treatment with different concentrations of Lignocaine for alleviation of pain with Propofol Injection	Ravi M, Sujatha M P, Dinesh K, Supriya T C, Nitin R R	AJMR2015;1(7):17-20.	Anaesthesia
16	Effect of intravenous Dexmedetomidine on prolongation of Intrathecal spinal anaesthesia with 0.5% hyberbaric Bupivacaine	Nikhila R, Nachiketha Rao K, Ravi M, Dinesh K	IOSR-JDMS 2015; 14(11):58-64.	Anaesthesia
17	A comparative study of epidural Ropivacaine 0.75% alone with Ropivacaine plus Fentanyl and Ropivacaine plus Clonidine for lower abdominal and lower limb surgeries.	Sindhu B S, Dinesh K, Ravi M Somasekharam P	IOSR-JDMS 2015; 14(12):19-26.	Anaesthesia

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS

a. Faculty:

- Dr. Dinesh K and Dr. Ravi M were certified as BLS and ACLS Instructors by American Heart Association (AHA) at a workshop conducted at St John's Medical College and Hospital, Bangalore in December 2015.

b. Postgraduates:

- Dr. Harish B G was awarded Gold Medal in MD Anaesthesia examination conducted by SDUAHER in 2015-16
- Dr. Priyanka K J was awarded Gold Medal in Diploma Anaesthesia examination conducted by SDUAHER in 2015-16.

DEPARTMENT OF DERMATOLOGY, VENERELOGY & LEPROSY

VISION

To become a Centre of excellence in clinical dermatology, research and training for the region.

INTRODUCTION

The Dept of Dermatology was started in the year 1988. Post graduate course in MD Dermatology was started in the year 1998 with one admission per year and subsequently in the year 2010 admissions were increased to two MDs and one Diploma per annum. The Dept of Dermatology is presently headed by Dr. Rajashekar. T. S. The Dept renders specialized care in cutaneous diseases to the rural population of Kolar and surrounding districts. Dept is also actively engaged in both undergraduate and postgraduate teaching and pursuing research and publication activities. The Dept has subspecialty clinics viz. STD, Leprosy, Contact dermatitis and Pigmentary clinics and has procured equipments for various dermatosurgical and cosmetic care procedures.

The department offers the following speciality services:

- Sexually transmitted disease clinic
- Leprosy clinic
- Pigmentary disorder clinic with Photo-therapy facility
- Contact dermatitis clinic
- Minor OT facilities for procedures like skin biopsy, cautery, chemical peeling and other skin Surgeries (Vitiligo surgery, acne surgery)

THRUST AREAS IDENTIFIED

- Contact dermatitis
- Pigmentary disorders
- Cutaneous lesions over diaper area
- Seborrheic keratoses
- Genetics of Psoriasis and Vitiligo

TEACHING FACULTY

Sitting from L to R: Dr. Sathish. S, Dr. Rajashekar T.S, Dr. Suresh Kumar K

Standing from L to R : Dr Shruthi Madhavi.G, Dr Priya Prem, Dr Neel.B.Patel, Dr Niva.T.Muni, Dr Amulya Ramamurthy, Dr Jameema. Cornelli Peter

SL No	Name	Designation
1	Dr. Rajashekar T.S	Professor & HoD
2	Dr. Sathish S	Assistant Professor
3	Dr. Suresh Kumar K	Senior Resident/ Lecturer
4	Dr Soumya Soragavi	Junior resident
5	Dr Keerthi.C	Junior resident
6	Dr Niva.T.Muni	Junior resident
7	Dr Jameema.Cornelli Peter	Junior resident
8	Dr Amulya Ramamurthy	Junior resident
9	Dr Shruthi Madhavi.G	Junior resident
10	Dr Priya Prem	Junior resident
11	Dr Neel.B.Patel	Junior resident

Details of programmes attended:

Sl.No	Date	CME programmes Attended	Name of the faculty attended
1	9 May 2016	CME on 'LASERS and PRP' held at Kempegowda Institute of Medical Sciences, Bangalore	Dr. Sathish. S
2	1 Aug 2015	CME on 'HANSEN'S DISEASE AND ITS CHALLENGES IN THE 21st CENTURY' held at Father Muller Medical College, Mangalore	Dr. Amulya Ramamurthy Dr. Niva T Muni
3	2 Aug 2015	CME on 'DERMABASICS 2015' held at Father Muller Medical College, Mangalore	Dr. Amulya Ramamurthy Dr. Niva T Muni
4	9 Jan 2016	CME on 'AN UPDATE ON LEPROSY' held at Vydehi Institute of Medical Sciences & Research Centre	Dr. Soumya Soragavi Dr. Bindushree Dr. Jameema Corneli Peter Dr. Amulya Ramamurthy Dr. Niva T Muni

Sl.No	Date	Conferences Attended	Name of the faculty attended
1	22-23 Aug 2015	'Cosmetology conference conducted by CDSI' at Mumbai	Dr. Soumya Soragavi
2	30 Oct-01 Nov 2015	'Dermazone South 2015, 19th conference of IADVL SOUTH ZONE' held at Guntur, Andhra Pradesh	Dr. Bindushree Dr. Keerthi. C

1	A postoperative case of carcinoma erysipeloides arising from ductal carcinoma of the breast	¹ Shankar Sathish, ² Talari Srinivas Rajashekar, ³ Bittanakurike Narasappa Raghavendra, ⁴ Gurumurthy Rajesh	Indian dermatology online journal	Dept of Dermatology

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

1. Dr. Rajashekar. T. S was awarded a certificate of appreciation for being the judge for the award paper session at CUTICON-KN 2015, 6th Annual conference of IADVL, Karnataka held at Davanagere on 28th & 29th November 2015.
2. Dr. Sathish S cleared D.N.B in Dermatology, Venereology & Leprosy conducted by National board of examinations in the year 2015 December session.

DEPARTMENT OF RADIO-DIAGNOSIS

VISION

To be one of the premier academic Radiology programs in India.

INTRODUCTION

Dept of Radio-diagnosis caters to the need of the patients of R.L.Jalappa hospital round the clock. Dept is well equipped with all the modalities including CT, MRI and Mammography. Dept offers services in various medical camps to cater to the needs of rural population. The Dept is actively involved in training of Undergraduate and Postgraduate medical students with MCI recognized Post-graduate degree and diploma courses. Dept also offers BSc course in imaging Technology under SDUAHER.

All the faculty and residents are actively involved in academic activities and attend State/National conferences and CME programmes to keep abreast of the latest developments in the field of radiodiagnosis. Faculty and residents are involved in research and regularly publish in various national and international journals of repute. The department is exploring the possibilities of starting PhD programmes.

The Dept has a well curated museum containing worked up and interesting cases of various systems and a demonstration room containing exhibits. Seminar room is equipped with audiovisual units. Departmental library consists of text books and reference books. Internet facilities are available in the department.

THRUST AREAS IDENTIFIED

- Musculoskeletal Imaging
- Imaging in oncology
- Neuro and spinal imaging
- Imaging in trauma
- Foetal Medicine
- Radiation protection
- Cross sectional body imaging

Details of programmes conducted / attended:

Sl.No	Date	CME programmes Conducted
1	19 Aug 2015	CME on Emergency Radiology
2	8 Nov 2015	World Roentgen day

Sl.No	Date	CME programmes Attended	Name of the faculty attended
1.	25-27 Dec 2015	CME on "Diamond Jubilee Celebration Dec-2015" Held on, BMC & RI, Bangalore	Dr. Purnima Hegde
2.	23 May 2015	Annual CME – 2015IMA CME programme held on at Mysore	Dr. Rache Gowda N

TEACHING FACULTY

Sitting row (L to R) : Dr. Naveen G. Naik, Dr. Aswathnarayan, Dr. Rache Gowda N, Dr. V.Pattabhiraman, Dr. Purnima Hegde, Dr. Anilkumar Sakalecha, Dr. Nabakumar Singh, Dr. Vinay K K.

Standing first row (L to R) Dr. Anil Kumar T R, Dr. Ramya Chandra, Dr. Vaishnavi, Dr. Sahiti Reddy, Dr. Keerti, Dr. Sivateja, Dr. Anusha, Dr. Gowthami, Dr. Ambuj.

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

Dr. Rache Gowda N, was conferred with the Honor of 'Vaidya Rathna' Award by Dr. K.S. Rangappa, Hon'ble Vice Chancellor of Mysore University, on behalf of Mysore Clinical Society (R), on 01 Jul 2015, World Doctors Day.

DEPARTMENT OF RADIOTHERAPY

VISION

- To evolve into a center of excellence for the treatment and research in cancer.
- To promote and evolve the practice of multidisciplinary practice through joint clinical consultations
- To introduce and practice advanced radiotherapy techniques and advanced chemotherapy in synchrony with the present and future developments.

INTRODUCTION

Dept of Radiotherapy and Oncology working in conjunction with other departments is involved in care and treatment of cancer patients.

During the year 2015-16:181 cancer patients were treated with External beam Radiotherapy on Telecobalt machine. Treatment on telecobalt machine has been upgraded from 2 Dimension technique to 2.5 Dimension technique(Virtual simulation). In 2.5 D technique CT scans are used for treatment planning instead of X-rays hence individualization of treatments is possible leading to reduced side effects and accurate treatment delivery.In-house fabrication of treatment accessories such as shoulder retractor and Acrylic

box for blood irradiation. Department offers nearly all types of Brachytherapy services to cancer patients. 49 patients underwent Brachytherapy treatment for various types of malignancies namely cancer of cervix, cancer of esophagus, head and neck tumors and soft tissue sarcomas. 230 patients received chemotherapy for various indications. Most routine and advanced chemo therapies are being administered in our hospital now. Blood irradiation procedure was introduced in the department and two patients have been provided with Irradiated blood for safe transfusion. Follow up services have been strengthened with nearly 400 patient visits in OPD for follow up services after treatment. Palliative and rehabilitation services for the needy patients. Hospital based Cancer Registry has been started and we are contributing information collected from our cancer patients in to National and state wise cancer statistics being compiled by ICMR.

THRUST AREAS IDENTIFIED

- To upgrade the radiotherapy facility available at present in the department from 2.5-Dimensional treatments to 3-Dimensional treatments by acquisition of Linear accelerator equipped with IMRT & IGRT facility.

- Establishment and following standard operating procedures (SOP) in the Dept of Radiotherapy.
- Research into mitigation of side effects of cancer treatment especially Head and Neck cancer patients.
- Promotion of Screening services for early detection of commonly reported viz. cancers. Most important being cancer cervix, cancer breast & oral cavity tumors.

TEACHING FACULTY

SL No	Name of consultant	Designation	Specialization
1	Dr. Gopinath KS	Professor	Surgical Oncology
2	Dr. Santosh D	Assistant Professor	Radiation Oncology
3	Dr. Sampath kumar	Visiting Consultant	Medical Oncology
4	Dr. Manjunath GN	Assistant Professor	Radiation Oncology

Details of programmes attended :

SL.No	CME programmes attended	Name of the faculty attended
1.	Amrita Head and neck specialties meet. 5 & 6 Feb 2016	Dr Manjunath GN
2.	Head and neck surgery 4,5 & 6 March 2016	Dr Manjunath GN Dr Santosh D Dr Sampath Kumar Dr Gopinath
3.	Infertility : Recent diagnostics and research trends	Dr Manjunath GN (As speaker)
4.	CME & Update	Dr Santosh
5.	Oncology Update : Basaveshwara Medical college and Research centre	Dr Santosh

SL.No	Conferences Attended	Name of the faculty attended
1	American society of clinical Oncology	Dr Sampath Kumar
2	European society of Medical oncology	Dr Sampath Kumar

Sl.No	Workshops Attended	Name of the faculty attended
1.	Cadaveric Brachytherapy Hands on workshop on Head and neck and Gynaecological workshop at MS Ramaiah Medical College, Bangalore	Dr Manjunath GN

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

Dr Manjunath GN : IMRT/IGRT fellowship from Tata medical centre, Mumbai.

DEPARTMENT OF GENERAL SURGERY

VISION

- Our vision is to excel in the field of teaching, learning, research and innovative clinical practices in General Surgery.

INTRODUCTION

Dept of General Surgery was started in the year 1988 under the guidance of Dr.T.D.Srinivasan. Initially started with 250 beds, it has grown tremendously for past few years with the bed strength of 1050 at present.

The Dept is well equipped with adequate staff, faculty and equipment and is capable of handling all types of procedures.

The services offered are Specialities like

- Urology.
- Neurosurgery

- Oncology
- Radiotherapy
- Plastic Surgery
- Paediatric Surgery.

Basic laparoscopic surgeries are performed and endoscopy facilities are available.

Dept of surgery has extended its social service to rural population by health camps, and various services like NSS activities, AIDS awareness program

THRUST AREAS IDENTIFIED

- Breast Cancer
- Deep Vein Thrombosis
- Post-operative Surgical Site Infections.
- Polytrauma & Blunt Trauma Abdomen
- Chronic Ulcers Of The Foot

DEPARTMENT OF ORTHOPAEDICS

VISION

To provide the best musculoskeletal care to the patients and to create disability free society

INTRODUCTION

The Dept of Orthopedics was established at Sri R. L.Jalappa Hospital in 1986.The Dept has progressed well from its initial stages.It has 3 Unitsand eachis headed by a Professor. The consultants have good teaching and clinical experience. Each Unit has 3 OP days and 3 OT days per week.The OP strength is around 140-150 per day. Orthopedics wards have a total bed strength of 100 and an occupancy rate of 75-80 %. 10-15 Major and Minor surgeries are carried out regularly.

The academic activities are also carried out for U.G & P.G. students. Regular Clinical Case Demonstrations,Theory classes, Tutorials and Seminars are held for undergraduates. Regular daily Audit,Seminar, Journal club, Clinical case presentations, Video demonstration of are surgeries and clinic-radiological demonstrations are carried out for post graduates. Post graduates also actively take part in PG Symposium, CPC (Clinico pathological case discussions), Mortality meeting are being conducted in integration with various relevant departments. Both postgraduates and undergraduates take part in workshops, CME's, Guest Lectures and other academic activities conducted by this Dept as well as those conducted by other Depts. The result of last P.G. Exam was 100%.

Operative procedures have improved from general orthopedic surgeries to sub specialty surgeries in arthroscopic, spine stabilization, pelvic and acetabular fracture stabilization and arthroplasty procedures. The Dept has got all emergency facilities to manage any polytrauma case.

THRUST AREAS IDENTIFIED

- Anterior & Posterior Cruciate Ligament Reconstruction
- Total Hip Replacement
- Total Knee Replacement
- Pelvis & Acetabular Surgeries
- Paediatric Orthopaedics

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

- Dr. Hariprasad. S, Asst.Professor, persued fellowship in Adult Knee Reconstruction Surgery and Sports Medicine at Medantha-The Medicity, New Delhi.
- Dr. Prabhu. E Asst. Professor, pursued Fellowship in Joint Replacement. Chunchon Sacred Heart Hospital, Hallym University, South Korea.

DEPARTMENT OF OPHTHALMOLOGY

VISION

- To excel through compassion and technical competence.

INTRODUCTION

The Dept offers quality out-patient and in-patient services. The OPD has all necessary equipments like Auto refractometer, Keratometer, A-scan, Slit lamp biomicroscopes, Humphrey Field Analyser, Synaptophore, ultrasound B-scan, Fundus camera, Diode and Nd-Yag laser to provide comprehensive eye care to the Community. The Dept has sub- specialties like Cornea, Glaucoma, Squint, Retina, Oculoplasty and Contact lens clinic with Eye bank services. Operation theatre is well equipped with state of art equipment like Ziess operating microscopes with CCTV, Visalis 100 version 2 Phacoemulsification and Vitrectomy machine. To improve the knowledge and skill of students museum, skill lab and wet lab are updated periodically.

Outreach programmes like free cataract surgery, diabetic retinopathy and school children screening camps are conducted regularly.

THRUST AREAS IDENTIFIED

- Community Ophthalmology.
- Cataract surgery.
- Glaucoma.

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

Dr. Sangeetha. T completed her fellowship in Photorefractive surgeries (RGUHS) in Nethradhama Superspeciality Eye Hospital, Bengaluru.

b. Postgraduates:

Dr. Dilip Kumar. K was awarded first prize in PG Lecture Competition on "Retinopathy of Prematurity-Management" in IFOCUS conducted at Mumbai on 6th January 2016.

DEPARTMENT OF OBSTETRICS AND GYNECOLOGY

VISION

To be a Dept of excellence by striving hard to provide high quality and innovative healthcare for women by advancing knowledge through excellence and research, quality education and training of the healthcare professionals.

INTRODUCTION

The Dept. of Obstetrics and Gynecology, a constituent department of Sri Devaraj Urs Medical College is striving hard to offer quality care to the patient and quality education to student through a dedicated team of the faculty members. Dept of OBG started functioning in the year 1986-87. It caters to the rural population in and around Kolar district. A team of expert specialists in the field of obstetrics & gynecology provide emergency Obstetrics care all round the clock to the mothers who are referred in critical condition. The Dept has sub specialty clinics like infertility, gynecology and high risk pregnancy clinic Dept provides free counseling and testing for HIV infected persons and simultaneously providing anti-retroviral therapy to mother and newborn tested positive, through VTCT (AIDS/HIV detection for prevention of parent to child transmission) center which is attached to the Obstetrics and Gynecology department. The Dept is well equipped to impart a quality patient care. The faculty are encouraged to undergo training in various subspecialties

The Dept has been actively involved in teaching and training of undergraduate student since the day of its inception in 1986 and post graduate training since 1996. At present every year Dept admits 6 candidates for postgraduate degree course and 3 candidates for postgraduate Diploma course. All postgraduates are trained rigorously in clinical work, patient care as well as research work. They are encouraged to publish their research in various journals. The faculty members and postgraduate students of the Dept are encouraged

to actively participate and attend CME, workshops, conferences and seminars etc. The Dept is involved in training of Medical Officers in the MCH programme since 2008. The Dept is extending its outreach services to rural population through regular camps conducted once/twice a month at PHCs adopted by Sri Devaraj Urs Medical College viz. Devrayasamundra, Sugutur and Vemgal and also other regular health camps conducted in rural areas.

DEPARTMENT OF UROLOGY

VISION

- To create a Dept of International Standards in patient care, research and urology training.
- To make the Dept "state of the art" Centre for all activities connected with urology.

INTRODUCTION

The Dept of Urology was started in the year 2001. Since its inception the Dept is fully active in providing advanced tertiary care to urology patient.

It is one of the busiest Depts in the hospital performing about 50 surgeries per month. The Dept is now well equipped with modern endoscopic gadgets like flexible ureteroscopy, LASERS , laparoscopy and open surgery ready to start super specialist four year residency programme from 2014-15. Facilities like ESWL & Urodynamic available

Facilities available:

Out - Patient Dept: Four days a week from 8.30AM to 4.30PM. Remaining Three days OT days. The Department conducts Andrology clinic and male Infertility clinic once a week

Inpatient Care:

General ward: Separate male and female urology wards with a bed strength of 20 are available with an occupancy rate of more than 90%.

Special rooms are also available.

POSTOPERATIVE WARD / SURGICAL ICU

Operation Theater

Operations are performed on three working days in 2 theaters.

Emergency care

Round the clock emergency care is provided in coordination with the emergency and surgical department of hospital.

THRUST AREAS IDENTIFIED

- Genito- urinary fistulae
- Reconstructive urology: Urethroplasty
- Laparoscopic & Endo –urology
- Lithotripsy (ESWL)

DEPARTMENT OF PSYCHIATRY

VISION

To be a state-of-art Psychiatric facility in Kolar providing education, service and conducting research and catering to the needs of the community in and around Kolar district

INTRODUCTION

The Department of Psychiatry was established in 1994 with Dr. K.N Srinivas as the Head of the

Department. Initially the Department offered basic psychiatric services for the needy patients. In July 2001, Dr. Nagendran S took over the charge as Professor and HoD of the Department. During his tenure, a separate Psychiatric ward was established with 15 beds.

In February 2013, Dr. Mohan Reddy took over the responsibilities as the Head of the Department. Under his aegis modified ECT's and psychometric assessments were provided for the patients. The Department has a steady flow of outpatient-inpatients with more psychotherapies and counselling sessions. The

Department has the objective of starting postgraduate MD Psychiatry course shortly. The Department runs specialty clinics like Child guidance clinic, Geriatric clinic, etc.

DEPARTMENT OF PAEDIATRICS

VISION

- To be one of the best academic centres of Pediatrics
- Compassionate care and just not cure is the motto of Pediatric Department

INTRODUCTION

The department of Pediatrics comprising of three units – The general pediatric units in R.L.Jalappa was established in 1987. The department has developed over a period of years and is known for being compassionate to children and their parents, paying attention to holistic development of a child, updating and using the latest developments in the field, so much so that difficult cases from other places in and around Kolar district are referred to the department. Apart from diagnosing and treating serious and complicated illnesses, it is working towards increasing the number of preventive and rehabilitative services offered.

- Pediatric ward is 90 bedded with additional 10 beds in PICU and has 8500 admissions per year.
- OPD runs between 8.30 AM and 4.30 PM with 40,000 outpatients per year.
- Neonatal Intensive Care Unit (NICU) is a 25-bedded unit, with around 800 admissions a year

THRUST AREAS IDENTIFIED

- Retinopathy Of Prematurity screening in newborn
- Vitamin D supplementation and Micronutrient fortification for Immunity Status
- Molecular studies in congenital malformations
- Educational research -360 degree evaluation of interns

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

- **Faculty** – Dr. K N V Prasad, Prof & HOD – Fellowship In Medical Education (FIME 2015 batch) offered by Medical Council of India.

DEPARTMENT OF OTORHINOLARYNGOLOGY

VISION

- To be one of the best academic centres of Otorhinolaryngology, Head & Neck Surgery that imparts knowledge and surgical training in the field.

INTRODUCTION

ENT has emerged as a vital specialized branch that deals with the Surgical and Medical care of patients irrespective of the demographic variations. The field of ENT has diversified enormously with the advent of sophisticated instruments and improved imaging techniques.

Compassionate care and not just cure is the motto of ENT Dept. It comprises of two units – one general ENT unit and one unit for Head & Neck oncosurgery. This Dept was established in 1986 and has developed over a period of years and is known for being compassionate, attentive and empathetic. Dept is constantly updating the latest developments in the field, so much so that difficult cases from other places in and around Kolar district as well as from the neighboring states are referred here. Apart from diagnosing and treating serious and complicated illnesses, it is working towards increasing the number of preventive and rehabilitative services offered.

Post graduate courses were started in the year 1997. There is an annual intake of four MS ENT students and two DLO students. The Dept has also been conducting a two year Post Doctoral Fellowship Course in Head & Neck Oncosurgery. ENT ward is 60 bedded with constant bed occupancy rate of over 80%.

OPD runs between 8.30 AM to 4.30 PM with emergency treatment round the clock.

THRUST AREAS IDENTIFIED

- To develop excellence in head and neck cancer surgeries.
- To tie up with molecular scientists and thereby develop a link between pure science and head and neck surgical oncology.
- To develop expertise in microvascular reconstruction and LASER surgeries.
- To ensure that all faculty members are specialized in at least one sub specialty by deputing them for training at premier institutions in the country/abroad.

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

a. Faculty:

Dr. Lakshmi Narayana, Sr. Resident, ENT bagged “ Dr. Singari Prabhakar Gold Medal” for best presentation by Junior Consultants at APAOI Annual Conference held at Tirupati for the year 2015.

b. Postgraduates:

Dr. Harshita T.R- SDUAHER Gold Medal in Surgery & Allied (MS) in 2015.

DEPARTMENT OF DENTISTRY

VISION

- To provide the best work place in alleviating human oral suffering
- To be efficient, effective, community acceptable and excel in our service rendered.

INTRODUCTION

The Department was established in the year 1996 under the able guidance of Dr.Girish Sharma. The Department plays an important role in society as a provider of preventive, restorative and curative clinical services i.e., comprehensive care to the public at large. Urbanization, increasing levels of education and standard of living and better health consciousness are bound to make Dental Department an important discipline in medical college.

Under the above guidelines, the main motto of the Department of Dentistry is “Oral health for a wholesome health”. This is spread to the masses by means of well-organized school and Community Dental Health education programs. All the above activities help in creating awareness among the rural population.

This has all the potential to change the very scenario of dentistry and oral health status for the good.

UNIVERSITY DEPARTMENT OF MEDICAL EDUCATION

VISION

- To offer High Quality Faculty Development Programs
- High Quality Medical Education at Sri Devaraj Urs Medical College

INTRODUCTION

Faculty development in medical education is gaining momentum in India. Medical teachers are the architects and builders of students' behaviour using

a standard curriculum. They are also the curricular developers and transactors and thus have a pivotal role in shaping the future medical students. An 'effective' teacher will be one who is 'competent' (has knowledge and skill) and is a 'performer' (can use knowledge and skill in a classroom) to accomplish 'teacher goal'. The Medical Education Unit was established in order to strengthen the quality of medical education delivered.

The Medical Education Unit was established in 1997 with Dr. N. Shantharam in-charge of the Unit. It was upgraded to a full fledged department- "University Department of Medical Education" in June 2014. Dr. Sarala N is the current Director of the Department.

Sitting L to R: Dr. Muninarayana C, Dr. Vinutha Shankar M S, Dr. Lakshmaiah V, Dr. Harendra Kumar M L, Dr. Sarala N, Dr. S R Prasad and Dr. K N V Prasad

Standing L to R: Dr. Sudha Reddy V R, Dr. Mona Nongmeikapam, Dr. M Mohan Reddy, Dr. T N Suresh, Dr. Geetha S and Dr. Prasanna Kamath B T

Conference attended : 01 (Participants - 08) 02 (As a Panelist / Chairperson)

Sl.No	Date (s)	Conferences	Name of the Faculty Attended
1	27th -28th Feb 2016	National Conference in Medical Education, JSS Medical College, Mysuru	Dr. Sarala N Dr. Vinutha Shankar M S Dr. Suresh T N Dr. Geetha S Dr. Venkateshu K V Dr. Shashidhar Dr. Ashwini N S Dr. Bhuvana K

Workshop Conducted :

Sl.No	Date	Activity
1	26th May 2015	Workshop on Microteaching for PGs (MD/MS 2014-15 batch)
2	27th July 2015	Orientation Programme for PGs 2015-16 batch
3	28th-29th July 2015	Research Methodology Workshop for PGs (MD/MS) 2015-16 batch
4	21st-22nd Aug 2015 & 24th-27th Aug 2015	Foundation Course for I MBBS Students 2015-16 batch
5	2nd Sept 2015	Orientation Course for II MBBS Students 2014-15 batch
6	11th Nov 2015	<u>National Education Day</u> Guest Lecture on “Skill Awareness & Empowerment” on the occasion of Birth Anniversary of Bharat Rathna Maulana Abul Kalam Azad, By- Sri Sathya Prakash, Educationist, Bangalore
7	2nd Dec 2015	Workshop on Research Methodology for Undergraduates at Oxford Medical College, Hospital & Research Center, Bangalore. Resource persons: Dr. Sarala N, Dr. Vinutha Shankar M S and Dr. Mahesh V
8	10th Mar 2016	Orientation Course for fresh Interns (March 2016 batch)

Sl.No	Dates	Workshop Attended	Name of the faculty attended
1	17th-19th April 2015	2nd Contact session of the MCI Advance Course in Medical Education at St. John's Medical College (MCI-RC), Bangalore	Dr. Suresh T N Dr. Sudha Reddy V R
2	25th-28th Aug 2015	Sensitization programme of AT-COM Module and Revised Basic Course Workshop at St. John's Medical College MCI Nodal Centre, Bangalore	Dr. Sarala N Dr. K N V Prasad
3	21st-26th Sept 2015	73rd National Course on Educational Sciences for Teachers of Health Professionals at JIPMER, Puducherry	Dr. Mona Nongmeikapam
4	13th-17th Oct 2015	1st Contact programme Fellowship in Medical Education (FIME) at St. John's Medical College MCI- Regional Center, Bangalore	Dr. K N V Prasad Dr. Prasanna Kamath B T
5	16th Dec 2015	Observer for Revised Basic Course Workshop at St. John's Medical College MCI Nodal Centre for Medical Education, Bangalore	Dr. Sudha Reddy V R
6	16th-18th Dec 2015	Revised Basic Course Workshop in Medical Education Technology at St. John's Medical College MCI Nodal Centre, Bangalore	Dr. Mona Nongmeikapam

7	8th-13th Feb 2016	74th National Course on Educational Sciences for Teachers of Health Professionals at JIPMER, Puducherry	Dr. Ananta Bhattacharyya Dr. Sujatha M P
8	26th Feb 2016	Pre Conference Workshop ICT enabled teaching at National Conference in Medical Education, JSS Medical College, Mysuru	Dr. Suresh T N
9	26th Feb 2016	Pre Conference Workshop 1. Educational Research I – Fundamentals 2. Ethics in Medical Education at National Conference in Medical Education, JSS Medical College, Mysuru	Dr. Shashidhar K
10	21st – 24th Mar 2016	Sensitization programme of AT-COM Module and Revised Basic Course Workshop at St. John's Medical College MCI Nodal Centre, Bangalore	Dr. Vinutha Shankar M S Dr. Muninarayana C

Paper Presented: Poster Presentation

Sl.No	Dates	Conference	Name of the faculty attended
1	27th-28th Feb 2016	National Conference in Medical Education, JSS Medical College, Mysuru Perception of Medical interns towards the skills acquired	Dr. Sarala N
2	27th-28th Feb 2016	National Conference in Medical Education, JSS Medical College, Mysuru Student and faculty perception regarding open book tests in Physiology	Dr. Vinutha Shankar M S
3	27th-28th Feb 2016	National Conference in Medical Education, JSS Medical College, Mysuru Knowledge, attitude and practice of specific learning objective among Teaching Medical faculty	Dr. Suresh T N
4	27th-28th Feb 2016	National Conference in Medical Education, JSS Medical College, Mysuru Perception and attitude of students regarding part completion tests (PCT)	Dr. Bhuvana K

Research Projects (Completed):

Sl. No	Project No.	Title of the Research Project	Principal investigator	Department
1	E/C No. 53/2013-14	Mini clinical exercise evaluation (Mini Cex): students and faculty members perception	Dr. Sudha Reddy V R	Paediatrics
2	E/C No. 54/2013-14	Knowledge, attitude and practice of specific learning objectives among Teaching Medical faculty	Dr. T N Suresh	Pathology
3	E/C No. 68/2014-15	Breaking bad news an experience among health professionals	Ms. Megha Mohan Ms. Manpreet Kaur Dr. Sarala N	Pharmacology
4	E/C No. 60/2014-15	Perception of Medical interns towards the skills acquired	Dr. Meenakshi Lella	Pharmacology

5	E/C No. 80/2015-16	Problem Based Learning (PBL) as the tool for comprehensive learning of communicable and non-communicable diseases by the students of 6th term students of MBBS	Dr. Prasanna Kamath B T	Community Medicine
6	E/C No. 152/2015-16	1 “3600/Multisource feedback (MSF) as a tool for assessment and improvement of Intern’s performance – An interventional Study	Dr. K N V Prasad	Paediatrics
7	E/C No. 09/2015-16	Perception and attitude of students regarding part completion tests (PCT)	Dr. Bhuvana K	Pharmacology
8	E/C No. 174/2015-16	Student and faculty perception regarding open book tests in Physiology	Dr. Vinutha Shankar M S	Physiology

Research Projects (On-going):

Sl. No	Project No.	Title of the Research Project	Principal investigator	Department
1	E/C No. 24/2014-15	Is computer assisted learning superior to the conventional methods in understanding the principles of blood grouping?	Dr. Geetha S	Physiology
2	E/C No. 42/2015-16	Mind mapping as learning tool in anatomy for undergraduates	Dr. Vinay Kulkarni Dr. Shashidhar K Dr. Venkateshu K V	Anatomy
3	E/C No. 31/2016-17	Objective structured practical examination (OSPE) as a tool for formative assessment in Community Medicine	Dr. Muninarayana C	Community Medicine
4	E/C No. 34/2016-17	Effectiveness of using video-assisted teaching compared to traditional didactic lectures in teaching psychiatry amongst undergraduates	Dr. Mona Nangmeikapam	Psychiatry

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

Faculty:

- Dr. Suresh T N and Dr. Sudha Reddy V R were awarded Fellowship in Medical Education (FIME) from St. John’s Medical College, MCI- Regional Center, Bangalore
- Dr. Sarala N was panelist for “Enhanced role of MEU- Translation from just workshop to Practice” at National Conference in Medical Education, JSS Medical College, Mysuru from 27-28 Feb 2016
- Dr. Vinutha Shankar M S, was a Chairperson at National Conference in Medical Education, JSS Medical College, Mysuru from 27-28 Feb 2016.

DEPARTMENT OF ALLIED HEALTH SCIENCES

VISION

- Honing skills of allied health care professionals for healthy humanity

INTRODUCTION

The Dept of Allied Health Sciences (AHS) was established in the year 2010 as a new initiative to provide courses of vocational nature. The primary focus is to prepare Allied Health Professionals to perform for the wellbeing of the mankind with commitment and dedication. The department aims to become a leader in Allied Health Sciences education and continues to grow and expand its activities.

The Dept offers six Post Graduate degree, two Post Graduate Diploma, five Under Graduate and three Certificate programmes besides Ph.D. and M.Phil programmes under the Faculty of Allied Health Sciences on obtaining academic and administrative approval from the Academy.

The Dept has a total strength of 245 students that consists of 231 students in B.Sc. Allied Health Sciences, 4 in M.Sc. Medical Laboratory Technology and 10 students in Bachelor of Physiotherapy. In addition, the Dept has established a Self Financing Unit (SFU) of NSS with requisite infrastructure.

THRUST AREAS IDENTIFIED

- Proteins isolation, Purification and Characterization
- Enzymology
- Oxidative stress and antioxidants research in Preeclampsia
- Research on new markers in Preeclampsia

TEACHING FACULTY

SL No	Name	Designation
1.	Dr. A.V.M. Kutty	Dean
2.	Dr. C. D. Dayanand.	Co-ordinator & Head
3.	Miss I. Mary Shobha Rani	Research Assistant
4.	Dr Kavitha Rani	Physiotherapist
5.	Mr Saravanan	Physiotherapist
6.	Mr. Suresh/Dr. Vinay Kulkarni	Lecturer, Anatomy
7.	Mrs. Usha G Shenoy	Lecturer, Physiology
8.	Dr. Geetha	Assistant Professor, Physiology
9.	Mrs. Mamatha Kundar	Lecturer, Biochemistry
10.	Dr. Mamatha Kale	Assistant Professor, Microbiology
11.	Dr Savitha	Assistant Professor, Microbiology
12.	Dr. Swaroop Raj	Assistant Professor, Pathology
13.	Dr Hemalatha	Associate Professor, Pathology
14.	Dr. Shivarajan	Assistant Professor, Radiotherapy
15.	Dr Nabakumar singh	Associate Professor, Radiodiagnosis
16.	Dr. Anand Thalikota	Professor, Anesthesiology
17.	Dr Kiran	Associate Professor, Anesthesiology
18.	Dr. Jaykumar J.K	Assistant professor, Pharmacology
19.	Dr. Usha	Associate Professor, Ophthalmology
20.	Dr Raghavendra Prasad	Professor, Medicine
21.	Mr. N.S. Murthy.	Course Coordinator of Application Technology

Details of programmes conducted / attended:

Sl.No	Date	Conferences Attended	Name of the Faculty Attended
1	16-26 Nov 2015	2nd International Scientific e-Conference 2015 conducted by Texila American University.	Dr. C. D. Dayanand

Sl.No	Date	Papers presented : oral presentation	Name of the faculty Attended
1	2-3 Mar 2016	"Is Pongamia pinnata Linn- A conventional plant has inhibitory effect on Clinical pathogens "in South Zone Regional Student Research Convention-Anveshan held at Sri Sankaracharya University of Sanskrit, Kalady, Kerala.	Mary Shobha Rani Inala

Research Projects (Completed):

Sl. No	Project No.	Title of the Research Project	Principal investigator & department
1		Antibacterial activity of flavonoids extracted from seeds of pongamia pinnata linn on Methicillin Resistant Staphylococcus Aureus".	Mary Shobha Rani, Dr C.D.Dayanand, Dr P.M. Beena, Dr AVM Kutty.

Research Projects (On going):

Sl. No	Project No.	Title of the Research Project	Principal investigator & department
1		Add on biochemical markers of endothelial dysfunction in type 2 diabetes patients with and without clinical complications- A biochemical evaluation	Dr. Mamatha Kunder, Dr. C.D.Dayanand Dr. AVM Kutty
2		Evaluation of Bactericidal effect of Karanjin isolated from Pongamia Pinnata seed comparison with Vancomycin against MRSA.	Mary Shobha Rani.I, Dr. C.D.Dayanand, Dr Beena PM, Dr AVM. Kutty
3		Evaluation of antibacterial activity of flavonoids on Multi drug resistant gram negative bacteria.	Mary Shobha Rani.I, Dr CD Dayanand, Dr Beena PM, Dr AVM. Kutty

MD/MS Dissertations / Ph.D. Thesis (topics given during 2015-16 batch)

Sl. No	Name of the student	Guide	Co-guide (if any)	Topic
1	Dr Shilpa	Dr. Munikrishna	Dr. C.D.Dayanand	Serum Vitamin D levels in term pregnancy

Publications : Published

Sl. No	Title of the paper	Authors	Journal	Department
1	Maternal thyroid hormones and atherogenic potency in preeclampsia in Kolar	Dr. Aparna, C.D.Dayanand, S.R.Sheela,	British Journal of Medicine & Medical Research 2015:10(4): 1-8.	Allied health Sciences
2	Evidence of antibacterial activity by flavonoids isolated from seeds of Pongamia Pinnata Linn on Methicillin Resistant Staphylococcus Aureus from the clinical isolates.	Miss. Mary Shobha Rani.I, C.D. Dayanand, P.M.Beena, AVM Kutty	British Microbiology Research Journal. 2015: 10(1): 1-8.	Allied Health Sciences

3	Is Xanthine Oxidase, a marker in preeclampsia? A case-control study.	Mrs. Vanishree Bamabrana, Dr. C.D. Dayanand Dr. Pushpa kotur	Journal of Clinical and Diagnostic Research. 2015: 9(10):1-3.	Biochemistry & Allied Health Sciences
4	Is Ischemia modified Albumin is a marker in Preeclampsia? A case control study in Kolar population south west of India.	Dr. C.D. Dayanand, Mrs. Vanishree Bambrana, Miss. Mary Shobha Rani	American Journal of Pharmacy and Health Research. 2015:3(6): 85-90	Biochemistry and Allied Health Sciences

Publications (April 2015 to March 2016): Accepted for Publication

Sl. No	Title of the paper	Authors	Journal	Department
1	Relationship between plasma elastase, phospholipase A2 and high sensitivity C - reactive protein in non Pregnants, pre and post-partum of normal Pregnants and preeclampsia.	Mrs. Vanishree Bambrana, Dr. CD Dayanand, Dr. SR Sheela	Asian Journal of Pharmeceutical and clinical research. (Accepted for publication 2017; 10:1.)	Biochemistry and Allied Health Sciences

RESEARCH AND DEVELOPMENT

VISION

- To strive and become an advanced centre for research in medical and allied fields

INTRODUCTION

After the conferment of a Deemed to be University status to Sri Devaraj Urs Academy of Higher Education and Research in 2007, it was necessary to strengthen the area of research to meet and sustain the concept of the university status by way of generating new ideas and knowledge. To achieve this, the Research and Development wing was established in the year 2008 to coordinate all the research related activities of the Academy. Research and Development section identifies and motivates the staff of the Academy to engage in Research and publish the findings in quality national and international journals.

Present Administration :

1. Prof.(Dr.) C.V.Raghuveer – Vice chancellor
2. Dr.A.V.M.Kutty – Registrar and Dean of allied health sciences and R&D.
3. Dr. PR Krishnaswamy – Scientific advisor, SDUAHER
4. Dr.T.N Suresh – Co-ordinator, R&D

In order to accomplish the goal the University has constituted the following committees

1. University Research Committee
2. University Subcommittee for Research
3. Central Ethics Committee
4. Research & Development Committee

The university has a Central Ethics Committee constituted as per Drugs and Cosmetics rules -1945 and is registered with Drug Controller General of India (Notec/425/Inst/KA2013).

THRUST AREAS IDENTIFIED

- Molecular studies in congenital malformation
- Oral cancer research
- Community health research- cervical cancer, fluorosis, health status of gold miners
- Proteomics
- Treatment protocol development in cardiac arrest

Details of programmes conducted :

Sl.No	Workshop Conducted	Resource Persons
1	6th Research Methodology Workshop on 18th and 19th of September 2015. 36 teaching staff of Sri Devaraj Urs Medical College attended the workshop 19.09.2015	<ol style="list-style-type: none"> 1. Dr.PF. Kotur, Honourable Vice Chancellor 2. Dr. TN Suresh Coordinator (R&D) 3. Dr. N Sarala, Prof& HOD of Pharmacology 4. Dr. Satish Ramachandra Rao, Professor, Dept. of cellular Biology & Molecular Genetics. 5. Dr. Ramraj Urs, Director of Library 6. Dr. Muninarayan, Prof. & HOD of Community Medicine 7. Dr. S.R.Prasad, Director of PG 8. Dr. Pushpa Kotur, Professor of OBG
2.	Workshop on "Writing a Scientific article for Publication" on 5/3/2016. 42 teaching staff attended the workshop	<ol style="list-style-type: none"> 1. Dr.PF. Kotur, Honourable Vice Chancellor 2. Dr. SR Prasad. Director of PG studies 3. Dr. Bharath NIMHANS, Bengaluru 4. Dr. Anitha Mahadevan Professor of Neuropathology NIMHANS 5. Dr. Madhuresh Advinus therapeutics, Bengaluru

6th Research Methodology Workshop Inauguration

Workshop on "Writing a Scientific article for Publication"

Ongoing University Funded Research Projects

Sl. No	Project No.	Title of the project	Investigators Detail
1.	SDUAHER/Res. Proj/ 103/2015-16	"Occurrence of mutations in Nuclear Localization Signal motif of TP53 gene in Oral squamous cell carcinoma	Mrs. Deepa Rajesh Research Assistant Dept. Of Cell Biology and Molecular Genetics
2.	SDUAHER/Res. Proj/ 104/2015-16	Screening and molecular characterization of beta-thalassemia in anemic pregnant women."	Dr. Mitesh Shetty Visiting Faculty Research Assistant Dept. Of Cell Biology and Molecular Genetics
3.	SDUAHER/Res. Proj/ 105/2015-16	"Clinical & Microbiological profile of Acute Febrile Illness among Patients attending a Teaching Hospital	Dr.Aravind Natarajan Associate Professor Dept. Of Microbiology
4.	SDUAHER/Res. Proj/ 106/2015-16	Quantitative assessment of interleukin-6 levels in benign, premalignant and malignant lesions of oral cavity	Dr. S.M Azeem Mohiyuddin Professor & HOD Otorhinolaryngology and Head & Neck surgery

5.	SDUAHER/Res. Proj/ 107/2015-16	Utilisation of cancer cervix screening services with /community participation – A randomized community based trial	Dr.B.G.Ranganath Professor of comm.Medicine
6.	SDUAHER/Res. Proj/ 109/2015-16	Effectiveness of functional transparent model of larynx as a teaching and learning media	Dr.Venkateshu.K.V Professor and HOD Department of Anatomy
7.	SDUAHER/Res. Proj/ 108/2015-16	Evaluation of change in threshold of smell perception after tracheostomy.	Dr. S.M Azeem Mohiyuddin Professor & HOD Otorhinolaryngology and Head & Neck surgery
8.	SDUAHER/Res. Proj/ 110/2015-16	Estimation of total sialic acid in serum and urine, and the sialic acid associated with Urinary Tamm-Horsfall Protein in patients across multiple disease conditions and in healthy individuals.	Dr.Satish.P.Ramachandra Rao Assistance Professor Dept. Of Cell Biology and Molecular Genetics
9.	SDUAHER/Res. Proj/ 111/2015-16	“Trabeculectomy and trabecular aspiration to treat pseudo exfoliation glaucoma – a randomized control trial.”	Dr.Usha Professor Dept. Of Ophthalmology
10.	SDUAHER/Res. Proj/ 112/2015-16	“Comparison Of Optical Coherence Tomography And Humphrey Visual Field In Early Glaucoma Diagnosis - Observational Study.”	Dr.Usha Professor Dept. Of Ophthalmology
11.	SDUAHER/Res. Proj/ 113/2015-16	“Effect of heparinized irrigation solution on post- operative inflammation after cataract surgery in Diabetics- A randomized control study.”	Dr.Usha Professor Dept. Of Ophthalmology Tamaka, Kolar - 563 101
12.	SDUAHER/Res. Proj/ 114/2015-16	Perioperative nutrition – Impact on wound healing in head and neck cancer patients.	Dr.Divya Jyothi.N Senior Resident and fellow Cell & MolecularBiology
13.	SDUAHER/Res. Proj/ 115/2015-16	Isolation and characterization of lectin from Eugenia jambolana Lam.	Dr.Kiranmayee.P Scientist D Division of Genomics Dept. Of Cell Biologyand Molecular Genetics
14.	SDUAHER/Res. Proj/ 116/2015-16	Effect of Integrated Yoga in elderly type 2 diabetic with cognitive impairment	Dr. Venkatarathnamma PV Professor Dept. of Medicine, SDUMC, Kolar
15.	SDUAHER/Res. Proj/ 117/2016-17	A randomised controlled clinical trial to assess the efficacy of prior-prepared bed of pure type-1 collagen matrix in receiving in-house cultured keratinocyte autograft.	Dr.S.R.Vijayalakshmi Professor & HOD Dept. of Plastic Surgery

ACHIEVEMENTS / HONORS / AWARDS / FELLOWSHIPS IF ANY DURING THE YEAR

Faculty : Dr. T.N.Suresh, Co- Ordinator (R&D), Professor Of Pathology was awarded as **Best Teacher** by SDUAHER Kolar on 5th September 2015

DEPARTMENT OF CELL BIOLOGY AND MOLECULAR GENETICS

VISION

- Creating Knowledge and Skills in Human Genetics, Cell and Molecular Biology for a Healthy Humanity

INTRODUCTION

The Dept of Cell Biology and Molecular Genetics was established in 2012 under the faculty of Allied Health sciences. The faculty and staff of the Dept are actively involved in the research programmes in the Genomics and Central Research laboratory. The Dept has received recognition from the Dept of Health Research, Ministry of Health and Family Welfare, Govt. of India, through a Grant-in-Aid scheme for training faculty and scientists of Medical Colleges and Research Institutes in the domain of Genetics. The objective of the scheme is to build capability for research in Medical Institutions in India. A sum of Rs. 26.7 lakhs has been awarded for the conducting the programme.

THRUST AREAS IDENTIFIED

A. Genetic Disorders

- Congenital anomalies in newborn
- Congenital ichthyosis
- Cardiac defects in children
- Non-syndromic hearing loss
- Psoriasis
- Beta-Thalassemia

B. Biomarkers

- Urinary markers for kidney function (Exosomes, Proteins, Metabolites)
- Urinary and serum markers for infectious diseases (Dengue, Leptospirosis)
- Urinary, serum and salivary markers for non-infectious diseases (Oral cancer, Preeclampsia)

C. Protein Science and Enzymology

- Triosephosphate Isomerase from *Leptospira interrogans*
- L-Amino Acid Oxidase from *Leptospira interrogans*

D. Cancer Biology and Pharmacogenomics

- Somatic mutations and polymorphisms in oral squamous cell carcinoma
- VKORC1 gene polymorphism and warfarin dosage

FACULTY AND LABORATORY STAFF :

L-R Seated: Dr. Sharath B., Dr. Kiranmayee P., Mrs. Deepa R., Dr. Satish Rao, Mr. Jagadish, Mrs Divya C.

L-R standing: Mr. Srinath, Ms. Nandhini, Mrs. Usha Rani, Mr. Prabhu Das, Mr. Praveen Kumar, Mr. Sudeep N., Ms. Chandrakala, Ms. Mary I. S., Ms. Nithya, Ms. Chaitra C., Mrs. Nagamani, Mrs. Baghyalakshmi

SL No	Name	Designation
1.	Dr. A. V. M. Kutty	Professor
2.	Dr. P. R. Krishnaswamy	Emeritus Professor
3.	Dr. Satish R. Rao	Professor
4.	Dr. Sharath B.	Assistant Professor
5.	Dr. Kiranmayee P.	Scientist D
6.	Dr. Mitesh Shetty	Visiting Faculty
7.	Mrs. Divya Bose	Research Assistant & Ph.D. Scholar
8.	Mr. Vaigundan D.	Research Assistant & Ph.D. Scholar
9.	Mrs. Deepa Rajesh	Research Assistant & Ph.D. Scholar
10.	Ms. Mary Shobha Rani I.	Research Assistant & Ph.D. Scholar
11.	Mr. Jagadish T. V.	Research Assistant & Ph.D. Scholar
12.	Ms. Chandrakala N.	Ph.D Scholar

Details of programmes conducted / attended:

Sl.No	Date	Workshop Conducted
1.	5 Feb-5 Mar2015	'Training Programme on - Techniques in Genetics'

Sl.No	Date	Papers presented : Oral presentation	Name of the faculty Attended
1.	21- 22 Aug 2015	Perspectives on Green Energy, climate change, sustainable development and environment policies Held at Department of Law, Sri Padmavathi Mahila Viswavidyalayam (Women's University), Tirupathi A.P.	Dr. Kiranmayee P.

Research Projects (On going):

Sl. No	Project No.	Title of the Research Project	Principal investigator
1.	Res. Projt # 73/2013-14	Screening of congenital malformations in a tertiary care hospital	Mrs. Divya Bose
2.	Res Projt #66/2013-14	Mutational analysis of autosomal recessive congenital ichthyosis with insights into structural & functional relationship of novel transglytaninase-1 mutations.	Dr P.R.Krishnaswamy Dr Vaigundan D.
3.	Res Projt #67/2013-14	Genomic information driven investigation of nutritional requirement of Leptospira.	Dr.P.R.Krishnaswamy Mr. Vaigundan D
4.	Res. Projt # 97/2014-15	"Evaluation of Polymorphism in TNF- α &CARD-14 genes in Psoriasis"	Mrs. Deepa R.
5.	Res. Projt # 103/2015-16	"To determine the occurrence of mutations in Nuclear Localization Signal motif of TP53 gene in Oral Squamous Cell Carcinoma".	Mrs. Deepa R.
6.	Res. Projt # 104/2015-16	"Screening and molecular characterization of beta-thalassemia in anemic pregnant women"	Mr. Jagadish T. V.
7.	Res. Projt # 115/2015-16	"Isolation & characterization of lectin from Eugenia jambolana Lam".	Dr. Kiranmayee P.

M.Phil. Dissertation/Ph.D. thesis (topics given during 2015-16 Batch)

Sl. No	Name of the student	Guide	Co-guide (if any)	Topic
1.	Mr. Praveen Kumar K. S.	Dr. Satish R. Rao	Dr Prabhakar K.	Evaluation of Association between Uncoupling Protein 3 (UCP3) gene Polymorphism in Obese & Non-Obese Type 2 Diabetes Patients: A tertiary care Hospital based study.
2.	Ms. Chandrakala N.	Dr. Satish R. Rao	Dr. Sheela R.	Identification of Urinary Exosome proteins as biomarkers for Preeclampsia – A study in a tertiary healthcare centre of south India.
3.	Ms. Mary Shobha Rani	Dr Kiranmayee P.	-	In vitro studies to assess the potential bioactivity of quercetin as an anti-bacterial & anti-cancer agent.

Publications : Published

Sl. No	Title of the paper	Authors	Journal	Department
1.	Molecular Delineation of Partial Trisomy 14q and Partial Trisomy 12p in a patient with dysmorphic features, Heart Defect and Developmental Delay. Cytogenetic and Genome Research. (Case Report)	Divya Bose Mitesh Shetty A V M Kutty K S Venkatesh Venkatesh K. Mohamed Aiyaz Sudha N Rao	Cytogenetics & Genome Research	Cell Biology & Molecular Genetics

CENTRE FOR CLINICAL SKILLS AND SIMULATIONS (SKILL LAB)

VISION

- To create a complete medical professional, capable of imparting essential clinical skills to enhance safety during patient care"

INTRODUCTION

Simulation is now rapidly becoming an important and integral adjunct to Medical Education and training. The need to professionalize Medical Education and training has seen the advent of Medical Simulators and Manikins as a preferred choice for training. Simulation has made it possible for an Apprentice to acquire, practice and become proficient on demand, besides meeting the critical requirements of various clinical competencies. The new state of art "Centre for Clinical Skills & Simulations (CCSS) was established with built in an area of 3500 Sq. feet which comprises of Dry / Wet Labs, Conference Halls, models, Simulators

and Endotrainers rooms. The primary focus of this laboratory is to provide training to Undergraduates, Postgraduates, Interns, Nursing Staff, Medical faculty and paramedical personals in various diagnostic and procedural skills with the aid of simulators and manikins.

CPCR programs are being initiated to train interns, post graduates, staff Nurses and paramedical personals, which enable them to apply proper resuscitation methods in practice. CPCR programs are regularly conducted by a team of Anesthesiologists and Intensivists. So far about 2000 participants have undergone training in CPCR.

The Basic surgical skills include, suturing and knotting techniques, various procedural skills and training on Endotrainers to develop laparoscopic skills

This laboratory caters to the needs of all the clinical departments. The monitoring committee headed by Prof. A. Bhaskaran, Vice Principal consists of all the Heads of the Departments and other enthusiastic faculty members.

CENTRE FOR CLINICAL SKILLS & SIMULATIONS MONITORING COMMITTEE – AUGUST 2015

PG COURSES	UG COURSES
I. Suturing and knotting. II. Laparoscopic Skills. III. Intestinal/vascular anastomosis. IV. Tendon repair. V. Principles of fracture fixation. VI. Neonatal resuscitation. VII. Optical functions of the eye. VIII. Otoscopy/laryngoscopy/rhinology	i. Catheterization. ii. Abdominal/thoracic paracentesis. iii. Endotracheal/Nasogastric intubation. iv. Suturing and knotting. v. CVP/chest tube insertion. vi. CPR Training. vii. Labour techniques.

TEACHING FACULTY

Sitting (L to R): Dr. Ramesh Babu Homanna Javali, Dr. K.N.V. Prasad, Dr. K. Dinesh, Dr. K. Mohan Kumar, Dr. A. Bhaskaran (Director), Dr. Azeem Mohiyuddin.SM, Dr. K. Prabhakar, Dr. K. Kanthamani, Dr. Pushpa.P. Kotur
Standing (L to R): Dr. K. Munikrishna, Dr. M. Ravi (Secretary), Dr. A. Raveesha, Dr. H.S. Arun, Dr. K.C. Prasad

DEPARTMENT OF HEALTH SCIENCES LIBRARY & INFORMATION STUDIES (HSLIS)

VISION

The SDUAHER University Library and Learning Resource Centre links the academia (students, teachers & research scholars), reliable health sciences knowledge and technology for supporting effective learning, achieving quality health care, vital scientific research and community service.

INTRODUCTION

The library meets the information needs of the faculty and students. It is housed in the ground and first floor of the silver jubilee building in the campus. The library is centrally air conditioned and well-furnished for users. The library has Wi-Fi facilities to browse and access the resources. The library is serving as a medical learning resource center, support to research, educational and clinical needs of the students, faculty and research scholars of the university. The Library is kept open on all working days from 8.30 AM to 10.00 PM. and all general holidays, Sundays and 2nd Saturday from 9.00 AM to 2.00 PM

Currently, the collection of the library consists of 23945 volumes of books, 10263 back volumes (journals) and 1135 compact discs (CD). The library subscribes 41 foreign titles of current journals, 106 Indian journals and 51 online journals. The library also provides access to 296 online journals and 3886 e-books from HELINET consortium of RGUHS. The

library has well equipped digital library with 1Gbps Internet bandwidth and 40+ computers, printers scanners, and SSPS software to facilitate the users using ICT infrastructure in enhancing their reference based research work. 1129 new books were added to the library collection during the year.

THRUST AREAS IDENTIFIED

1. Design & Development of e- tutorial, Webinar, Information retrieval tools, e-publishing, web enabled products & services.
2. Design, development and institution of short term medical librarianship programs for the practicing librarians to enhance the professional standards, skills, and knowledge towards best practices.

LIBRARY SERVICES

- Lending of Books
- Reference Service
- Document Delivery Service
- Internet Training
- Reprographic Service
- Literature Search
- Compilation of Bibliographies
- User Education
- Book Bank and Inter library lending service
- Organizing Book Exhibitions

LIBRARY BUDGET

Library had fully utilized the earmarked budget of Rs.1,10,00,000 for the year 2015-16 towards procurement of books (21%) and (79%) journals (Print and Online).

Library Resources Usage Statistics for the year 2015-16

Sl.No	Description	Quantity
1.	No. of days Library kept open during the year	355
2.	No. of users (Students/Teachers/Research Scholars) Visited	47260
3.	No. of users utilized the Digital Library Facilities, Resources & Services	15981
4.	No. of books referred by the Students/Teachers/Research Scholars	16173
5.	No. of current journals referred by Students/Teachers/Research Scholars	2302
6.	No. of Back volumes of journals referred by Students/Teachers/Research Scholars	1061
7.	No. of Students/Teachers/Research Scholars photocopied reading materials	2010
8.	No. of pages of reading material photocopied by Students/Teachers/Research Scholars	252634
9.	No. of Students/Teachers/Research Scholars got printed of e-resources	2162
10.	No. of pages got printed of e-resources by Students/Teachers/Research Scholars	58567
11.	No. of Students/Teachers/Research Scholars got Scanning of e-resources	1183
12.	No. of pages got Scanning of e-resources by Students/Teachers/Research Scholars	6596
13.	No. of Journals Clubs/ Seminars and meetings were conducted in the Seminar Hall	209

CONFERENCES ATTENDED :

Mr. Prakash, Senior Librarian has attended "Golden Jubilee Summit and International Conference" (MILAN) from June 18-20, 2015 conducted by Dept. of Library and Information Science, Manasaganothri, University of Mysore, Mysore.

Mr. Prakash, Senior Librarian has attended one day workshop on "Understanding Reference Tools: Mendeley and Endnote" held on June 21, 2015 conducted by MyLISA at Sri Jayachamarajendra College of Engineering (SJCE), Mysore.

Mr. Prakash, Senior Librarian has attended one day Seminar on "E-Learning Initiatives of Library" held

on November 11, 2015 at Dayananda Sagar College of Engineering, Bengaluru.

Mr. Prakash, Senior Librarian has attended one day National Seminar on "Designing E-content Portal using Wordpress" organised by NCSI-Net Foundation held on December 19, 2015 at Indian Institute of Science, Bengaluru.

Mr. Prakash, Senior Librarian has attended 8th Annual conference on "HEALTH SCIENCE LIBRARIES AT THE CROSSROADS" from Jan-12th to 13th, 2016 organized by KHSLA at St. John's National Academy of Health Sciences, Bengaluru.

DEPARTMENT OF INFORMATION & COMMUNICATION TECHNOLOGY

VISION

- Providing modern and reliable technology resources to faculty, staff and students to support the mission of the institution optimally.
- Setting bench mark in provision of quick service to the dependent clientele

INTRODUCTION

The Department of Information and Communication Technology was established in the year 2013 to cater to the ever augmenting needs of the university. From the inception itself, the department has provided round the clock quality IT services to various departments in the academy, medical college, hospital and their ancillary facilities. Over a period of time a large variety of IT equipment have been procured and infrastructures have been laid. The entire campus is now WiFi enabled

with a robust LAN scheme in place. Qualified IT personnel are employed and certain IT services are outsourced from time to time.

As a part of continuous upgradation effort, expertise of TATA Consultancy Services has been roped in for online monitoring and preservation of information pertaining to teaching learning activities, research, administrative activities and financial records.

Services Provided to SDUAHER/SDUMC/RLJH&RC

1. Multiple servers and 300 + nodes are maintained by the ICT Dept.
2. Network services related to accounts, file storage, print management, wireless access, telephony and other technology services.
3. Hospital Information system for RLJH&RC
4. Infrastructure provided for College Management Software (TCS).
5. Maintenance of CCTV, Biometric Attendance System and E- podium systems.

HOSTEL FACILITIES

Sufficient hostel accommodations are available for both male and female students. All the rooms are suitably furnished with modern facilities to provide the students with the best ambience for studies as well as recreation.

While for the men there are four hostels, namely, UG Men's Hostel, NRI Men's Hostel, PG Men's Hostel & Intern's Men's Hostel for women there are five, i.e. Junior Ladies Hostel, Senior Ladies Hostel, NRI Ladies Hostel, PG Ladies Hostel & UG Ladies Hostel.

There are certain common facilities like Indoor Gymnasium, Reading Rooms and TV Rooms. All hostels are fitted with solar water heating facility. For provisioning of safe and wholesome drinking water RO equipment and water coolers have been provided in each hostel.

Hostel Committee under the chairmanship of the Principal exercises over all control of the hostels. Day-to-day management is effected through the respective hostel wardens who are chosen from the faculty. Hostel

committee consists of student representatives who meet regularly and decide upon the mess menu and other requirements for the hostels for a comfortable stay.

COURSES OFFERED

The Academy offers various courses, as given below, under the Faculty of Medicine as well as Faculty of Allied Health Sciences:-

SL. NO.	FACULTY OF MEDICINE	DURATION
UNDER-GRADUATE DEGREE PROGRAMS		
1.	M.B.B.S. (including internship)	5½ years
POST-GRADUATE DEGREE PROGRAMS		
2.	MD (Anatomy)	3 years
3.	MD (Physiology)	3 years
4.	MD (Biochemistry)	3 years
5.	MD (Pathology)	3 years
6.	MD (Forensic Medicine)	3 years
7.	MD (Pharmacology)	3 years
8.	MD (Microbiology)	3 years
9.	MD (Community Medicine)	3 years
10.	MD (General Medicine)	3 years
11.	MS (Surgery)	3 years
12.	MS (OBG)	3 years
13.	MS (ENT)	3 years
14.	MS (Ophthalmology)	3 years
15.	MS (Orthopedics)	3 years
16.	MD (Anaesthesia)	3 years
17.	MD (Radio-diagnosis)	3 years

18.	MD Paediatrics	3 years
19.	MD Dermatology	3 years
POST-GRADUATE DIPLOMA PROGRAMS		
20.	Diploma in Ophthalmology	2 years
21.	Diploma in ENT	2 years
22.	Diploma in OBG	2 years
23.	Diploma in Orthopedics	2 years
24.	Diploma Anaesthesia	2 years
25.	Diploma in Radio-diagnosis	2 years
26.	Diploma in DVD	2 years
27.	Diploma in Child Health	2 years
FELLOWSHIP PROGRAMS		
28.	Head & Neck Surgical Oncology	1 year
PH.D. PROGRAMS		
29.	Ph.D. (Physiology)	3 years
30.	Ph.D. (Biochemistry)	3 years
31.	Ph.D. (Microbiology)	3 years
32.	Ph.D. (Pathology)	3 years
33.	Ph.D. (ENT)	3 years
34.	Ph.D. (Radio-diagnosis)	3 years
35.	Ph.D. (Medical Education)	3 years
36.	Ph.D. Nursing (Interdisciplinary Subjects)	3 years
37.	Ph.D. Physiotherapy (Interdisciplinary Subjects)	3 years
38.	Ph.D. Clinical medicine (Interdisciplinary Subjects)	3 years
Sl. No.	Faculty of Allied Health Sciences	Duration
UNDER-GRADUATE DEGREE PROGRAMS		
39.	B.Sc. in Medical Laboratory Technology	3 years
40.	B.Sc. in Imaging Technology	3 years
41.	B.Sc. in Operation Theater Technology	3 years
42.	B.Sc. in Ophthalmic Technology	3 years
43.	B.Sc. in Renal Dialysis Technology	3 years
POST-GRADUATE DEGREE PROGRAMS		
44.	M.Sc. in Molecular Biology and Human Genetics [M.Sc. MB&HG]	2 years
45.	M.Sc. (MLT) Clinical Bio-chemistry,	2 years
46.	M.Sc.(MLT) Clinical Microbiology & Immunology	2 years
47.	M.Sc.(MLT) Clinical Hematology and Blood transfusion	2 years
48.	Master's in Public Health [MPH]	2 years
49.	M.Sc. in Health Science Library and Informatics	2 years
POST-GRADUATE DIPLOMA PROGRAMS		
50.	Diploma in Genomic Technology [PGDGT]	1 year
51.	Diploma in Yoga Practice [PGDYP]	1 year
CERTIFICATE PROGRAMS		
52.	Application Technology in Hospital Environment	1 year
53.	Phlebotomy Technology	1 year
54.	Blood Bank Technology	1 year
M.Phil. PROGRAMS		
55.	M.Phil. (Molecular Cell Biology and Medical Genetics)	2 years
PH.D. PROGRAMS		
56.	Ph.D. (Cytogenetics and Molecular Genetics)	3 years

ACADEMIC & ADMINISTRATIVE EVENTS

The 6th Annual Convocation of SDUAHER was held on 30th March 2016. Padma Bhushana Dr. Devi Prasad Shetty, Founder & Chairman, Narayana Health, Bangalore was the chief guest. Dr. Patnam. R. Krishnaswamy was conferred MD Honoris Causa. Two students were conferred Master of Philosophy (M.Phil) Degree, two students Post Graduate Diploma in Genomic Technology (PGDGT) Degree, 57 students were conferred Post Graduate MD/MS Degree, 17 students were conferred Post Graduate Diploma Degree, 124 students were conferred Undergraduate (MBBS) Degree and 4 B.Sc. Allied Health students were conferred their degree's.

DOCTOR'S DAY CELEBRATION & TEACHERS' DAY CELEBRATIONS

*Doctors Day celebration on
1st July 2015 at SDUAHER*

*Felicitation of Dr. V. Lakshmaiah and
Dr. Krishnamurthy on Teachers's Day Celebration
on 5th September 2015 at SDUAHER*

BOARD OF MANAGEMENT & ACADEMIC COUNCIL MEETING

*Board of Management Meeting on
27th October 2015*

*23rd Academic Council Meeting on Friday,
the 25th March 2016 at 2.00 PM.*

BOARD OF STUDIES FACULTY OF MEDICINE

*16th Meeting of BOS – Para Clinical Subjects
17th February 2016*

*13th Meeting of Faculty of Medicine
held on 26th February 2016*

INDEPENDENCE DAY CELEBRATION 2015 & SRI DEVARAJ URS BIRTHDAY CELEBRATIONS

*Dr. Sarala, Prof & HOD of Pharmacology receiving the
best department award during the Independence Day
Celebration on 15th August 2015*

*13th Meeting of Faculty of Medicine
held on 26th February 2016*

HOSPITAL DAY CELEBRATIONS & REPUBLIC DAY CELEBRATIONS

*Dr. Ramachandra, Medical Director of RRMCH
lightning the lamp on Hospital Day Celebration
on 19th October 2015*

*Republic Day Celebrations
26th January 2016*

ACTIVITIES RELATED TO SOCIETAL BENEFIT

*Sri R.L.Jalappa, Chairman, SDUET distributing
scholarships to rural students*

*Sri R.L.Jalappa, Chairman, SDUET with Rural Students
who were awarded Scholarships*

NSS AND YRC ACTIVITIES

*Swachh Bharath mission activities
by NSS volunteers*

*A cultural show by student on occasion of National
Integration Camp*

*Prize distribution to the participants in poster
preparation and oral presentation on World Health day*

*Flute Recital Programme with SPICMACAY on the
eve of Rashtriya Ektha Diwas*

*Road Rally in Kolar Town on
International Day of Yoga*

*Dr. A.V.M. Kutty, Registrar, SDUAHER Presenting the
prizes for Poster and Essay Writing on Yoga Day*

WOMEN EMPOWERMENT CELL

A Skit performed by students on the occasion of Mother's Day Celebration on 5th May 2015

Guest Lecture 26th March, 2015. Dr. SujathaJali, MD "Strengthening Women Empowerment".

Awareness programme on "Advantages of breast feeding" to all the postnatal mothers on August 1st 2015 at R.L. Jalappa Hospital

A workshop on "Lactation Management" was conducted for Nursing Students on the occasion of Breast Feeding week - 3rd and 4th August

Students from R.L. Jalappa Central School Participating in Drawing Competition on International Day for Girl Child on 9th October 2015

Food stall organized by Women Empowerment Cell on the occasion of International Women's Day celebrations on 4th March 2016

SPORTS AND CULTURAL ACTIVITIES

SCHEDULES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDING 31st MARCH 2016, SIGNIFICANT ACCOUNTING POLICIES

1. SYSTEM AND METHOD OF ACCOUNTING :-

The Accounts were prepared under mercantile system of accounting basis and followed the Accrual system of accounting.

2. REVENUE RECOGNITION :-

All revenues are recognized on accrual basis.

3. FIXED ASSETS :-

Fixed Assets are accounted at cost of acquisition including inward freight, duties and taxes and incidental and direct expenses related to acquisition installation and commissioning.

Fixed assets were valued at cost less accumulated depreciation. Depreciation on fixed assets is provided on written down value method.

Land	-	00%
Buildings	-	10%
Equipments & Tools	-	15%
Computers, Accessories & Software	-	60%
Vehicles	-	15%
Library Books\Journals & Magazines	-	15%
E-Journals & Data Base	-	15%

Depreciation is provided at full rate on the additions to Assets during the year.

4. INVENTORY :-

Stock of Drugs, Chemicals, Linen, Stationery and other Stores were taken at cost as per the Physical Verification.

5. INVESTMENTS :-

All Investments were valued at Cost.

6. No GOVT.GRANTS WERE RECEIVED :-

7. INVESTMENT OF EARMARKED \ ENDOWMENT FUNDS AND INTEREST ACCRUED ON SUCH INVESTMENTS:-

Incomes earned on various investments including earmarked investments were recognized on Accrual Basis subject to the materiality of quantum of Revenue.

8. TAXATION :-

Income of the Academy Exempted from Income Tax Act 1961. Hence no provision for taxation is made in the Accounts.

**SCHEDULES FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED
31ST MARCH 2015 NOTES ON ACCOUNTS FORMING PART OF INCOME AND
EXPENDITURE ACCOUNT AND BALANCE SHEET AS ON 31.03.2016**

1. The Annual Accounts for the year 2015 – 16 is prepared on Accrual basis.
2. Liabilities booked and recognized on receipt of bills and materials / equipments both in respect of Current and other Liabilities.
3. In respect of E-Journals and Database subscriptions, the benefit of which is derived during the year of spending has been treated as Revenue Expenditure and unexpired portion of subscription is treated as prepaid expenses.
4. The Current Assets, Loans and Advances have a value on realization in the ordinary course of business, equal to the aggregate amount shown in the Balance Sheet.
5. Schedules 1 to 5 are annexed herewith and form an integral part of the Balance Sheet as on 31st March 2016 which includes Income and Expenditure Account for the same year ending.
6. Receipts and Payments Account for the year 2015-16 has been prepared on Cash basis.
