INVITATION

Adolescence is the phase of life between childhood and adulthood. It is a unique stage of human development and an important time for laying the foundations of good health. Adolescents experience rapid physical, cognitive and psychosocial growth. This affects how they feel, think, make decisions, and interact with the world around them. The aim of this CME is to highlight the importance of adolescent health and address their common health problems.

Dear Sir/Madam,

We cordially invite you to the CME on **“ADOLESCENT HEALTH.”** We look forward to your active participation.

With warm regards,

Organizing Committee
