DEPT. OF ANAESTHESIOLOGY

INTRODUCTION

We, the department of Anaesthesiology at Sri Devaraj Urs Medical College, Kolar are pleased to extend a warm invitation to all anaesthesiologists to join us for the Annual CME.

It is well acknowledged that the global incidence of cancer is increasing, leading to a higher number of patients seeking surgical or other oncological interventions that necessitate anaesthesia. The complexities and difficulties in providing anaesthesia to these patients are due to the intricacies of the nature of cancer itself.

We are excited to bring together esteemed speakers from the field of oncoanaesthesiology for engaging discussions in the CME.

We look forward to your presence at the event.
