“CHANGING THE NARRATIVE ON SUICIDE”

This triennial theme for World Suicide Prevention Day for 2024-2026 is with the call to action "Start the Conversation". Changing the narrative on suicide is about transforming how we perceive this complex issue and shifting from a culture of silence and stigma to one of openness, understanding, and support.

By initiating these vital conversations, we can break down barriers, raise awareness, and create better cultures of support.
