Regn. No. RRN-4-00009-2021-22 dated. 23-04-2021 (Regd. under Indian Charitable Trust Act 1882)

ABOUT US

Karnataka Stroke Foundation, Bangalore is a charitable trust founded by 9 eminent neurologists in the City to promote stroke awareness. Stroke is a serious neurological condition resulting in significant number of deaths and disability.

Our foundation aims to promote stroke education by educating the doctors on latest developments and advances in stroke treatment. We intend to focus on patients, caregivers and support groups to increase awareness about stroke and the importance of golden hour.

We intend to work in coordination with policymakers to establish local policy on latest technologies in stroke treatment so that it becomes affordable to the weaker sections of the society.
