Kalyanur-563 100**

Dear children/delegates,

It is a pleasure to invite you to participate in the awareness programme with the theme of “Communicable Diseases- causes, symptoms, lab diagnosis, and Prevention” on the occasion of International Pathology day.

Since 2017 we are celebrating the International Pathology day in 2nd week of November every year by providing the awareness about health care system mainly to the young budding citizens - school children.

This Year 2024 the Theme is “Communicable Diseases- causes, symptoms, diagnosis and Prevention”

International Pathology Day marks the contribution and achievements of Pathology and Laboratory Medicine services that address global health challenges and improve the health outcomes of global communities

We take this opportunity to organise E-poster competition among school children that mainly focus on communicable diseases such as Tuberculosis, HIV, Hepatitis B, Malaria, Measels, Covid-19, leprosy, Parasitic infection, typhoid, cholera (Gastro enteritis) etc. so as to create awareness of these deadly disease among the school children and know the preventive measures.

Winners of the poster competition will be awarded with exciting Prizes and the same will be published in the “Sankeerna” College Magazine and in University Website.

Rules for the e-Poster Competition

Theme:“Communicable Diseases- causes, symptoms, lab diagnosis, symptoms and Prevention”

1. One e-Poster per 5 participant.
2. 10 groups will be allowed to participate from each school.

3. e-Poster to be done under given template and final poster to be converted to PDF and presented through laptop. Students can use table’s images, graphs from internet and make it more creative. (e-Poster Template will be provided by organizers through whats app and Laptop will be provided by organizers on the day of presentation.)

4. Rules of Poster presentation

- Each group will be allotted 3 mins for presentation, 2 min for discussion and question and answer session by judges and audience.
- These poster to be mailed to Organizing Secretary on or before 12/11/2024 .E-Mail ID: pathology@sduc.ac.in

5. All the participants will be awarded with certificate of participation.
6. The best three e-Posters will be awarded first, second and third prize.
