Comprehensive Diabetes Screening and Awareness

On the occasion of World Diabetes Day

WEDNESDAY, 20th November 2024

Time: 9am to 4.00 pm

Venue: General Medicine OPD.

WITH BEST COMPLIMENTS FROM,

Organizing Chairman

DR. VIDYASAGAR C R

INVITATION

Dear Sir/Madam,

The Department of General Medicine Sri Devaraj Urs Medical College, Kolar, invites you to our **Comprehensive Diabetes Screening and Awareness Programme on the occasion of World Diabetes Day.**

Diabetes is potentially the next major pandemic that we will have to face in the future. It is characterized by chronic hyperglycemia but has many other ramifications in the form of retinopathy, nephropathy, and neuropathy. Early screening and appropriate management and help achieve euglycemia. Screening also identifies high risk individuals for micro and macrovascular complications and prevents end organ damage. Here at RL Jalappa Hospital, on the event of World Diabetes Day, we welcome you to be a part of a **Comprehensive Screening Programme** for early detection of Diabetes. Your presence will be highly valued.

Warm regards,
Organizing Committee
