PREAMBLE:

Sri Devaraj Urs Academy of Higher Education and Research hence forth termed as SDUAHER in the policy document. The Academy is not only a 'workplace' where faculty and nonteaching staff are employed but is also a place of learning where students come to learn and get knowledge to shape up their careers, to realize their full potential as individuals. Over a period of time The Academy has shown increasing trend in more and more female students taking admissions and participating in higher studies. At SDUAHER, we have zero-tolerance for sexual harassment. Any form of sexual harassment, particularly against women (employees and students) is not acceptable within The Academy.

It is therefore imperative that all students, particularly female students, are provided with a safe and dignified environment in which they are able to achieve these goals, because only then will they be able to realize the constitutional promise of equality.

The goal of Sexual Harassment policy is to end the problem faced by the student/employee through an internal system of relief that is easy to access, and thereby to provide an effective remedy to the aggrieved complainant as quickly as possible so that s/he can continue to study and develop without further impediments. The larger perspective guiding sexual harassment policy is to be educational, preventive, corrective and, when punitive, to carry out processes following a complaint with sensitivity, rigour and justice.

The policy described below is based on the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013 here after referred to as the 'Act' and Rules framed there under.

CONSTITUTION OF ICC:

Complaints can be given to any member of the Committee. It will be incumbent on the head of any department/administrative unit or any teacher to forward a complaint s/ he receives to the committee immediately.

GUIDING PRINCIPLES OF ICC:

- **Confidentiality** with respect to the details of the complaint, the complainant's identity and the person(s) who she has charged must therefore be mandatorily guaranteed, but by itself, this is not enough, as confidentiality must extend both to the procedures employed in enquiries and the witnesses involved in them for the guarantee to be truly meaningful.
- **Non - Coercion and Interim relief**– The Academy applies this policy in letter and spirit. As per the rules an order of restraint is issued to the respondent as soon as the complaint is filed, prohibiting all direct or indirect contact with the complainant, her family or witnesses. Violations of the order of restraint are viewed as aggravating the offence committed.

- **Fair Policy-** In accordance with the fair policy all ICC enquiries are carried out in accordance with a detailed procedure for inquiry into a complaint of sexual harassment, starting from the filing of the complaint, examination and cross-examination of witnesses, right up to the submission of the report.
- **Education and Redressal-**there is zero tolerance for quid pro quo harassment involving a teacher\employee and a student or those in any other hierarchical relationship. The specific redressal a particular complaint demands vary according to individual cases, but the objective of the interventions by ICC is to ensure that the sexual harassment stops at once.
- **Ethics for Research Supervision:** The perspective that should guide ethics for research supervision is to maintain clear norms in the relationship such that neither is the student violated nor does her research suffer. Time spent with supervisors is professionally oriented and not be personal. Unnecessary requests to spend time with supervisors should be avoided. All meetings should be during office hours in office space. Doors should either have glass – and this should also include laboratory doors which usually must be kept closed --or else doors should be kept open during meeting times. Any complaint made by a student about a supervisor must be forwarded to the Sexual Harassment committee and officially acknowledged. Following this the Supervisor must be suspended and another faculty member assigned in consultation with the student.
