Organized by

DEPT. OF ANAESTHESIOLOGY

Program Description

We, the department of Anesthesiology at Sri Devaraj Urs Medical College, Kolar are pleased to extend a warm invitation to all anaesthesiologists to join us for the Annual CME.

Perioperative emergencies refer to critical situations that can arise during the pre-operative, intra-operative, & post-operative periods. Recognizing that many of these emergencies are related to the cardiovascular system, airway management, & obstetrics, this CME is dedicated to enhancing our preparedness.

Anesthesiologists must be adept at recognizing these emergencies promptly & managing them effectively to ensure optimal patient outcomes. This CME aims to provide valuable insights, share updated protocols, & foster discussion on best practices in managing such critical events.
