## WORLD ANATOMY DAY

Sri Devaraj Urs Medical College  
proudly commemorates World  
Anatomy Day, honoring the legacy of  
Andreas Vesalius, the father of modern  
anatomy.

The theme for 2025 is:

“Global perspectives of Anatomy –  
bringing together the global  
community and recognising differences  
while celebrating similarities.”

This occasion is more than just a  
tribute to the past — it marks a step  
forward in bridging basic anatomical  
science with clinical practice, while  
reinforcing the global relevance of  
anatomy in health, research, and  
education.
