

Event Report: International Pathology Day 2025

The Department of Pathology, SDUAHER, observed *International Pathology Day 2025* on **14 November 2025** at the Sri R.L. Jalappa Silver Jubilee Auditorium. The event aimed to highlight the crucial role of pathology in diagnosis, research, and patient care, while inspiring students to appreciate its significance in modern medicine.

The programme was inaugurated by **Dr. Muninarayana C**, Registrar, SDUAHER, in the presence of **Dr. T N Suresh**, Professor & HoD, and the department faculty. As part of the ceremony, **Dr Sneha K**, Co-organising Secretary and Assistant Professor, delivered the formal introduction of the distinguished guest speaker, **Dr. Siddhartha Datta Gupta**, Adjunct Professor, SDUMC. His talk, "*Pathology in Medicine: Exploring Myths, Hidden Treasures and the Unknown*," provided valuable insights into the evolving scope of pathology and addressed common misconceptions.

A **Reels Competition** based on the theme "*The Global Pathology Workforce*" was held to encourage student participation and creativity. The event saw an enthusiastic turnout of **220 participants**, including faculty and students. Winners were presented certificates and cash awards.

The programme concluded with a vote of thanks by **Dr. Sudarshan K**, Co-organising Secretary. The event successfully underscored the indispensable role of pathology in healthcare.
