CORDIALLY INVITES YOU ALL TO A NATIONAL
LEVEL CME ON**

RETHINKING GLAUCOMA: BEYOND PRESSURE AND PROGRESSION

**DATE: 18TH MARCH 2026
VENUE: WILLIAM OSLER HALL,
SDUMC, KOLAR**

As one of the foremost causes of irreversible blindness globally, glaucoma presents unique diagnostic and therapeutic challenges. Its insidious progression often results in delayed recognition, emphasizing the importance of structured evaluation and timely intervention. Recent years have witnessed substantial progress in imaging technologies, pharmacological advancements, laser procedures, and surgical innovations that have reshaped glaucoma care. This CME is designed to bridge foundational knowledge with real-world clinical application, empowering residents and practitioners to approach glaucoma with greater clarity, confidence, and precision.

REGISTRATION CODE
