3	Critical Discussion: Lessons Learned - Insights and reflections from simulation activities	1hr

DAY-8

SI No	Topic	
1	Critical Discussion: Lessons Learned - Insights and reflections from simulation activities	2hr
2	Course Wrap-Up. Recap of key concepts. Feedback and discussion on how to implement learning in practice.	1hr
3	Summative assessment- Post test	1hr

Dear Students / Consultants,

The R. L Jalappa College of Physiotherapy is happy to inform you that we are conducting a ‘**Foundations of Ethical Practice in Interprofessional Care**’.

This value-added course is designed to equip participants with a foundational understanding of ethics and values essential for collaborative healthcare practice. With the healthcare landscape becoming increasingly complex, it is vital for future professionals to be proficient not only in clinical skills but also in ethical decision-making and interprofessional collaboration. This course aligns with global frameworks such as those from the Interprofessional Education Collaborative and the World Health Organization, emphasizing the importance of shared values, mutual respect, and patient-centered care in multidisciplinary environment.

Objectives of the Course:

- Identify the core ethical principles of interprofessional collaboration.
- Explain the importance of core ethical principles in IP care.
- Discuss strategies for upholding ethical principles in a collaborative team environment.
- Apply the professional principles in ethical decision making in team-based care.

Target Audience: Interns and Postgraduates of Medical and FAHCP students.

Course Duration: 30 hours

Attendance: 75% session is mandatory for successful completion of the course.

Assessment: Multiple Choice Questions (MCQs)

For Registration:

Scan the QR code to register:

Mandatory Registration for the event (Free)
Session - Offline mode only
Certificate will be issued only on successful submission of the feedback form and assessment.

The link for the feedback and assessment form will be shared to registered mail
