Personalized medical education technology

MOKSH group formed in 2012 in India

with the sole mission to fill the gap of healthcare professionals globally. By 2018, it became a market leader in healthcare student mobility space in B2C segment placing 1000+ students annually in 6 countries for medical programs.

This business stream of student mobility is now the feeder network for all the group activities globally. The industry demand was responded by MOKSH and a new Academy was born in 2018.

Sl. No.	Event Report
1	Level of the event Institutional level
2	Background / Introduction Our college recently hosted an informative session by Moksh Academy specializing in guiding medical graduates toward pursuing postgraduate studies abroad and in India. The speakers covered essential topics about the USMLE, PLAB, and NExT exams. Mr. Sandeep from Moksh Academy walked us through the step-by-step process of writing these exams, including registration, preparation, exam and fee structure, and timelines. Additionally, they highlighted the various opportunities available upon successful completion, such as residency programs and job prospects in countries like the USA and the UK. The speakers also provided valuable encouragement, reminding us not to be intimidated by the challenges. They emphasized that, with consistent effort and the right guidance, cracking these exams is achievable. Their motivational words inspired everyone to stay determined and not give up on their aspirations.

2	Background / Introduction Pongal / Sankranthi are prominent harvest festivals celebrated in India, particularly in the southern and northern regions, with immense cultural and agricultural significance. Pongal is a four-day festival observed in mid-January (usually January 14–17) to coincide with the Tamil month of Thai, marking the sun's transition into the zodiac sign Capricorn (Makara Sankranthi). Four Days of Pongal: <ul style="list-style-type: none">• Bhogi Pongal: Celebrated by discarding old belongings and starting anew.• Surya Pongal: The main day of worshipping the Sun God, when the traditional Pongal dish is prepared.• Mattu Pongal: Dedicated to cattle, recognizing their contribution to farming.• Kaanum Pongal: A day for social visits and gatherings.

<p>The PhysioFiesta, held from 17th to 19th December 2024, was a vibrant celebration of creativity, sportsmanship, and cultural diversity, bringing together students and faculty in a spirit of unity and enthusiasm. The event began with an inspiring inauguration ceremony where esteemed guests Dr. Arvind Natarajan and faculty set the tone for the festivities with physio fiesta banner unveiling. The fest featured a variety of creative competitions, including T-shirt/face painting, rangoli, and cooking without fire, which showed participants artistic talents and innovative skills. Athletic events such as sprints, relays and long jump, highlighted the physical prowess and determination of participants, while sports like cricket, throw ball, volleyball, tug of war, and football brought out teamwork and competitive spirit. Indoor games like chess and carrom tested strategic thinking and precision, while cultural activities added a lively touch to the fest. The Mehndi competition and the spectacular cultural showcase of singing, dance performances, and miming captivated audiences with their artistry and entertainment. The three-day fest was a resounding success, providing a platform for participants to display their skills, foster camaraderie, and create lasting memories. It set a high benchmark for future events and left everyone inspired and united in celebration.</p>

REPORT ON MARROW SESSION FOR 2023 AND 2024 BATCHES

On 10th December 2024, MARROW, one of the esteemed sponsors of DeMedCon 2024, conducted interactive sessions for the 2023 and 2024 batches during their respective theory classes. This engagement, part of the sponsorship terms, focused on empowering students with practical learning strategies and academic insights. 275 students took part in this lecture organized from Department of Student Welfare

The session, led by Sukanthan, Manager of MARROW, and Abhishek, MARROW Representative, began with an introduction on how to study effectively and the basics of the foundation course. Students also participated in filling out a Google form, which collected valuable data about their study styles and learning preferences.

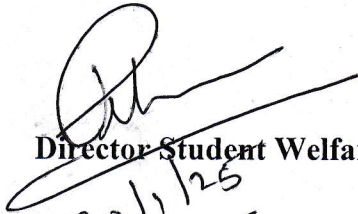

For the second-year MBBS students, MARROW organized a lively quiz competition with attractive prizes for the winners, making the session not only informative but also highly engaging and enjoyable.

This initiative was made possible through the unwavering support of Dr. Pradeep, Director of Student Welfare, and was seamlessly coordinated by S. Dipak Raj, Organising Secretary of DeMedCon 2024.

The session was well-received by students, strengthening the collaborative efforts between MARROW and the institution while fulfilling its objective of enhancing the academic journey of medical students. 30 students got subscribed subscription from Marrow

As part of Shri RL Jalappa Centenary Year Celebrations

Sub: Department of Student Welfare conducting an Education seminar PrepLadder

We from the Department of Student Welfare conducting an Education seminar PrepLadder. The purpose of this seminar is to educate the MBBS students about the strategy and educational topics. I believe that an offline seminar would provide a more engaging and interactive platform for MBBS Students, fostering a conducive environment for learning and discussion.

We request your kind self to please relive the Phase III Part I and Phase III Part II on 30.05.2025 from 12:00 Noon to 1:00 PM at Sir C V Raman Auditorium (PG Auditorium). Attendance will be sent to the Principal office and also respective departments after the event.
