**Subject:** Consolidated report on special programs undertaken for advanced learners and slow performers of Allied Health and Basic Science, SDUAHER, Tamaka, Kolar

Respected sir,

In connection with NAAC Criteria 2.2.1, I am sending consolidated report on special programs undertaken for advanced learners and slow performers of students of Allied Health and Basic Science, SDUAHER.

We have prepared guidelines for identification of slow performers and advanced learners, remedial measures to be taken and outcome monitoring and have offered special programs for slow and advanced learners.

On the basis of their learning speed students are classified as advanced learners and slow performers. Each student has different learning attitudes and learning levels, accordingly teaching faculty has to adapt teaching methodology as per type of learner.

Programs undertaken for slow learners

1. Mentoring and counselling
2. Parent teacher meeting if required based on the performance in formative assessments and attendance of students
3. Revision classes, assignments and practice tests
4. Central library kept open for students till 10.00 pm

## **Programs undertaken for advanced learners**

1. Guiding for career planning
2. Discussion on seminar on the advanced topic
3. Guiding and encouraging to enroll for funded Student projects
4. Encourage to be as a student representative in any events/ committees
5. Encouraging to participate in various symposiums like quiz, poster presentation, Conferences, inter institution competition etc.
