

Write up of Workshop “Implementation of Leadership Module in Undergraduate Curriculum”

Date of the event: 07th May 2026

organized by University Centre for Health Professions Education (UCHPE)

No. of participants attended : 40

This one-day interactive workshop equipped educators in health sciences

The session started with a warm welcome and an engaging icebreaker to set a collaborative tone. The sessions focused on competency-based leadership training, curriculum integration, teaching-learning methods, and assessment strategies. Participants engaged in interactive group activities on competency mapping, year-wise curriculum planning, and assessment blueprint design. Discussions highlighted practical approaches for implementing leadership modules within existing curricula. The workshop promoted collaborative learning and sharing of best practices in leadership education. Faculty participants developed preliminary implementation plans for leadership training in their respective programs“
