The University was formally inaugurated on 8th June 2007 and started functioning from 18th June 2007 with Dr.S.Chandrashekar Shetty as Vice-Chancellor and Dr.A.V.Moideen Kutty as Registrar. Following this, all statutory authorities of the University viz, Board of Management, Academic Council, Faculty of Medicine, Board of Studies, Finance Committee, Planning and Monitoring Board, Advisory Committee, Fee Fixation Committee, Purchase Committee were constituted and notified as per the Memorandum of Association.

At the 1st meeting of the Board of Management and 1st meeting of Planning and Monitoring Board it was decided to constitute a committee to prepare a Vision document and perspective plan of the University. Accordingly, a committee was constituted headed by the Vice-Chancellor. The committee met several times and had finalized the Vision and Mission document that was approved by the Board of Management.

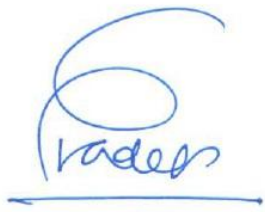

The draft of the perspective plan of the University which has prepared by the committee envisages the short, intermediate and long term plans for over all development of the University in terms of academics, administration and infrastructure.

The short term plan which commenced from 2007 will extend until 2010. During this period, the University prioritizes its focus on qualitative improvements in teaching, learning, evaluation, administration, research, social services, computerization etc.

The University also aims to prepare for the start of new courses, increase in intake of seats in Post Graduate courses and include other intuitions run by the sponsoring trust such as R.L.Jalappa Institute of Technology, Kodigehalli, Doddaballapur (off campus) and Sri Deavarj Urs College of Nursing, Kolar (on campus) under the ambit of the University.

The intermediate plans of the University will extend up to 2015. During this period, the University plans to prepare for the start of super specialty departments, super specialty courses and other relevant courses under the faculties of Medicine, Engineering and Nursing. The University also would aim for reaccreditation of the constituent college by NAAC, establishments of skills labs, e-learning and e-governance.

In the long term plan, the University will aim to establish its own campus with various departments and research laboratories with all infrastructural facilities. The activities of the long term plan will extend up to 2020. It also would aim to establish new faculties, exchange programs, off shore and off campus intuitions.
